

SPORTS

COLTS OF CALLAHAN AND CREW OF PIRATES

Closing Game This Afternoon of Series of the Warren District League

Just one more ball game and the diamond will be turned over to the cows, and later on to the tow-headed hero of the gridiron. The old saying that the best always comes last is likely to receive some support, when the Colts of Callahan, the tribe of ball-playing fishermen, will play the Piratical Crew selected from the ranks of the Bankers and the Tigers.

Callahan says that his team will win this afternoon just to make a season straight of wins, but nevertheless the fans believe that it will be the hardest game the champions have had since the season began. It is a chance that the Pirates will defeat the Colts and the said Pirates are going to do all that is in them lies to cop a victory.

The game will begin at 2 o'clock, the management anticipating that the game may go longer than nine innings for a fall. The line-up of the teams will be as follows:

INTERNATIONAL TENNIS
British and Americans Contesting for Right to Challenge
NEW YORK, Sept. 9.—The Americans scored heavily in the preliminary tennis matches to decide whether this country or England shall furnish the team to play for possession of the Davis cup, now held by Australia.

PROMOTER PINCHED.
SAN FRANCISCO, Sept. 9.—Dr. John Grant Lyman, a promoter well known in many large cities, is held in jail without bail on a charge of attempting to defraud clients out of \$50,000, by using the mails to promote the Panama Development company.

THE KITCHEN CABINET
IT IS PLAIN that religion will not thrive with a bad stomach and that poor cooking will show itself in wretched feelings.

SOUR CREAM AND ITS USES.
There are many cooks who will not take the trouble to save small quantities of sour cream. It is really a valuable article of food and may be used in numerous ways in food combinations, saving butter, sweet cream and other shortening.

Nut Cake.—Take three-fourths of a cup of sour cream, one cupful of sugar, one and a half cupfuls of flour, one cup of chopped English walnut meats, one egg, one-half teaspoonful each of salt and soda; flavor to taste. Bake in a loaf nearly an hour in a moderate oven.

Feather Cake.—Take a cup of thick sour cream, one cupful of sugar, two cupfuls of flour sifted with a teaspoonful of soda and one of baking powder, a half teaspoon of salt, one egg, a teaspoonful of vanilla. Bake in a loaf.

Spice Cake.—To three-fourths of a cup of sour milk add the same amount of sugar, one and a half cupfuls of flour, two tablespoonfuls of cornstarch, a teaspoonful each of baking powder, cinnamon, cloves and nutmeg, sifted with flour, and a half teaspoon of salt and soda, one whole egg and the yolk of two. Bake in layers and put together with boiled frosting.

Green Cakes.—Use the above recipe and bake the cakes in gem tins, sprinkling over each a little granulated sugar and putting a raisin in the center before baking.

GOTCH SNEAKED HOME.
Thus He Escaped the Honor His Townsmen Had Arranged
HUMBOLDT, Sept. 9.—Frank Gotch, world's champion wrestler "Dewey" the people of his home today by arriving unannounced. They intended a big reception but the champion's unheralded arrival knocked the plans away.

HARVARD WINS AT TENNIS.
PHILADELPHIA, Sept. 9.—The expected happened today in the intercollegiate lawn tennis championship final, Harvard defeating Yale for the singles title. Whitney for Harvard walked away from Mann of Yale, 6-1, 6-2, 6-2. Princeton yesterday won the doubles championship.

COLTS WILL MEET CANANEA TEAM

Series of Two Games Next Saturday Afternoon and Sunday

Callahan's Colts have accepted the challenge of the Cananea ball team for a game to be played at Cananea on September 16 and on the following day. The first game will be played on Saturday afternoon and the second on Sunday morning, the Colts returning to Bisbee in the afternoon.

While the challenge was sent to Captain Callahan of the Colts, the best team that could be selected will be sent against the Quien Sabes. Even with this sort of a selection, however, the majority of the players of the team that will invade Mexico are Colts, the only player drafted being Chapman, the first sacker of the Bankers.

The game will be a hard one for the Colts, as a number of the players on the Cananea team are old Cactus league players. The first game will be played for expenses and the second for a split of the gate receipts. Following will be the line up of the teams:

Cananea	Position	Bisbee
Adams	c.	Kelly
Reardon	p.	Champion
Machlenkamp	1b.	Chapman
Dugan	2b.	Hicks
Rhinehart	ss.	Champion
Holt	3b.	Allen
Boland	lf.	Critchley
Hodges	cf.	Callahan
Carmichael	rf.	Gill

FEATURE PROGRAM AT ROYAL THEATER

The offering tonight at the popular Main street playhouse is one for which the management can justly feel proud. The star picture for the entertainment is "The Trapper's Five Dollar Bill," which is taken from O. Henry's famous comedy story, "The Whirligig of Life." The setting is in the mountains of Kentucky and the story deals with a mountaineer and his wife who have a five dollar bill and can't agree on spending it.

The comedy in this film is of that unique quality which distinguishes all the work of its lamented and gifted author and makes a most entertaining and enjoyable picture.

"The Geranium" is a picture story which is fully as good as the feature subject named above, though it deals with dramatic rather than comedy situations. Its chief charm lies in its atmosphere of poetry and sentiment.

The two Vitaphone children who have filled so many parts well in other photoplays, will have prominent parts in this.

A beautiful scenic, entitled, "On the Coast of Bengal," will be shown. The scenes are: The City of Calcutta, on the Hoorn bridge, gathering coconuts, a rubber plantation, and a camel caravan. In all a very commendable travelogue.

The other films to be shown are "At the Gringo Mine," a western drama, and "The Struggle for Life," an Italian drama.

YALE GOLF CHAMPIONSHIP.
SHORTHILLS, N. J., Sept. 9.—Yale again won, through the playing of George Stanley, the intercollegiate golf championship. Stanley won from Henry Breyburn of the University of Pennsylvania, five and four.

LESTER DEFEATS LANG.
SYDNEY, N. S. W., Sept. 9.—Jack Lester of Cleelum, Wash., defeated "Bill" Lang, the Australian heavyweight, for the championship of Australia. The battle went the full twenty rounds scheduled. Lester was awarded a decision on points.

THE EGAN SCHOOL
The Foremost Institution of Dramatic Instructors in America. Actually the Largest, Save One
Fifteen Rooms and a private Theater, occupying the Entire Top Floor of the Hamburg Majestic Theater Building, Ninth and Broadway, Los Angeles, California.

A large Faculty of Acknowledged Authorities in every branch of Dramatic Art, most of them actively and prominently connected with the Theater at the present time.

Important!
No other dramatic school, anywhere, can claim such an affiliation as we possess—a working agreement with the largest theatrical corporation west of the Mississippi river, whereby our successful graduates step from our rooms DIRECT to splendid engagements on recognized stages.

WOLGAST AND PACKY WILL NOT COLLIDE

Authorities of Milwaukee Decide Meeting Would Be Violation of Law

MILWAUKEE, Sept. 9.—Sheriff William Arnold announced this afternoon that there would be no bout between the lightweight champion, Ad Wolgast, and Packy McFarland next Friday night.

The sheriff acted on an opinion handed him by the district attorney that the fight would be a violation of the law. Practically every seat in the house has been sold.

The opinion of the district attorney held that boxing matches are not illegal, but that this is no boxing match. He believes that the intent of the promoters clearly indicates that the affair will be nothing else than a prize fight which is illegal. The principals, says the opinion, are both recognized champions in their class and intend to meet for a large money prize and I believe the affair would be a prize fight such as is prohibited by law. It cannot take place.

Socialist aldermen condemn in strong terms the action of the district attorney and sheriff.

INVINCIBLE MAY SUTTON.
BUFFALO, N. Y., Sept. 9.—May Sutton of Pasadena won the international woman's championship title and a cup at tennis today, defeating Miss Noyes of Toronto, 6-1, 6-1. Nat Niles of Boston won the men's singles championship, defeating Charles Benton of Cleveland in straight sets.

HEARNE WON ROAD RACE.
CINCINNATI, O., Sept. 9.—Edd Hearne, driving a Fiat, won the 200-mile automobile road race today. John Jenkins, in a Cole, won the 160-mile race. Six accidents occurred but none resulted more seriously than in sprains. Hearne's time was 3:55.38.

UNCONSIDERED FACTS.
—Australia is a land of horses. To every 100 inhabitants Australia has forty-five horses.
—Germany sends an average of 29,000 feathers a year to England for millinery purposes.
—For fine work in manufacturing or repairing jewelry a green light has been found to be the best.
—The Germans are making a substitute for celluloid called celion. It is much the same, but is nonexplosive.
—It is now possible to measure accurately the flow of steam in pipes. It is done by an electric meter.
—Agriculture employs nearly one-half of all the inhabitants of France. The exact figures are 43 per cent.
—The debt of the city of London is now \$55,000,000. Above two millions of this sum was added during the last year.
—Oil stains may be removed from most garments with turpentine, if it is applied before the garments are washed.
—The post office in England derives a profit of \$50,000 a year from money orders that are never presented for collection.
—A glassblower in New Jersey has produced a perfect bottle so small that a fly cannot crawl into it with folded wings.
—During the year 1910 there were 550 boiler explosions in this country, killing 277 persons and wounding 596, a total of no less than 783 for a single year.
—On the Great Lakes between this country and Canada the handling of coal is a main feature. About fourteen million tons passed through the Soo Canal in 1910.
—Hamburg, in Germany, is constructing twin tunnels under the River Elbe for the use of vehicles and foot passengers. Their cost will total about \$2,500,000.
—Japan has 233 mines, and the capital employed to develop them aggregates 141,000,000 yen, which is about \$72,000,000 in our money, the yen being roughly estimated at 50 cents.
—It is difficult to procure wood suitable for the manufacture of matches. A Frenchman has invented a kind of wood, made or formed of straw, which appears to answer the purpose best.
—Farm lands in the south are increasing rapidly in value. The rate has been 118 per cent, since 1900, or a total valuation of \$5,000,000,000 in round numbers in 1910 as against some \$2,000,000,000 in 1900.
—Of the vast forest of cedars that once clothed the mountains of Lebanon, in the Holy Land, only 200 remain. They are carefully inclosed and watched over to prevent their destruction like all the rest.
—Mrs. Taft's favorite book is "Trida and Prejudice," by Jane Austen, a standard novel of the old-fashioned type. She is accustomed to present a copy to the daughters of her friends who are about to enter society.
—A vast deal of rubber is shipped from Mexico. For the five months ending in November, 1910, the value of this export was close to \$5,000,000 in gold. The trade doubles in volume each year, having done so for several years in the recent past.

A Cheap Sinner.
Our one idea of a cheap sinner is one who loafs all the week and then goes fishing on Sunday.
