

THROUGH THE COURTESY of Mr. L. C. Shattuck, president of the Miners and Merchants Bank, I am enabled to publish some figures showing the value of stock in a few American Fire Insurance Companies, as copied from the Financier, a weekly journal devoted to investments and published in New York City Nov. 30th, 1912.

All of these companies pay large annual dividends, varying from 10 to 275 percent.

FIRE INSURANCE STOCKS

Reported by Titus & Mitchell, 43 Exchange Place, New York City
