

LOCAL

The Day's Temperature
The highest registered yesterday was 84 degrees and the low was 72. There was no precipitation, nor was it cloudy but it felt a great deal hotter than the thermometer looked.

Well Attended
There was a large attendance at the opening of the carnival at Lowell last night. The company has a number of novel attractions and expects to have a successful run here.

From Normal
Miss Addie Wittig has returned to the city from the Northern Arizona Normal at Flagstaff. She was awarded her diploma, graduating with honors, and will take up teaching this winter.

To Attend Banquet
Thirty Eagles from Douglas will come up to Bisbee by auto on Sunday to attend the elaborate banquet that is to be given on that date by the local Aerie and Bisbee Red Men.

From Huachuca
Frank B. Mason, accompanied by his wife and family and Miss Parker, spent yesterday here, coming by auto from his ranch at Lewis Springs. They returned last night.

On Vacation
Mrs. A. M. LaChance, of the post office, has left for San Francisco on her vacation. Miss Leona Marshall is also away on her vacation.

Having Good Time
The Y. M. C. A. has received a letter from Secretary E. A. Putnam saying that he is having a fine time on the coast, where he is visiting the larger cities. He will return September 1.

New Pictures
The Y. M. C. A. is in receipt of three fine framed views of scenes along the Santa Fe, which have been sent by General Passenger Agent, of Flagstaff.

Is Not Moving
C. E. Bell, who conducts the barber shop underneath the Bisbee hotel, was kept busy yesterday telling customers that they would find him at the present stand for some time to come. Improvements being made in the building were supposed to do away with Bell's lease at early date, but arrangements made yesterday will give him his present location for probably 60 days more.

Severely Ill
Louie Stevens, well known barkeeper, has been confined to his room a few days severely ill. He was reported better yesterday and it is thought will escape typhoid, which has threatened.

New Way to Make Apple Dumplings
Served With Hard Sauce or Cream and Sugar

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

Here is a new way to make apple dumplings that will surely please every housewife, for it is not necessary to have whole apples, and the juice cannot run out and burn as with apple dumplings where the apple is placed in the center and the dough turned up around it. The biscuit part forms a crispy shell that holds the apples and juice.

K C Apple Dumplings
One and one-half cups sifted flour; 3/4 teaspoonful salt; 3 level teaspoonsful K. C. Baking Powder; 1/2 cup shortening; about 3/4 cup milk; apples.

Fill the cups of a buttered muffin pan with pared and sliced apples, sprinkle with salt and turn two or three table-spoonfuls of water into each cup. Sift together, three times, the flour, salt and baking powder; work in the shortening, and mix to a soft dough with the milk. Drop the dough from a spoon with the apples in the cups, giving it a smooth exterior. Let bake about twenty-five minutes. Invert the pan on a large serving-dish. Put a spoonful of hard sauce above the apple in each dumpling and finish with a grating of nutmeg.

This is only one of the many new, delicious and appetizing recipes contained in the K. C. Cook's Book, which may be obtained, free by sending the colored certificate packed in every 25-cent can of K. C. Baking Powder to the Lehigh Manufacturing Co., Chicago. Be sure to get the correct certificate as do not contain Cook's Book certificate.

From Cananea.
General Manager James Douglas of Green-Cananea was in the city yesterday morning en route to Douglas from a few days' visit at Cananea. Visiting in Douglas.

Go to the Coast.
Mr. and Mrs. G. E. Morrison left last evening for Los Angeles and San Diego, expecting to remain in the latter city until the middle of next month.

Conditions Good.
Manager Heffin of the Heffin Mining Co., operating in the Swisshelm, returned to the property yesterday, following a few days' business visit in the city. He says conditions are good at the property and the outlook at the present time the best that has been enjoyed.

Picnic Grounds Unharmed
While a heap of water went through the Frick picnic grounds in Ripper Tombstone canyon the first part of the week, Mr. Frick said last night that a great deal more good than harm was done the grounds. The latter have already been put in better shape than ever before and are ready for picnic parties straight ahead. Mr. Frick planned his grounds early in the year so that flood waters which might come along would carry out all accumulated rubbish, and in getting this work done by the flood the first of the week he saved a considerable outlay of money that would soon have been necessary. The flood was the heaviest, he says, that he ever saw in that vicinity, and he has been in the canyon many years. The fact that it did his picnic grounds no harm makes him feel confident as to their safety in the future.

Visited Douglas.
Mr. and Mrs. Wm. Johnson were among Bisbee visitors in Douglas yesterday calling on friends in that city.

Doing Their Best
Leo Gannon was a business visitor in Douglas yesterday. He reports that city doing his best to emulate the prosperity and high activity of Bisbee, and making fair headway.

New Clerks
Misses Mable H. Martin and Ollie E. Fowler have been appointed probation clerks at the post office following receipt of results in the recent civil service examinations.

In From Ranch
Hugh Dugan returned to the city yesterday from a several weeks stay with his family at their ranch at Sulphur Springs Flats. Mr. Dugan expects to remain in the city a couple of weeks and then return to the ranch for another period.

BURGLARIES NOT TO BE EPIDEMIC

No further burglaries have been reported since that at the Central Pharmacy early in the week. Prior to that there had been two in the residential districts, but that there is not now and will not be any epidemic of burglaries such as has recently been in Douglas, is the conviction of Chief Watkins. "Bisbee is not going to be subjected to a wave of burglaries like Long has experienced," said Chief Watkins yesterday, "for the reason that the criminal element is not now here and is not going to be allowed to settle here. The police have all been instructed to keep a sharp look out for suspicious characters and those who don't take the tip the first time they will get into trouble. When a few are allowed to remain in a town they seem to draw others and by the time a good number have arrived it is often very difficult to get rid of them all. Being right on the line where a burglar can make a haul and escape, is another problem that Douglas has to contend with. By keeping suspicious characters on the move the moment they are spotted the chance of petty crimes is reduced to the minimum."

GRAYS GO TO TUCSON TODAY

The Warren District Grays leave today for Tucson, where they will meet the Tucson first team tomorrow, one of the strongest sides in the state. About a dozen of the team will leave today and the remainder, accompanied by a number of local fans, will make the trip Sunday morning. The Grays have been holding practice every evening this week. They made a good showing with the Fifth cavalry team last Sunday and have every hope of bringing the long end of the score home with them from Tucson. Reports from the latter city state that there has been something of a shake up in the team and that it has been much strengthened, particularly in the field. All three of the star twirlers of the locals, Elliott, Champion and Halbert, will accompany the team. It has not yet been decided who will be first in the box. Messrs Blair, Wittig and Henry of the Gray management, will also accompany the team. The Grays are in good financial condition and the season to date has been a success. Local games, on the whole have been well attended and the public in general has given the team hearty support. Next Sunday El Paso will play here Gulch, Phone 257.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one broad disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists.
