United Western. Developments of late on the 500-foot level of the United Western have been of a character that augurs well for the future of the company.

Ivanhoe. The main shaft on the Ivanhoe Consolidated has reached the 500-foot point and a station is now being cut preparatory to the extension of a cross cut in a southerly direction to the main vein.

Big Jim. Notwithstanding the fact that it is necessary to handle with the pumps recently installed approximately 85 gal tons of water per minute.

Murdock. The Murdock Mining and Milling Company will in the next few days greatly increase its scale of operations.

control of the company is vested in the same interests which own the United Verde Extension. If this proves to be true, then there is ample assurance that the mining operations will be carried out in an intelligent and efficient manner.

The Jerome Verde property consists of 28 patented claims embracing 486 acres of land lying east of the United Verde and adjoining the Little Daisy mine of the United Verde Extension.

The property is equipped with a hoist capable of effective service to a depth of 1,000 feet, a five-draw air compressor, and an electric pump with a capacity of 175 gallons per minute, working against a head of 500 feet.

ing men and ore by means of hoisting machinery. Ore bodies of value have been cut in these tunnels at depths considerably in excess of the lowest level of the mining estates through which they pass.

Notable among the mines the tunnel will open at depth are the War Eagle-Gladiator, Nelson, Spring Green, Fairview and Lincoln. Each of the properties mentioned has produced upward of \$500,000 worth of gold and silver ore under the most adverse mining, milling and shipping conditions.

TURN HAIR DARK WITH SAGE TEA

Grandma kept her locks dark, glossy and thick with a simple mixture of Sage Tea and Sulphur.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmothers' treatment, and folks are again using it to keep their hair a good, even color.

Nowadays, though, we don't have the troublesome task of gathering the sage and the muss mixing at home. All drug stores sell the ready-to-use product called "Weyth's Sage and Sulphur Compound."
