Railroad companies, large and small are still ordering rails for 1917 shipment a sheavily as mills can be induced to make sales. Manufacturers find much difficulty in declining orders from importunate buyers. In last week contracts for light and heavy sections reported amounted to nearly 150,000 tons.

Lord Cromer, British statesman, says: "I hope and believe that the best minds in the United States are sure that the alliance for this war which exists between Great Britain and Japan could mean nothing whatsoever in the case of war between our country and Japan, a war which, by the way, I am certain will never occur."

IN HER CHARMING RESTING GOWN

This pleasing combination of the most thing in negligee gowns—is of pale pink chiffon trimmed profusely with lace and satin ribbons. A lace overlay covers the whole gown except part of the sleeves. The rapid approach of summer's hot days will lead to make this style one of the most popular to be worn this coming season.

**KEEP LOOKING YOUNG**

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must keep your liver and bowels—there's no need of having a yellow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle.

Your doctor will tell you nicely part of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

The Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 1cc and 2cc per box. All druggists.

The Olive Tablet Company Columbus, O.

**The Coming Baby!**

Hooray! Hooray!

Nothing else can so completely endear us to the present and the future as the expected arrival of a baby. But in the meantime the comfort of the mother is of vast importance. There is a splendid external remedy known as "Mother's Friend" which exerts a wonderful influence upon the expanding muscles. They become more pliant, stretch without undue pain, make the period of pleasant anticipation instead of apprehension. In a series of splendid letters from all over the country mothers tell of the great help "Mother's Friend" was to them. Even grandmothers tell the wonderful story to their own daughters about to enter the state of motherhood. Get a bottle of "Mother's Friend" today of your nearest druggist. Use this splendid help with your own hand guided by your own mind. For a free book of interest and importance to all mothers write to Bradfield Regulator Co., 409 Lamar Bldg., Atlanta, Ga. It relates the personal experiences of many happy mothers, it tells many things that all women should be familiar with; it is at once a guide and an inspiration. Write for this book.
