GREECE ASKS TEN DAYS TO JOIN ALLIES

Entente win Balkin favor by giving Greek king complete charge in Macedonia. Many Greeks may revolt.

GREEK PREMIER IS REPORTED RESIGNING

Eight classes of untrained Greek reservists call to the colors—Germany and Balkans hold conference.

(By Review Leased Wire) LONDON, Sept. 12.—(2:02 a. m.)—A Reuter dispatch from Athens says a ministerial crisis is imminent.

ATHENS, Sept. 9, via London, Sept. 11.—If the Entente allies and Venizelos factions can only keep quiet for 10 days and not embroil the situation, Greece's entry into the war will be a settled fact.

King Constantine and Premier Zaimis conferred at length on the situation today.

The mere recognition of King Constantine commanding the allied armies in Macedonia, however, seems to override every position.

The reported opposition of Russia and Italy to Greece's cooperation in the war is actually much less than had been believed and the British far from objecting, are most anxious that the Greeks join the Entente.

It is generally conceded in Entente circles that General Sarraill, the French commander, would be glad of the assistance of the Greek soldiers against the Bulgarians.

The only menace to the success of the negotiations lies in the Greek government holding out too long in the hope of obtaining the concessions offered 18 months ago but which no longer obtain.

Eight classes of untrained reservists in the ages of 23 and 40 years soon will be called to the colors.

Austrians in Retreat.

VIENNA, Sept. 11, via London.—Austrian troops fighting in eastern Transylvania have been withdrawn further in front of Rumanian forces, says an official statement issued from Austro-Hungarian headquarters today.

Rumanian Fort Falls.

AMSTERDAM, via London, Sept. 12.—(2:16 a. m.)—The Austrian newspapers, according to Vienna dispatches received here, express elation over the capture of the fortress of Siliustria in the Dobrudja region of Rumania by the Teutonic allies, adding that the taking of the fortress means a severe setback on the plans of the Entente allies for advances in the direction of Sofia and Constantinople.

KREBS HERE CAMPAIGNING.

Ray Krebs, candidate for county recorder, came over from Tombstone last night to finish up his campaign here. It will be remembered that he ran for recorder two years ago, missing same by a small margin.

COLORADO MAY PARDON SOLDIER OF FORTUNE.

DENVER, Sept. 11.—The case of James C. Bulger, soldier of fortune, sentenced to death for the murder of Lloyd C. Nickodemus, a Denver hotel man, in 1914, will come before the state board of pardons and paroles for consideration Thursday, September 14, it was announced today.

President Goes to Sick Sister's Side

NEW LONDON, Conn., Sept. 11.—President Wilson came here today to the bedside of his sister, Mrs. A. W. Howe. A bulletin issued tonight by the President said Mrs. Howe's condition was unchanged and that she was resting comfortably.

President Wilson remained in the Hotel where Mrs. Howe is stopping until late tonight and then went on board the naval yacht Mayflower which arrived here today.

Beyond that his plans are indefinite although he will remain here until there is a change in Mrs. Howe's condition. After a four hour ride over rough roads in an automobile from the summer White House at Long Branch, N. J., to New York the president boarded a New Haven train and was brought here rapidly on a schedule especially arranged by Howard Elliott, president of the road.

Large Vote Expected Today Over Entire State In the Democratic Primary; Local Interest Is Great

***** LOAVES OF BREAD TO BE THIRD SMALLER. *****

CHICAGO, Sept. 11.—A reduction by one-third in the size of the five cent loaf of bread appeared today to have been decided upon by Chicago bakers, instead of an increase in price.

City officials announced that bakers had purchased large quantities of municipal stamps for half pound loaves, instead of the three quarter pound stamps formerly used.

U. S. District Attorney Clynne, who is investigating the bread situation with a view of a possible prosecution under the Sherman law, said tonight the weight of the five cent loaf had been reduced by some Chicago bakers a week ago.

Clynne today questioned some of the heads of Chicago's larger bakeries. He said he was still having difficulty learning the exact cost of bread manufacture.

AMERICANS MAY SOON SAFELY RETURN TO MEXICO

State Department May Give Approval, Following U. S. Mexican Conference—Caranza Runs All Railroads.

(By Review Leased Wire)

NEW LONDON, Conn., Sept. 11.—With the border situation set aside temporarily, the American-Mexican joint commission devoted itself today to determining the extent of the control centered in Mexico by the defacto government, the information being supplied by the Mexican commissioners at the request of their American conferees.

It was stated informally that upon the showing made by the Carranza government rested the possibility that the Washington government would revoke its warning to Americans to stay out of Mexico and would encourage their return to their properties there.

It was explained that the question of transportation was vital to any resumption of authority in Mexico and to show present conditions, the Mexican commissioners presented figures from which later information was drawn.

The Mexican commissioners reported their government was operating 80,000 miles of government lines, two thousand of which was the most ever under Villa's control; that they are

***** ROBBER TRAIL FOUND. *****

TOMBSTONE, Sept. 11.—(Special)—According to a wire from Sheriff Wheeler, dated at Apache, the trail of the robbers, who held up the Golden State Limited near Apache several days ago, was followed south into the mountains toward the Mexican line and a road clue as to the identity of the men has been found.

Two packages of registered mail were found along the trail followed by the sheriff.

Wheeler endeavored to get a transfer of his franchise from Tombstone to Apache today but failed and will stay on the trail of the bandits instead of coming back to the county seat to vote.

BRIDGE CARRIES ELEVEN TO DEATH IN QUEBEC

Second Attempt to Span St. Lawrence River Fails. Great Structure Hurls Hundreds Into Stream.

(By Review Leased Wire.)

QUEBEC, Sept. 11.—With the loss of 11 lives today, the second attempt to bridge the St. Lawrence river here resulted in a failure when the massive center span, weighing 5100 tons, suddenly collapsed and fell into the river.

Of the 90 men caught on the span when it began to sway all were rescued except the 11, and of these only four bodies have been found.

The span was being raised from pontoons and was about 15 feet above the water when, from some unknown cause it collapsed and sank into the river, which is 200 feet deep at this place.

The St. Lawrence river was filled with many boats at the time of the accident and on the hills along the shore were hundreds of persons who came by rail and automobile to see the culmination of the mighty engineering project.

The big steel frame was taken in tow to the gap which it was expected to fill.

Shortly after 8 o'clock the pontoons reached the allotted place and were withdrawn by tugs, leaving the massive girder resting on hydraulic jacks.

These had begun to raise the big span while the crowds shouted, thinking they had seen the most impressive ceremony of the bridge raising.

The spectators began to leave, when suddenly there was a roar of breaking steel and the span dived into the water.

Democracy Claim Maine's Vote Means Victory In Nation

(By Review Leased Wire)

NEW YORK, Sept. 11.—Chairman McCormick of the Democratic committee issued the following statement: "The result of the election in Maine indicates a Democratic victory in November. I have never claimed that we would win in Maine because I realized to carry such a rock-ribbed Republican stronghold in a presidential year would be practically impossible."

"We have materially reduced the usually large Republican majority, always obtained on national issues in that state, and that insures the election of President Wilson in November by an impressive majority."

"It is the first time two senators have ever been elected in Maine by popular vote and the sentiment as to national issues is to be gauged by the votes cast upon the issue."

NEW YORK CITY PARALYZED BY CARMEN'S GREAT STRIKE

(By Review Leased Wire.)

NEW YORK, Sept. 11.—With surface car traffic virtually at a standstill in Manhattan, the Bronx, Yonkers and parts of Westchester county, and with subways and elevated facilities affected more than at any time since the Interborough Rapid Transit strike was called last Thursday, the traction situation in New York tonight assumed a more serious aspect.

Labor leaders held conferences during the day on the question of seeking a sympathetic strike among various crafts, which, if successful, would call out 750,000 workers in the metropolitan district, but it was admitted that no definite action could be expected for at least a week.

The first demonstration of a sympathetic strike came today when union teamsters employed by two brick making concerns quit their posts rather than haul sand to the New York Railway company power houses.

Hugh Frayne, an organizer of the American Federation of Labor tonight predicted that a sympathetic strike would be called within a week among several trades closely affiliated with

"As Goes Maine" Say Republicans "So Goes Nation"

(By Review Leased Wire)

CHICAGO, Sept. 11.—"Maine gives the first appeal for a return to protective tariff and the first answer to the Adanson bill," Alvin T. Herst, western Republican campaign manager, said tonight.

"There is not even a trace of cold comfort for the Democrats in the returns from the Pine Tree state. The Progressive party was strong in Maine, and the Democrats knew it and counted on the fact to bring them victory. The Progressives and Republicans are one in Maine today and as they are in Maine, they are in the Union. The victory today assures us of victory in November. The victory means that Maine has had enough of the Wilson administration. As goes Maine, so goes the Union."

MAINE GOES REPUBLICAN BY CLOSE VOTE

Democrats, Combined Against by Bull Moose and G.O.P., Lose in Stand Pat State by Barest Margin.

VICTORS WIN BY LESS THAN 14,000

Victory, However, Is Clean Sweep, from Governor and Congressional Offices to the Legislature.

(By Review Leased Wire)

PORTLAND, Sept. 11.—Maine Republicans, reinforced by returning Progressives, won a signal victory at the election today.

They elected a governor, an auditor, two United States senators and four representatives in Congress and wrested control of the state legislature from the Democrats and will be able on a joint vote of the legislature to elect the other state officers not chosen by popular vote.

Carl E. Milliken led his ticket, defeating Governor Oakley C. Curtis, who sought reelection by a plurality of approximately 14,000.

The Republican drift extended to county offices, the greater number of counties choosing a Republican county attorney and other officers.

The vote was heavy as had been expected. The country was searched out for speakers of national prominence and the greater number of these battled on national issues. The fight was particularly hot for the two United States senators, and the four places held by Maine in the lower house at Washington.

National defense, the tariff and the eight hour law for railroads loomed large in the speeches.

Democrats Rejoice.

U. S. Senator Elect Frederick Hale tonight sent a telegram to Charles E. Hughes, who had shared in the campaign claiming that the vote was an endorsement of Hughes' candidacy for the presidency. Governor Curtis issued a statement asserting that anything less than a Republican plurality less than 15,000 would mean the people of Maine wished to uphold the President.

Some Close Races.

The Progressives who, two years ago, cast 18,223 votes, returned largely to the Republican party in the opinion of Republican leaders. The closest fight was for Congress from the second district, when Representative Daniel McGillicuddy was defeated by Wallace H. White, Jr., by 500 plurality.

PORTLAND, Sept. 11.—United States Senator Charles F. Johnson, whose wide personal popularity had given the Democrats great hopes of his return, was defeated by Frederick Hale, the ex-senator, by approximately 500 votes. For the short term seat in the Senate, Former Governor Bert M. Fernald defeated Kenneth C. M. Sills, dean of Bowdoin College, by 12,000.

L. B. Goodall won from L. A. Stevens in the first congressional district by 3,000 votes.

At midnight returns from the state legislature were incomplete. The figures tonight show 12 Republicans and no Democrats.
