WILSON SAYS U-53 WAS WITHIN RIGHTS

No Difficulties With Germany
Are To Result From Ac-
tivity of War Submarine
Off Newport Sunday.

GERARD EXPLAINS
CAUSE OF VISIT

Says Relations With Germany
Are Friendliest, Brings No
Message of Resumption of
"Sub" Warfare.

(By Review Leased Wire)

ON BOARD PRESIDENT WILSON'S SPECIAL, Harrisburg, Pa., Oct. 11.—As a result of the conference last night and early today between President Wilson and Secretary Lansing at Long Branch N. J., it was stated authoritatively tonight that no evidence of the breaking of German promises to the United States had been discovered so far in connection with the submarine activities off the American coast last Sunday, but that the American government will continue its investigations and will watch closely for any repetition of the attacks.

The only direct comment on the discussion between the President and Secretary Lansing obtainable from official sources tonight was that every angle of the submarine situation had been discussed during the conference.

Repetition Not Welcomed.—Administration officials apparently fear that difficulties may result if Germany's submarine warfare is resumed on a large scale on this side of the Atlantic and that it is necessary for the government to seek all facts obtainable. Because of this fear, it was thought probable that means would be found for discovering whether Germany will continue submarine warfare on this side.

Complete evidence on whether Germany's promises to put passengers and crews in places of safety before sinking vessels were carried out in fast Sunday's attack is expected to be ready for the President when he returns east Friday.

Gerard Stops Rumors.—NEW YORK, Oct. 11.—James W. Gerard, ambassador to Germany, who returned yesterday on his first vacation in nearly three years, issued a formal statement late today in which he denied that his home coming had been caused by the need of warning the administration at Washington of Germany's intention to resume indiscriminate submarine warfare against neutral as well as hostile shipping. The ambassador's statement follows:

Germany's Keeps Faith.—"You may say that it is not true that I came home at this time to serve notice on the President of Germany's intention to repudiate her pledges regarding the conduct of submarine warfare, or that Germany was content plotting the resumption of submarine attacks upon all kinds of shipping.

Relations Friendliest.—"I say to you what I said to a reporter for the Berliner Tageblatt at Copenhagen before I sailed: 'I should not think of leaving my post at this time if I were not confident that relations between my country and Germany were as friendly as they could be and gave every promise of continuing so indefinitely.

PRESIDENT SPEAKS

IN INDIANA TODAY
HARRISBURG, Pa., Oct. 11.—(On Board the President's Special)—President Wilson was on his way to Indianapolis tonight on his second invasion of the middle west since the campaign opened. He will deliver two speeches and review a parade tomorrow in connection with good roads celebration. His visit to Indianapolis was announced as entirely non-partisan.

The President is expected to make several short stops in Indiana and Ohio, but he reiterated tonight his determination not to make any campaign speeches from the rear platform of his private car.

The President remained on the observation platform of the car at Philadelphia this afternoon for 45 minutes (Continued on Page 2)

CHICAGO POLICE CHIEF FACES CHARGES OF GRAFT

His Office Is Raided by State
Attorney and Wagon Loads
of Records Taken to In-
criminate Him.

(By Review Leased Wire)

CHICAGO, Oct. 11.—The records seized by State Attorney MacLay Hoyne in connection with his announced intention of seeking indictment of Chief of Police Charles C. Healey, which developed a raid on the city hall yesterday, were delivered to the grand jury today.

Mayor a Witness.—Mayor William H. Thompson and his private secretary, Charles C. Fitzmaurice, appeared briefly as witnesses in connection with the records. The records from the office of Chief Healey alone occupied two auto trucks.

Mr. Hoyne said that the investigation would not be completed before the end of the week. He said that he would oppose any attempt of Mr. Healey or his secretary, William Luthardt, to testify as they might, if permitted to do so, claim immunity.

Returning to his office the mayor asserted that Mr. Hoyne, a Democrat, was playing petty politics in furtherance of his campaign for re-election. The mayor is backing the campaign of Harry B. Miller, Republican, present city prosecutor and close friend of the mayor, for the office.

Police Fire Upon Bayonne Strikers Again; 2 May Die

(By Review Leased Wire.)

BAYONNE, N. J., Oct. 11.—Two men, one a striker, are in a critical condition with several bullet wounds in their bodies; two other men are in the hospital with less serious wounds and several others were shot, according to the police, and taken away by friends, when the police fired a volley into a crowd of Standard Oil strikers and their sympathizers which was demolishing a fire engine tonight. The engine had responded to an alarm and had been held up by a barricade thrown across the street by the strikers.

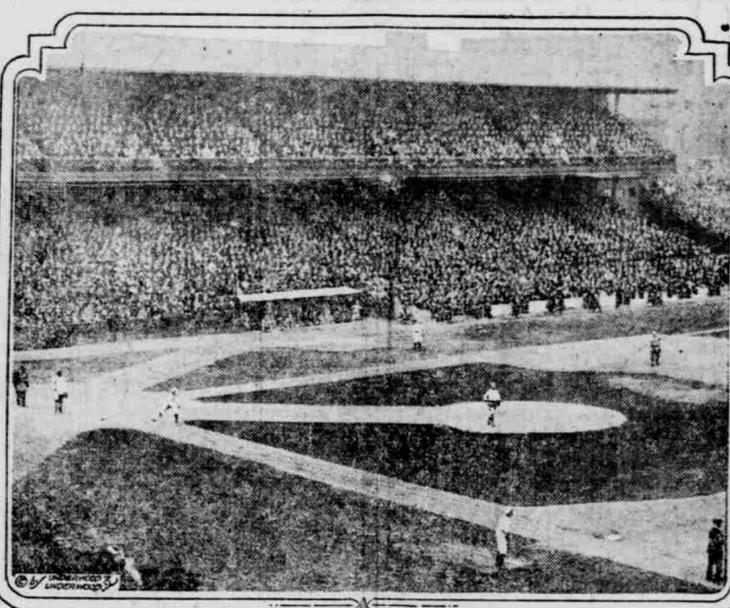

DRYS VISIT WET MISSOURI AND GET "WARM" RECEPTION

(By Review Leased Wire)

ST. LOUIS, Oct. 11.—Defiant opposition to the arguments of the Prohibition campaigners developed today in eastern Missouri. At Hermann, a wine center, and Washington, both wet towns, Ira Landrith the vice presidential candidate, was interrupted both by individuals and groups of angry wets. Seemingly almost every man in a crowd of several hundred at Hermann shouted "no" when Landrith asked a group of school children to raise their hands if they wanted a dry state. The children voted "aye" almost unanimously. Later from different parts of the crowd, individuals shouted remarks at the speakers.

"What are you going to do for revenue," shouted an insistent questioner at Washington.

BRAVES' FIELD SCENE OF RED SOX'S AND DODGERS' FIRST BATTLE

Braves' baseball field where the world's series games in Boston will take place.

The Braves' field in Boston will be the scene of the world's series games played in that city owing to its great seating capacity. The National league park in Boston, where the Braves covet, is the largest baseball park in the country and last year attendance records were broken there when 42,300 people saw the first game played in Boston. The nearest approach to this was when 38,216 attended a world's series game at the Polo grounds, New York.

Victory Gives Boston 3 Games To Brooklyn's One; Today May See Red Sox Capture Pennant

FILIBUSTERS ARE
CAUGHT IN L. A.
LOS ANGELES, Oct. 11.—C. J. O'Reilly, local manager of a sporting goods house, and Julian Trems surrendered today to federal authorities on charges of conspiring to violate American neutrality, preferred also against Frederick Dato, brother-in-law of Col. Esteban Cantu, governor of Lower California, and Lawrence Dodge, claiming to be a French government purchasing agent, arrested last night. All were arraigned before federal commissioners and released on bond of \$2,000.

Ten machine guns and ammunition which the government alleges were to be shipped to the border, were seized on their arrival here from an eastern arms company.

Robert J. O'Connor, assistant U. S. attorney, said he would present the cases to the federal grand jury Friday.

Canadian Troops Riot In Calgary

CALGARY, Alberta, Oct. 11.—A pitched battle between soldiers and the police occurred here tonight, during which many shots were fired and the barracks of the Mounted Police were wrecked and set on fire. One soldier is known to have been seriously wounded. The city is in the hands of the soldiers.

Pigs And Prosperity

"Raise more hogs than hell and you won't need so much revenue," Landrith replied. "When this nation goes dry, we'll have more markets for other things that will produce revenue, too. The old soak whose feeding his wife cracklins and shorts will feed her bread and ham. The amount we will save in the cost of conducting jails, insane asylums and such institutions will go a long way toward reducing the amount of revenue required."

Game Ends 6 to 2, With Leonard for Boston Invincible and Marquard Hit Heavily. Flay at Boston Today.

(By Review Leased Wire)

NEW YORK, Oct. 11.—The Boston Americans drew one notch nearer to the world's championship here this afternoon when they defeated the Brooklyn Nationals 6 to 2 in the fourth game of the series, which now stands three to one in favor of Boston. Tomorrow the conflict will be renewed at Braves Field, Boston.

Great Crowd Today.—Columbus Day tomorrow is a legal holiday in Massachusetts and the indications point to an enormous attendance.

With today's contest the players ceased to participate in the financial returns.

Leonard Is Hero.—The manner in which the Boston tore into the Brooklyn team here this afternoon left no doubt as to their intention of ending the series as quickly as possible. Pitcher Leonard gave the Nationals a two run lead in the opening inning, but his teammates more than made up the handicap in the second session and once in the van, refused to permit Brooklyn to creep up on them. Today was the first time since the initial game against the Philadelphia Nationals in the series of 1915 that Boston has won from its rivals by a margin of more than one run.

Game Only Average.—The contest, although featured by several sensational plays, did not rise much above the average of the regular season contests. Once Leonard swung into form the Brooklyn batters found it impossible to score. Leonard, slushing hits, ripped off the bats of the Bostonians to be charged against the Brooklyn pitchers, while splendid catches, stops and throws, made the way easy for Leonard.

The Brooklyn club gave its supporters great hopes of repeating the victory of Tuesday when two runs were put over in the first inning on Johnston's triple, Myer's single, a base on balls, and an error by Janvry, who, in his eagerness to get Myers at the plate, fumbled Cutshaw's grounder.

Marquard Walkoped.—Rube Marquard, Manager Robinson's selection for a second try against the Boston batters, held Boston in the initial inning, but Gardner took much of the mystery out of his delivery when he smashed out a home run, his second in two days, with two on bases. In the next inning, Marquard walked Hoblitzel, the first man up, and Lewis advanced him to third with a double to the right field wall. Gardner then

ENGLAND NOT READY FOR PEACE ASQUITH TELLS PARLIAMENT

House of Commons in Opening Session Votes 300 Million Pounds More for Purposes of War.

(By Review Leased Wire.)

LONDON, Oct. 11.—"This is no time for faltering counsel or wavering purpose," said Premier Asquith in addressing the House of Commons today. "This war cannot be allowed to be patched up with a precarious settlement full of dissension or compromise masquerading under the name of peace."

"No one desires to prolong for a single moment longer than is necessary the spectacle of bloodshed and destruction, but we owe it to those who have given their lives that their supreme sacrifices shall not have been unavailing."

"The ends of the allies are well known. They have been frequently stated. They are not selfish; they are not vindictive, but they require adequate reparation for the past and adequate security for the future."

The House cheered the premier loudly as he made these remarks in concluding his address after moving a vote of credit for 300,000,000 lbs. Sir Edward Carson, the Ulster leader, commented briefly on Mr. Asquith's remarks.

ALLIES' ULTIMATUM DEMANDS SURRENDER OF GREECIAN FLEET

GAFFNEY TRIES TO BUY
BROOKLYN NATIONALS.
NEW YORK, Oct. 11.—James E. Gaffney, former owner of the Boston National League club, announced today that he would purchase the Brooklyn club if C. H. Ebbetts, who has indicated his willingness to sell, would name a "reasonable price." He conferred with Mr. Ebbetts before the game today and after the conference it was said the negotiations would be resumed on the completion of the series.

Control of Railways Also Is Demanded—Wednesday Is the Time Limit Given by the Allies.

GREECE PROMISES TO COMPLY PROMPTLY

Demands Are Merely to Insure Safety of Allies' Fleet, Explanation Given by Anglo-French Admiral.

(By Review Leased Wire.)

LONDON, Oct. 11.—Vice Admiral Dartige Du Fournet, commander of the Anglo-French fleet in the Mediterranean, has presented an ultimatum to Greece, demanding that Greece hand over the entire Greek fleet, except the armored cruiser Avroroff and the battleships Lemnos and Kilkis to entente allies by one o'clock Wednesday afternoon, according to Reuters' Athens correspondent.

TAKE RAILWAYS ALSO.—Demand also was made for the control of the Piraeus-Larissa railway.

GREECE CAN'T REFUSE.—"The minister of marine," the correspondent continues, "says Vice Admiral Fournet's demands will be complied with and that the fleet will be handed over before the prescribed time."

THE ALLIES' ALIBI.—"The demands were made as a precautionary measure to insure the safety of the allied fleet."

The Greek navy consists of five battleships, three armored cruisers, a coast defense ship, ten gunboats, 17 torpedo boat destroyers, 9 torpedo boats, 3 submarines and several transports and other craft. The Greek naval force has been estimated at 40,000 officers and men. Recently there have been reports that Greek warships had deserted the navy and joined the Entente fleet.

The Some and other familiar craft were captured from Turkey in 1907. At the outbreak of the war Greece had two dreadnaughts under construction, one in France and the other in Germany, and a protected cruiser building in England. The dispatch of the Reuter's correspondent was delayed in transmission from Athens to London.

New Jersey Signal Company Pays For Insubordination

Ninety-Six Guards Who Refused to Obey Orders, Must Groom 192 Horses From Douglas to Atlantic.

(Continued From Page One)

DOUGLAS, Oct. 11.—The joke of the year in army circles became known tonight when it was learned that orders had been received by the quartermaster's department here that the New Jersey Signal company must take with them to Seagirt, N. J., all of the horses left behind by the New Jersey artillery and cavalry, which departed Sunday.

There are 192 horses which will fill ten stock cars. Preparations for departure of the Signal Corps company numbering 95 members, will be delayed for a week or more, it is stated, by the order.

The Signal company became unpopular in military circles when it refused to hike to Nogales and the officers attached to it resigned, as a protest. Army men say the order is a direct result of the incident.

GEORGIA MILITIAMAN WINS RIFLE SHOOT

JACKSONVILLE, Fla., Oct. 11.—Sergeant Thomas L. Starnes of the Georgia national guard won the individual southern championship today at the Southern Rifle Association matches today. Shooting in the rapid fire six hundred and one thousand yard events, he made 272 out of a possible 300. Although having the best all round average he did not win any of the individual matches.

ITALIANS BREAK TEUTON LINE CAPTURING 6,000

Offensive Launched for Trieste, Austria's Great Adriatic Port, Sweeps Defending Army Before It.

(By Review Leased Wire)

LONDON, Oct. 11.—The Italians have again taken the offensive against the Austrians in their endeavor to reach Trieste, Austria's chief port on the Adriatic, and at several points south and southeast of Gorizia have made good progress and in addition taken nearly 6000 prisoners.

South of Gorizia the Austrian line was broken between Tobar and Vertolba, according to Rome, and on the Carson front entrenchments between the Vipaco River and Hill 208 were captured. Here the town of Novavilla and a strong position around the northern part of the hill fell into the hands of the attackers. Trenches in the Trentino region also have been won by the Italians and 550 Austrians made prisoners.

Germans Invade Rumania.—In Transylvania the forces of the Teutons are continuing their drive along almost all of the front. Bavarian troops which captured the Rothenthurm Pass now have crossed the border into Rumania. According to Bucharest, which admits the retreat of the Rumanians around Kronstadt, fierce Teutonic attacks were repulsed south of Hermannstadt with heavy casualties to the attackers.

Allies Win In West.—Berlin concedes the capture by the French of the German salient near Varmandovilleres in France, and also by the British of first line trenches near Sally, north of the Somme. Counter attacks by Germans on positions of the French near Chaules wood have been repulsed.

In Greek Macedonia the British have made a further advance, occupying a line of positions near the coast.
