KOLB AND DILL THE FEATURE AT ORPHEUM
 As the famous comedy characters—Louie and Mike—created by the popular stars, Kolb and Dill, during their long and successful stage career, these two great comedians are seen at their best in "The Three Pals." This feature appears today at the Orpheum, evening performance only. The story of this clever comedy opens with a prize fight in which the stars settle a humorous misunderstanding with pneumatic gloves and, after accidentally knocking out the referee, are forced to flee to Chicago, where a fortune left by a wealthy relative is awaiting them. The real estate dealer who is handling their affairs sells them a worthless ranch, leaving them, however, enough money for their transportation to the West and equipment consisting of a donkey and a goat. At this point in the comedy the Two Pals appoint themselves protectors of a little girl deserted by her worthless husband who married her because he thought she was a heiress and her adventures furnish a beautiful love theme for the tale. When Mike and Louie arrive in the West they find the ranch on land of no possible value. The goat has eaten up their return ticket to Chicago and they are forced to go to work as ranch-hands. Their adventures in the West end in a big fight in a dance hall where they rescue the deserted girl-wife and escape back to Chicago, getting work as waiters in a cafe. While there the girl who has recovered the fortune she lost appears and recognizes them. It transpires that the father of their little pal is the real

estate man who caused all the woes for Louie and Mike by selling them the worthless ranch, and the humorous situations growing out of this odd coincidence result in a rapidly changing series of brilliant scenes which bring the comedy to a screamingly funny climax.
 "The Three Pals" is a special feature production carefully prepared for the elaborate presentation of these well-known stage comedians.
 When You Take Cold.
 With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cold as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.

Sale of Entire Stock
 All kinds of Beds, Springs, Drapes, Dishes, Stoves, Mattresses and all kinds of household goods and also 2 ten-room houses, furnished, on sale. Inquire Chris Heikkinen Furniture Store, Johnson Addition.
 NOTICE TO THE STOCKHOLDERS
 Owing to certain false reports and rumors circulated in Bisbee in my absence, will positively state there is no foundation for these rumors. All I ask is that the stockholders will write to the manager, A. B. Frame, Jerome, Arizona, when all such rumors will be proved false. Not alone does the Jerome Portland own every inch of their property, but there is no claim or litigation of any description against the property. Also, owing to the formation in the shaft the company has installed heavier machinery, as the showing warrants the company in being prepared for big development. At present there are three shifts of miners working sinking the three compartment shaft with four machine drills or jack hammers. With the consolidation of the Green Monster and the Copper Chief (one of the richest mines in Arizona) it has made the stock of the Jerome Portland more valuable, as the Jerome Portland adjoins both the Copper Chief and the Green Monster.
 The only reason I place this notice in the paper is that the stockholders will know where and how to find out the facts relating to this property. Also, I will be very thankful to anyone who will inform me as to the origin of these reports, as I am already taking the necessary steps to stop these false representations. T. P. Esmond, Fiscal Agent, Jerome Portland Copper M. Co., Box 1056, Bisbee. (Advertisement)

WHY
 Has the U. S. Army contracted for TEXACO GASOLINE AND MOTOR OIL for use all along the border?
 Is the U. S. Navy using TEXACO OILS?
 Because it has stood the test under the most severe conditions to be met on land and sea. What better evidence do you want as to the quality of TEXACO PRODUCTS.
