The traveler, who was asked by a clerical-looking fellow-passenger—whether or not he drank, may have been justified, before answering, in asking whether the question was an *agony* or an *invitation*. But my advice to you, sub, is "Let not opportunity slip between your fingers." Take it, whenever such a query is put to you, as a *framing invitation*, provided, sub, that there is within convenient reach a supply of

There is a good deal of laughter over some of the judicial candidates.  
Why are the elevated platforms littered up with weighing machines and gum machines that are invariably out of order?  
Daniel L. Cruice's candidacy for Superior Court Judge is growing stronger every day and all indications point to his election by a big plurality. He will make a great judge.  
And now for the election.  
All you've got to do is to pick out a good man for judge and vote for him. You can vote for ten Superior Court judges and one Circuit Court judge.  
James S. Hopkins has earned by his able and clean record as a lawyer the highest esteem of both bench and bar in Cook County.  
John J. Coburn is daily gaining in strength in his campaign for Superior Court Judge. His election is conceded on all sides.  
Mathias Aller, the popular brewer and Twenty-sixth Ward Democrat, would prove a strong candidate before the people next year.  
President Thomas A. Smyth of the Sanitary Board is working hard at all times for the best interests of the taxpayers.  
The people demand one cent telephones.  
All factions of Democrats are with Col. James Hamilton Lewis for United States senator.  
Give Daniel L. Cruice your vote for Superior Court Judge and you won't regret it.  
Otto Tosetti, vice president of the well-known Ernst Tosetti Brewing Company, rightly deserves the widespread popularity he enjoys in the business and social world of Chicago.
