The water meter scheme has taken
shape.

This means a water meter in every
flat and it means a general raise of
rents on tenants.

It also means a tremendous ex-
pense to landlords.

The only beneficiaries will be the
makers of water meters.

The City Water Department pro-
poses to make 800,000 people in Chi-
cago put in water meters.

The tendency among office holders
to ask for laws lengthening their
terms of office is working up a strong
feeling among the people for a recall
law. When there is a recall law in
operation the terms of the incumbents
can be regulated to suit the
popular taste.

No imported beer on the market to-
day has met with greater success than
that handled by August Luchow. The
Original Pilsener, from Pilsen, Bo-
hemia, is sold by this big concern, as
is also the famous Würzburger Hof-
brau from Würzburg, Bavaria. These
beers are the favorites at Chicago's
leading clubs, restaurants and buffets.
They are without a peer. The Chicago
office of August Luchow are located in
the Stock Exchange building, 29
North LaSalle street and are under
the management of Hans Luchow. Mr.
Luchow has made a splendid record
for the business in the West and he
enjoys a widespread popularity among
Chicago's leading business men and
citizens.—Advertisement.
