HOYNE'S FAME NATIONAL

The Courageous State's Attorney Would Make an Ideal Candidate for Vice President.

Maclay Hoyne is the one Democrat in the West who has attracted the attention of the country on account of his fearless administration of his great office.

The New York state's attorney has frequently attracted nation-wide attention by his attacks on grafters.

Chicago, the central metropolis of the country, holds the attention of the American people to a greater extent than any other city.

That is why Maclay Hoyne is today a National Character.

His fearless prosecution of crooked policemen, who believed themselves to be all powerful, has won for him a place in American politics that will grow with time.

This was only one of a hundred victories won by him for the cause of right and justice.

Illinois could have no stronger candidate for National honors to offer to the Democratic party at St. Louis next summer.

There is no Illinoisan named in any party for high national preferment now, whose record can at all compare with that of Hoyne.

And what he has done has been for the public good.
