DEMOCRATIC STATE CONVENTION

It Will Be Held at Springfield on April 21, with Complications in Sight.

The Democrats, through Chairman Charles, have called the Democratic state convention to be held in Springfield on April 21. The call is based on one delegate to every 400 votes cast for the Wilson presidential electors in 1912. The convention will contain 1,029 delegates, of whom 343 will be from Cook County.

This year the state convention comes several months ahead of the primaries for state officers, and reports have been current that a proposition to indorse a slate of state candidates might be considered by the delegates.

Efforts are expected to be made to get through a series of indorsements, which may result in throwing down the bars for the recommendation of candidates for all the big offices. The Dunne-Harrison-Lewis group is expected to be ready with resolutions indorsing Senator James Hamilton Lewis for the Democratic nomination for Vice President. Another resolution will indorse Governor Dunne's administration and may endeavor to put an O. K. on the governor for re-nomination.

Party leaders who look for the introduction of such resolutions likewise discern a fine chance for a fight between the Sullivan group and the Harrison-Dunne-Lewis combination.

Final steps in the consummation of the legal organization necessary to proceed at once with the creation of the forest preserve district were taken at a meeting of the commissioners in the office of President Peter Reinberg of the county board.

Oscar F. Mayer, 5727 Sheridan road, was elected permanent treasurer and Peter Ellert permanent secretary. "It was necessary," said President Reinberg, "to have permanent officers

TAXED TO DEATH

People of Chicago Taxed to the Limit to Provide Places for Reformers.

for the commission so they could sign the \$1,000,000 bond issue. With this done we are now ready to proceed with the work of preserving some of the more desirable natural forests around Chicago."

paying women superintendents \$3,000 a year to assist them; paying female stenographers \$150 per month while capable men and heads of families are tramping the streets looking for work, is part of the net result of the work of "reformers" in the City Council for the past five years. The other net result and the one that hurts the most, is the increase of the number of unemployed and the increase of the money coming from the people and spent on salaries for city employes, from twenty-four millions to over thirty-five millions.

BLAME THE "REFORMERS"

The Fad Leaders and Sob Sisters Constantly Suggesting New Methods of Robbing Taxpayers.

The law ought to be amended so that professional reformers could be jailed without trial every time they discovered a new fad.

Professional reformers are behind the robbery of the taxpayers of Chicago.

Taxes were never so high as they are now and are still going up.

Reformers are still flocking to Chicago to pluck the industrious people and to fill high salaried but unnecessary jobs created for them.

Public Welfare!
Public morals!
Civil service!!!

What extortion and robbery of taxpayers is committed in those names.

Jobs for women reformers.
Jobs for male reformers.
Jobs for professional reformers.

And the Chicago taxpayer pays the freight.

The City Council is full of useless men. It is a useless body. It does no good and is responsible for the creating of costly jobs to gratify fads.

It is time the people woke up and called a halt on this saturnalia of extravagance.

Ten million dollars a year could be saved to the city by the abolition of useless jobs.

PIKE WILL WIN

Popular Republican Will Beat Oscar Hebel for Committeeman in the Twenty-first.

He has always been loyal to his friends, a trait that everybody likes in a man.
