## Soldiers of the Switchboard

"WE HAVE HELPED, and helped mightily, during the past year.  
 "Day and night we have been at our posts speeding on the Telephonic Messages of the Millions.  
 "With our fighting equipment of cords and plugs and flashing signal lights, we have cleared and directed the channels of the Nation's Speech.  
 "Our orders have come from the highest of authorities—from average Americans using the Ten Million Telephones in the homes and offices in Our Country.  
 "Faster and faster they have come, passing swiftly through our switchboards where the insistent, twinkling, flashing, fiery lights summon us to action.  
 "Throughout Our Country thirty million times a day we have been called; we have answered, and we have obeyed.  
 "Government, Army, Navy, Liberty Loan, Red Cross, Citizen—we have helped them all—and it is well.  
 "For we are the Soldiers of the Switchboard, welcoming the responsibilities and opportunities to contribute our share to American VICTORY."
