

ADAM ORTSEIFEN.  
Popular President of the McAvoy Brewing Company, Who Made One of the Best City Treasurers Chicago Ever Had.

**SIGN OF THE TEETH**

An Alderman Proposes a Fitting Symbol for the Department of Public Service.

A well known alderman suggests that a double set of teeth, similar to some Haled street dentist signs be adopted as a symbol for the Chicago Department of Public Service.

The alderman does not say whether the teeth are to be used on public utilities or on the public itself.

**ABOLISH THIS JOB**

The Department of Public Service Is an Unnecessary Hardship on the Taxpayers.

The city department of public service should be abolished. It is an unnecessary nest of sinecures.

The biggest sinecure in it is the job of commissioner. A visit to his office may disclose this fact.

This department cost the weary taxpayers of Chicago, \$76,910 last year.

It pretends to receive, investigate and adjust complaints regarding service, rates, products and other matters relating to the health, comfort, convenience or safety of the public as affected by public utilities.

Let us laugh. Everybody knows what a joke this department is and how little it does.

**PUBLIC SERVICE BUNK**

The Tooth Extracting and Smoke Consuming Department in the City Hall Makes People Laugh.

Why doesn't the alleged city department of Public Service get after the fraudulent weighing machines, with which the city is infested?

Can you guess why it doesn't? There are 102,811 of these machines scattered all over the city on city sidewalks.

It is safe to say that 100,000 of them are out of order most of the time. They yield an immense revenue, as each patron is obliged to give up one cent for the privilege of finding out how much he does not weigh.

Another fraud on the public is the counterfeit gum vending cent-in-the-slot machine, which in the majority of cases, takes the cent but yields no gum.

Why is it that the City Department of Public Service permits these frauds to exist?

**PUBLIC SERVICE ERRORS**

Too Many of Them to Suit the Public.

If the City Department of Public Service ever gets through sharpening its teeth it should look after the street signs placed at intersections.

Hundreds of them are misspelled. South Wells street at 51st street is still named on the sign at that corner, S. 5th avenue.

Sedgwick street is misspelled Sedgewick street on all signs.

Tookey place, called after Dr. Tookey, the Chicago inventor of the Keyless fire alarm box, is misspelled Tucker place.

And so it goes all over the city. Inspecting smokers is evidently easier than inspecting some kinds of public utilities.

H. H. Merrick is one of the leaders in the civic life of Chicago. As president of the Association of Commerce he has done great work for the city, its present and future. Mr. Merrick is president of the Great Lakes Trust Company, Chicago's new big bank, which started in with a capital of \$3,000,000, and a surplus of \$600,000. **YOU ARE JUST AS OLD AS YOUR SPINE**

Even back as far as Caesar's time this saying was used. In later years, men substituted for it—"A man's just as old as he feels". Taking the two, and combining the meaning, we have the true expression and Chiropactic interpretation—"A man's just as old as his Spine allows him to feel."

The spinal column is the main conduit through which the nerve cables pass from the brain, and from which the tiny feeders are distributed to every portion of the body. If through abnormal curvature, the bones of the spinal column obstruct the free flow of the health-giving currents from the brain to the bodily organs, disease results in the organs so affected. The Chiropactor adjusts the cause of the trouble, removes the pressure on the nerves without the use of Drugs or Knife. This allows Nature to build up the diseased organs or tissues. If there is any abnormal condition present in your body which is causing you suffering, let Chiropactic bring back normal conditions so you may again enjoy good health. F. H. Seubold, Chiropactor, 1331 Stevens Bldg.—Adv.
