

VINCENT E. GUARNO.

Popular and Successful Leader in the Real Estate and Insurance Business.

ington street, northeast corner of Dearborn, is one of the rising young men of Chicago. His popularity and influence speak well for his success.

RAISE POSTAGE

And Give Overworked Post Office Employees Better Wages.

When "outside" letter postage was 3 cents a letter a surplus revenue of \$154,000,000 was raised in one year. It was dropped to 2 cents to please the fancy of some bureaucrat.

Put it back to 3 cents and give letter carriers and other employees living wages. They deserve better pay.

C. B. Willey, president of the big C. L. Willey Company, is one of the solid men of Chicago. He is patriotic, progressive and public spirited.

P. J. Sibley, of the Fountain Pen Shop, at 31 N. Dearborn st., is often mentioned for Clerk of the Superior Court. His popularity would insure his election if he would make the race.

Otto Rueter, the head of the big real estate firm which bears his name, is one of the upbuilders of Chicago. The office of his company on the ground floor of 32 North Dearborn street is one of the finest in the city.

George L. Schein, the able lawyer, would make a fine judge.

William H. Weber always made a good public record.

"MORALS" GRAFT

Chicago has gone mad with reform. But as every reform means graft and every graft is attached to a public pay roll the people is getting sick and tired of the stuff.

Especially the taxpaying public. The Domestic Relations gang. The Social Service boys.

And all the rest of them deserve a showing up that will retire them to private life and detach them from the tax eating propositions that many believe them to be.

Frank J. Hogan, the well known lawyer, and former fire attorney, would make a splendid judge of the municipal court.

Alderman Walter P. Steffen is doing great work as head of the council police committee.

Edmund T. Perkins, the well known engineer, is a progressive Chicagoan with a national reputation in his profession.

Adam Wolf, the popular county assessor, is an ideal public official.

The city department of gas and electricity never was in better hands than it is now. William G. Keith, the commissioner, is an able, honest, and progressive man.

George L. Schein, the well known lawyer, who numbers his friends by the thousand, would make a fine judge. Mr. Schein has no ambition in this direction, it is said, but his ability, fairness and legal experience well fit him for judicial honors.
