**YOUR MUSIC FREE
 AND
 HALF THE PROFITS**

The Violano-Virtuoso self-playing Violin and Piano has been designated as one of the eight greatest inventions of the 20th century by the United States Government. There are about 100 in operation in Chicago in various cafes, saloons, hotels, etc. These instruments operate with a nickel and their average income is from \$60.00 to \$100.00 a month. They also are great trade attractors. We give the location half of the profits and furnish the music free. Write to-day for particulars or come down and see us.
