

# Mack Trucks=

Are purchased and repurchased by truck operators who have used other kinds of trucks. They have found the sturdy Mack, with its long life, superior design, and staid construction cheaper to operate.

Your profits lie between the cost of operation and the amount you get for the sale of your services, or the value of the truck to you. The selling price of your services is determined by competition, so your profits can only be increased by decreasing your operating cost.

We stand ready to prove that the Mack truck costs less. May we have the opportunity? Phone us now for the proof.

The primary purpose of Brevoort Hotel is to provide the best possible accommodation for the traveling public. It is essential that the restaurant service shall be of the very highest order and that the prices shall be moderate. The net result is better food, better served in a better environment, than might reasonably be sought at the same moderate cost under other conditions. Permanent residents of Chicago as well as visitors are invited to take advantage of this at breakfast, luncheon, dinner and late supper time.

## RELIANCE STATE BANK OPENS NEW HOME

Prosperous West Side Institution  
Has a Fine Record and Over  
30,000 Customers.

On Saturday, December 17, 1921, the Reliance State Bank will open its new banking home located at Madison and Ogden avenue, directly across the street from its present location.

The Reliance State Bank is one of the most prosperous of the outlying banks, carrying deposits of more than \$5,000,000. Over 30,000 customers now enjoy the protection of examination and supervision by the Federal Reserve Board, the Chicago Clearing House Association and the State Auditor.

Among its Board of Directors are prominent West Side businessmen of great wealth who are active in the management of the bank.

The officers are men of long experience and training, are easily accessible and endeavor to render to the community every service consistent with good banking principles.

When it became evident that the rapidly expanding business could not be taken care of in its present location, the Illinois Hall building was acquired and alterations were started immediately to convert the same into a high grade office and bank building. The transformation is now complete and the directors and officers cordially invite the public to inspect their new banking home on Saturday, December 17, 1921, from 9:00 a. m. to 10:00 p. m., with its increased facilities for comfort for its patrons. One Thousand Dollars gold in prizes will be given away to new savings depositors. Souvenirs for everybody.
