THE BIG MINE STRIKE

Men of the Anthracite Region Expected to Be Called Out.

PRESIDENT MITCHELL'S VIEW.

Leader of the United Mine Workers' Organization Says That the Strike Order Seems Now Unavoidable—The Men Confident of Victory.

Hazleton, Pa., Sept. 12.—Benjamin James stated last night that the United Mine Workers would not back down, and that the only outcome would be a strike or a satisfactory adjustment of the miners' grievances.

It is reported that about 125 men employed at the Scotch Valley colliery, 15 miles from Hazleton and inaccessible by either telephone or telegraph, have gone out on strike for higher wages.

The superintendents of the Mineral company and of the Philadelphia and Reading Coal and Iron company, at Shamokin, were notified from their respective executive headquarters yesterday afternoon that if the men at the Cameron, Burnside and Henry Clay collieries go on strike in sufficient number to cause the operations to be closed down, then the mines and iron shall be taken from the operations and the latter be abandoned.

National Organizer Fred Dlicher, of the United Mine Workers, arrived at Scranton yesterday direct from the session of the national executive board in Indianapolis, and after learning from District President Nicholas and Secretary Dempsey of the unrest and mutterings of discontent regarding the delay of the strike order, framed and gave out a statement in which he says: "I ask all men to be patient and not to discuss your matters on the street, in your business in your hall, which is the proper place. So please remain at work until called upon to stop, and then let all quit and remain idle until your rights have been granted and justice done to all."

STRIKE ORDER PROBABLE.

President Mitchell Declares It Seems Now Unavoidable.

Chicago, Sept. 12.—"I will leave for Indianapolis tomorrow night, and if upon arrival there Thursday morning I fail to hear anything from the operators in New York indicative of their willingness to meet us in conference, I shall immediately order a strike." These were the words of John Mitchell, president of the United Mine Workers of America, last night.

MURDERER TRIED SUICIDE

Because He Objected to Being Hanged by a Political Opponent.

Wilmington, N. C., Sept. 8.—Whether than be hanged at the hands of a Republican or Populist, as he declared, Archie Kinsauls, a condemned white murderer, who was sentenced to be hanged yesterday at Clinton, Sampson county, yesterday morning made two unsuccessful attempts to commit suicide in his cell, one by cutting his throat from ear to ear and another by taking morphine, the means for his self destruction having been furnished by sympathizers and secreted by him in his cell until a few hours before his execution was appointed to take place.

Kinsauls, himself a Democrat, is condemned to die for the killing of a Populist in Senator Butler's county in the heated political campaign of 1898. While it is urged that politics did not enter into the murder, from the fact that Democrats have been most urgent in demanding the execution, feeling has been high, and before his conviction in court and his escape from jail by friends and he bade defiance to the law, and evaded capture for nine months, during which time he remained in his own county, and was at last shot down by a posse and again placed in jail.

GENERAL SOUTHERN NEWS.

Danville, Va., Sept. 9.—An affray occurred yesterday afternoon in Harvey's grocery store, on Upper Union street, in which Troy Conroy, a mill operative, was shot and killed by Henry Womble, a clerk in the store. It is said a woman was the cause of the tragedy.

Leesburg, Va., Sept. 10.—Mr. Robert Ymoel, son of William D. Vincol, aged about 21 years, was killed by lightning at his father's home, near Leesville, in this county. The young man was in the act of lowering a window when the bolt struck the house and killed him instantly.

Tifton, Ga., Sept. 7.—Eliza Beach, colored, was shot and instantly killed Wednesday at a turpentine distillery five miles west of Tifton. A quarrel arose among the negroes, and the Beach woman began firing on the others with a pistol. Before she could be stopped she had wounded three people. The disturbance only ceased when some one slipped up near the enraged woman and shot her through the left side near the heart, from the effects of which she died.

Jackson, Miss., Sept. 11.—A horrible quadruple tragedy occurred at West Station, five miles north of here, yesterday. George W. Moore, a prominent merchant of the place, who has been suffering with periods of insanity for some time, administered strychnine to his wife and two little children, telling them it was quinine to keep off chills. Within a few minutes all three were dead. Moore then took a pistol and fired two bullets through his own heart, falling to the floor across the dead body of one of his little children.

Columbia, S. C., Sept. 6.—Governor McConley yesterday disbanded the militia company, and the best drilled in the state, which engaged in alleged riotous conduct on the state capitol grounds Labor Day. M. R. Cooper, secretary of state, has forbidden colored militia to use the capitol grounds hereafter. In the police court the rioting members were fined \$40, and some double that amount, for contempt. The affair on Labor Day was caused by two young white men driving into the ranks of the negro company and enraging its members, who used their rifles as clubs.

Wheeling, W. Va., Sept. 7.—The tour of West Virginia, which was begun Tuesday last by Hon. W. J. Bryan, the Democratic presidential candidate, was concluded last night with a speech at this place. He traveled from Deer Park by the way of Clarksburg and Parkersburg yesterday, making three speeches of length and two or three other brief and informal talks at such places as St. Mary's and Sisterville. As Mr. Bryan came in he was greeted by the fires and the firing of rockets in the suburbs, and the railroad for miles was lined by the humanly struggling to get a first glimpse of the candidate. The day's run covered about 300 miles of rough mountain railroading.

Richmond, Va., Sept. 6.—A ten ton iron cross girder strained the heavy 65 foot wooden boom on the temporary pier in constructing the Chesapeake and Ohio railway viaduct at the foot of Belvidere street, and with a sudden crash the heavy boom fell yesterday, killing one man and injuring three other employees of the contractors. The dead and injured are: Glenwood Seay, 25, of Maiden's Adventure, Goodland county, aged 25, instantly killed; John Hanson, formerly of Philadelphia, legs badly bruised and face cut; A. C. Dobbs, of Richmond, severe shock struck on head, right knee badly cut; John McLean, arm knocked out of place and bad bruises on body.

Macon, Ga., Sept. 7.—Twenty-one of the representative business and professional men of Wilkinson county came into Macon yesterday to see that a negro, Napoleon Anderson, did not lack friends if the United States commissioner should bind him over on a charge of interfering with United States officers. Anderson had taken out a warrant for larceny against two revenue officers, charging them with the seizure of his sugar cane. The officers gave bond, and then arrested the negro, saying he had sought to interfere with the discharge of their duties. The white men of the county rose up in arms and refused to force to allow the negro to be taken away without due process of law. The officers gave up the negro and came to Macon, obtaining warrants for many of the white citizens. These citizens came in yesterday and brought the negro with them, and announced that as the negro had lived an exempt life in their midst, every dollar in the county would be used to see that he was not imposed on. The cases will all be heard next week.
