HEDGERS.

There are today in the several departments of the government men in high official positions known as "hedgers." They are men who have been appointed by republicans, and after a seeming defeat of a portion of the party they attempt to hedge, that is they are of the opinion that should the democrats win or get control of the entire government again, they (the hedgers) will be retained because they have been conservative. Such a class of republicans should be given the ticket of leave man. It makes no difference how much hedging a republican does he will not be retained if the democratic party should ever get control of the government again. The democratic party will teach the republicans a lesson. As an example wait until the democrats assume charge of the next House. There will not be a republican left to tell a tale. Hedgers in any party are dangerous. They are neither republicans nor democrats and the sooner any party gets rid of them the better it will be.

NOW IS YOUR CHANCE.

The quickest way to solve the Negro problem is for the Negro to purchase property. You talk about the white people being opposed to you on account of your color is not so. The white people are opposed to us because we have no money, no property, no education and the like. These are the barriers to the races success. Take our advice and buy property. PRESIDENT HARRISON.

No sane man will attempt to say that President Harrison has not been President of the whole people. The American people cannot help to appreciate what President Harrison has done for the entire people. It has been but a little over two years since President Harrison assumed charge of the government and not one mistake has he made. He has appointed more colored men to office than any Republican President. He is the back man's friend and to him we must continue to look for protection. He has done everything within his constitutional power to protect the people irrespective of color or condition. We sincerely hope that the republican convention will make no mistake; we hope that it will forever put a veto on some of the ambitious politicians who will show themselves in the next convention.

OUR DUTY.

The colored man has been the bone of contention for some time and what to do with him is a question of grave consideration. A great many of us have an idea that we can do without the republican party and paddle our own canoe. We never was so mistaken. It is just as hard for the colored people to do without the republican party as it is for them to jump through the eye of a needle. What then is our duty? We should first consider that we are a poor people; that it is important to teach the masses that we should unite for our common good, and until we learn how to save what we earn we shall forever be poor. Let us be up and doing, see to it that we support our own enterprises and educate our children to

PROMISES.

Nothing will kill a man more in the estimation of his friends than for him to make promises and fail to keep them. Broken promises are often found among corrupt politicians. It is dishonest to make promises and fail to keep them. Politicians should not pledge to do things and then put themselves on the fence as saleable commodity. The fence politicians are the most dangerous of all human beings.

OUR TEMPORARY OFFICE.

The temporary office of the Bee is now located in the Le Droit Building 8th and F sts., n. w. room 50. Persons who desire to see the editor on business or otherwise are requested to call. We expect to return to our new office within 30 days with an entire new outfit.

We want it understood that we are in favor of the re-nomination and election of President Benjamin Harrison in 1892. We know that he is the Negroes best friend and whatever others may say we shall rise or fall with the administration.

In next week's issue of the Bee we shall commence the publication of two letters on society, gossip, news, etc. It shall be the aim of the editor to make the Bee newsy as well as interesting. These letters will be written by two well known personages, one will assume the none de plume of "Clara and the other Louie." These letters will be run before which were very interesting features in the paper. The letters will appear weekly.

COLORED STATESMEN TO THE FRONT.

THEY CALL ON THE PRESIDENT, AND ASK THAT ATTORNEY GEN'L MILLER BE MADE SUPREME JUDGE AND THAT THE PRESIDENT RECOMMEND THE POSTAL TELEGRAPH BILL TO THE SENATE BY HON. JOHN W. WAMAMAKER.

The Southern States colored Republican Association met at Carson's Hotel Monday night last at 7 o'clock p. m. Hon. H. J. Europe, President in the chair. Resolutions were passed endorsing W. H. H. Miller, Attorney Gen'l. of the United States, for the vacancy on the Supreme Bench, also a resolution passed endorsing the Postal Telegraph bill suggested by Hon. John Wamamaker, Postmaster General. A committee was appointed to wait on the President to request the appointment of Mr. Miller, and to urge the President to recommend to Congress the Passage of the Postal Telegraph bill. The faithfulness of Hon. Mr. Miller in managing the Department of Justice in the Southern States, the strictness with which he has held to account ballot box stuffers, and defiers of the United States laws, has proven the judge to be sound on the constitutionality of the reconstruction acts, and therefore a proper conservator of the Negro's interest. A consideration of these facts called forth this action of the Association.

The Association deems the passage of the Postal Telegraph bill, that will give the government control of the telegraph lines, thereby making the sending of a telegraph message comparatively as cheap as sending a letter, obligatory on the Republican party, for the purpose of proving to the country the fact that the Republican party is only the poor man's friend. The committee consisting of Mr. John H. Smythe, the spokesman; Mr. H. J. Europe, Pres., who introduced the committee to the President. Messrs. Charles H. Ferguson, S. M. Lewis, H. Durley, Prof. R. R. Wright, P. H. Carson and others called on the President Thursday and were cordially received.

IT WAS THE CAT.

From Chicago comes a story of a babe, 6 months old, being killed by a big cat, which "sucked the infant's breath." Although well informed persons say that cats do not "suck the breath," but sometimes suffocate the child by curling up on its breast and throat for warmth, the gossips will have it that the Chicago case is well founded. On Monday afternoon the baby was put in the cradle, the cat being placed alongside it for a plaything. During the afternoon it was noticed that the cat kept continually near the baby's bed, but little attention was paid to this. In the evening the mother, thinking her child was sleeping more quietly than usual, went to the cradle to take it out, and was horrified to find the infant dead. The cat had sucked its life away. Efforts were made to resuscitate the child, but without avail. The cat is one of the common species and particularly large. It has been a household pet for several years.

CARING FOR POOR COLORED CHILDREN.

A meeting of the Educational and Relief Association was held last Mon. night at Mt. Zion Baptist Church, corner of 12th and E sts., n. e., with Mr. R. D. Ruffin president and Rev. J. I. Loving secretary. The report of the general agent, Miss R. E. Brooks, showed she collected during the past month 111 pieces of clothing from the generous public, which, with the goods purchased with the funds of the association, had been turned into the treasury. The treasurer's report showed that the sewing circle had made and altered clothing for seventy children and they had clothed sixty-six children for the month ending the 17th of Nov., and all of whom had been put into the public schools. The committee on cart boys for the reading room reported forty-five boys who would come to the room. The committee on ball reported that the building engaged for the association had been leased for one year and the carpenters were working on it and promised to have it ready for occupancy this week. The committee on outfit reported having received from the Secretary of the Interior Department two large mail sacks of books and other reading matter for the reading room. A communication was received from Hon. Juo. R. Lynch stating that he was in full sympathy with the movement and would aid it by his labor and money.

AN INTERESTING EXPERIMENT.

A rather amusing trick can be performed at the dinner table with the aid of two wine glasses and a visiting card. Take two claret glasses of the same size, and fill one with claret quite to the brim, and the other with water. Cover the glass containing the glass containing the water with the pasteboard card and then ask if any one at the table can transfer the claret into the glass containing the water without pouring out or spilling the liquid in either glass. At first it appears that this is quite impossible, but it may be easily accomplished by inverting the glass containing the water and placing it upon the other glass. After the edges of the two glasses have been brought opposite one another, the card is slipped carefully to one side so as to open a small communication between the two glasses; this done, there immediately begins an exchange of liquids, and it is observed that the claret is flowing in a gentle stream into the upper glass, the water descending through the small opening and displacing the claret.

Children are more difficult to doctors when suffering from catarrh than adults. When treating the former you should be sure to use that safe and mild remedy—Old San's catarrh Cure.

WEST WASHINGTON NOTES

The Sunday School Union of West Washington held its last quarterly meeting Sunday afternoon at the First Baptist church, and was largely attended. The schools under the direction of Mr. J. T. Beason sang the grand opening chorus "Heaven is my home." Prayer by Rev. D. G. Hill of Ebenezer A. M. E. church, the reports of the different schools showed that they were in a flourishing condition. Mr. R. S. Parrott, Pres. of the Union delivered an excellent address; the recitations of Miss M. L. Ferguson of the Ebenezer school and Misses Grace Harris Mary E. Lester of Mt. Zion school and Miss Anna Early of the First Baptist school were very interesting. The meeting was closed by a few remarks by Rev. T. O. Carroll of Mt. Zion M. E. Church.

The Eureka Club composing of Odd Fellow lodges of this place are arranging for a grand reception. The proceeds are to be devoted to the building of their new hall it should be well patronized.

Mrs. Lucy Moore nee Jackson of Phila. Pa. is visiting her parents here. Mrs. Moore will sing for the musical and literary association next Thursday evening.

The selection of a site for a Public School in this section, has renewed the rumor of the contemplation of the transferring of the Wormley building to that of the Corcoran building on 28th street.

A little over a year ago the citizens of West Washington, held an indignation meeting protesting against the transferring of the Wormley and they are no less indignant at such a proposition, and will hold a mass meeting bitterly protesting to the Commissioners, and we hope that Hon. B. K. Bruce the newly appointed trustee for this (the 7th) division will oppose such a diabolical scheme on the part of the originators. The Wormley Building is a healthful and desirable location and there is no desire on the part of the parents of children attending there for such transfer as contemplated.
