**OUR POSITION.**

If it is a sin for the BEE to defend the ladies in the Recorder's Office against the vile attacks of the white press, then the BEE has committed a great sin.

Some of those who have dislike for the present incumbent of that office were at a loss to know why the BEE defended the colored women of that office.

Because the BEE has been opposed to the recorder, is there any reason why it should be opposed to the employees of that office, and especially the women? Notwithstanding the opposition of the BEE to Mr. Taylor, it will not join in with the enemy in a crusade against the colored ladies of the office.

Other methods must be resorted to. Mr. Taylor must show that he is incompetent for the office.

The BEE will condemn wrong whenever and wherever found, but it will not join in upon subtleties and abuse of colored ladies to carry out notorious acts.

Who are these white women of whom the Times complain or defend for their association with colored ladies?

The BEE has the highest respect and confidence for the colored women of the Recorder's Office, and no matter how wrong Taylor is the BEE will defend the colored ladies of that office, should it become necessary to appeal to the people for the retention of the present incumbent.

**DID HE GO OR WAS HE LED ASTRAY?**

Our genial friend, Hon. H. C. C. Astwood, has at last returned to the Republican fold. He has declared himself in favor of the Republican party and denounced the party that refused to confirm him for Calais, France. Why should Mr. Cleveland be condemned? He was friendly to Mr. Astwood; he recognized the merits of worthy Democrats and nominated several for high offices.

Mr. Astwood may be right, his reasons may be well founded, but the BEE doesn't think that Mr. Cleveland should be condemned because his party refused to confirm Mr. Astwood.

Mr. Astwood praises the man who defeated his confirmation and condemned the man who elevated him. Mr. Cleveland elevated Astwood by nominating him for an office to which no negro has ever been nominated, and it was the Hon. Fred. Douglass and his son Charles who prevented his confirmation.

Mr. Cleveland is condemned and Mr. Douglass who disgraced Mr. Astwood is praised.

"Ingratitude is stronger than traitors arms."

"While the lamp holds out to turn the vilest sinner may return."

**THE PRESIDENT.**

President Cleveland may not have given the Negro Democrats all they demanded, but he certainly did give them as much as they deserved, i. e., those who are criticizing him.

President Cleveland elevated Astwood, and Hon. Fred Douglass and his son pulled him down. The President is condemned and Mr. Douglass is praised. Moral: "We often praise the hand that smites us."

Dr. Francis is true to his friends, notwithstanding what his enemies may say.

In Dr. Francis, the Surgeon in Charge of the Freedman's Hospital will find an honest friend.

Wanted at this office two printers and two ladies who desire to learn the printing business; also several hundred boys are wanted to sell the semi-weekly BEE. Call at once.

Call up and inspect the new steam power press next week.

**PREAMBLE.**

The international agitation now going on in regard to outrages committed upon colored Americans in the Southern States, renders imperative the organization of the American Liberty Defence League. In order to aid this agitation, broaden and make thoroughly effective the work of the International Committee already appointed to investigate the matter, this League is formed.

The work which the League has undertaken is:

1st To encourage and assist Miss Ida B. Wells in her anti-lynching crusade by seizing the opportunity which public attention is directed to the subject to emphasize our demand for justice.

2nd To publish necessary literature and statistics for distribution.

3rd To keep detectives in the field to investigate every lynching, get the Negro side of the stories, and the real facts for our English friends, our Northern sympathizers, and for ourselves; to employ counsel to defend those charged with heinous offences, and secure the conviction and punishment of those who participate in lynchings.

**OUR DUTY.**

Never since the agitation of the abolition of American slavery has there been a period fraught with such serious consequences, as now confront the friends of humanity and believers in free government, as is now involved in the issue before the American people, raised by the Anti-Southern Outrage Crusade: an issue with which the American people must deal and settle once for all. The abominable cruelties of mob law and lynching have become national problems, and it seems that the time has come when every good citizen must enter his protest against the exhibition of this violent barbarity, assert themselves, exert their best endeavor to maintain the dignity and majesty of the law, and demonstrate to the civilized world that the American Government is in reality a government of the people, by the people, and for the people, and for all the people.

**THE END IN VIEW.**

To the end that this agitation may be conducted in such a way as that full light may be thrown upon all the facts involved, we propose to organize around the League a sustaining constituency to do the proper work. For instance: Two colored men, near Alexandria, Virginia, were charged with the crime of assault on two white women. They were arrested and placed on trial; the case was prejudged by the community, and a mob of armed men organized to overawe the court and jury, and deny to the accused the right of a fair trial. The State militia were ordered out to convey the two colored men to and from the court-house, the result was the execution of the men without any legal evidence of their guilt. All this happened under the very shadow of the National Capitol. If the American Liberty Defence League had been in existence, the case, instead of being one of local color-line-Democratic-politics, would have assumed national proportions; a fair trial secured to the accused; the ablest legal ability at the Northern bar would have been employed to defend the men; reporters from the Metropolitan press especially commissioned would have been present. Able and experienced detectives, thoroughly skilled in ferreting out all hidden motives and facts in regard to crime, would have been employed to ascertain the character of the women who were the accusers, whether or not they were professional harlots; the character of the house they kept; the frequenters of that house; if they were criminally intimate with any members of the armed mob, etc., etc. With such an exhibition of legal vigilance in protecting the helpless, the Virginia affair would in all probability have turned out very different. The purpose of this League is to apply all over the South the principles and policy of such a vigilant and tireless activity as to render the reputation of the Virginia infamy impossible.

**THE POLITICAL PHASE.**

The League also proposes to furnish indisputable testimony, that, while allowing for the ferocity born of the spirit of slavery, nevertheless, the animating motive and significance of these Southern outrages is Political. The political motive and incentive to these outrages does not embrace merely local politics; it does not mean alone the election of "color-line" Justice of the Peace, color-line sheriff, color line educational committee, color line members of the legisla-ture, color line governors and like local and State officers,—it embraces the whole field of national political action. It embraces 159 solid votes in the electoral college. It embraces a color line legislative majority in both branches of Congress. It embraces a color line president of the United States. It embraces a solid South representation as such in his cabinet. It embraces a representation in the United States Supreme Court, where color line solid Negro judges will hold the same relation to Negro suffrage which Judge Taney of the Dred Scot and Missouri compromise, held to chattle slavery and solid color line Democracy. Without these propelling motives the solid South could not exist for a day; upon these the whole colossal political fabric is reared, from Missouri to Florida, and from Delaware to Texas. It is this solid South coalition which has elevated a color line political leader to the American presidency, which now controls every department of the Federal Government; and which, in the face of a divided North, threatens the life of the Republic itself. For tyranny through law cannot be enthroned upon the pro-terme form of black humanity at the South without so affecting and deadening the National conscience as finally to set the heel of a relentless military despotism on the necks of the white wage slaves of the North.

**AN APPEAL.**

We call upon the friends of liberty everywhere, the ambassadors of Christ, the churches of the living God, the press of the civilized world, and those who give shape to legislation to aid us in our work.

To accomplish the object as above set forth, we need and must have money. The membership fee is fifty cents a year, payable one half (25 cents) in advance. Contributions are also solicited from every friend of humanity. Remittances to be made to the treasurer of the League. All money received will be publicly accounted for and economically and honestly disbursed in support of our sacred cause.

**THE CHIEF HAS RETURNED.**

Dr. Daniel H. Williams, the Surgeon in Charge of the Freedman's Hospital, who has been absent on account of sickness, returned to the city last Sunday evening in good health, and is prepared to assume charge of the hospital, which has been so well conducted in his absence by Dr. Francis, acting surgeon in charge, and his assistant Dr. Shadd.

The new chief will make quite a number of improvements. The first one will be to fit up a hall for the trained nurses. Miss Hilyard, from the Providence Hospital of Chicago, will be appointed Chief of the Nurses Home, a new feature in connection with the hospital.

It is the desire and wish of the new surgeon to have persons interested in the success of the hospital to contribute books, pictures, or anything else to the Nurses Home.

The improvements that will be made will add greatly to the hospital. The new assistants, Dr. Williams, Drs. Francis and Shadd, will give the new chief their undivided support, and it is the wish and hope of the people that these three young men will do all in their power to give to them the finest hospital in the country. Dr. Francis has the most implicit confidence in the good judgment and ability of his superior officer, and the confidence the people of this city has in Drs. Francis and Shadd, and the support they intend to give them, will no doubt encourage Dr. Williams to do great work at this institution.

From time to time the BEE will note the wonderful improvements made at this hospital. The public and the friends of the hospital are requested to visit the hospital and inspect it.

The following petition is being generally circulated by a number of citizens of the District of Columbia, irrespective of politics, which we heartily indorse:

We, the undersigned citizens of the United States and residents of the District of Columbia, earnestly invite our fellow citizens, irrespective of politics, to unite with us in calling a meeting for the purpose of appealing to Congress for some modification of the present form of government of the District of Columbia, so that the people of this community will have some voice in the management of its affairs.

**EXPLORERS EAT LIZARDS.**

The Privations of a Government Party in Death Valley.

San Francisco, Sept. 10.—After suffering great privations from want of proper food, enduring intense heat and encountering almost daily sand storms, Special Agent H. B. Martin, of the United States Land Office at Washington, has returned here from a four and a half months' trip to Death Valley with his party. They examined the country for sixty or seventy miles south of Tule Canyon. They ate the big lizards of the desert which the Digger Indians live on partly, and each man lost from fifteen to twenty pounds of flesh. Martin says he would resign before making the trip again.

**HORACE SCHILLY MURDERED.**

Thirty-first Victim of the Pleasant Valley Feud.—Last of His Family.

Phoenix, Ariz., Sept. 10.—Another chapter of the famous and bloody Pleasant Valley feud has apparently been entered upon. Horace B. Schilly, a cattleman, was found riddled with rifle balls and badly mutilated on Reno Mountain Saturday. He was waylaid on his way to Phoenix. It is thought this is the work of the Tewksbury faction. Schilly is the last of his family. The feud has now numbered thirty-one victims.

**The Hawaiian Republican.**

Victoria, Sept. 10.—Honolulu advices have been received by the steamship Warrimoo, under date of September 1. The President and Cabinet have designated October 29 for the election of the Legislature. Registration is in progress. In some districts the natives have registered in considerable numbers. In a majority of the districts not more than 10 per cent. of the native voters have come forward. They are waiting to know whether the ex-Queen is to be restored. Two months remain for registration. The Government will use all possible means to make the natives understand that the ex-Queen can hope to have no help from Washington.

**Seven Days Adrift in a Dory.**

Baltimore, Sept. 10.—Capt. Moore, of the steamship Sedgemore, which arrived yesterday from Liverpool, reports: September 4, at 8:30 A. M., latitude 46.11 N., longitude 47.53 W., picked up two men in a dory. They belonged to the fishing vessel L. H. B. of St. Malo, France, and had become lost from their craft during a fog. When rescued the men had been drifting seven days without food or water, and were in an exhausted condition. The names of the men are Jean Marie Brotelie, aged thirty-three, and Allain Marie Aine Francis, aged thirty-seven.

**Smashup in the Hoosac Tunnel.**

North Adams, Mass., Sept. 10.—A collision caused by improper signals occurred in the Hoosac Tunnel Saturday night between two freight trains. William Terpening, of Syracuse, and George Mimick, of Fitchburg, both brakemen, were killed. William Clapp, engineer, of Rotterdam, and Charles Frazier, fireman, of the same place, were badly injured. H. B. Bartlett, brakeman, of Fitchburg, had his spine injured and was badly crushed. The operators at both ends of the tunnel were arrested.

**Count de Paris Estate.**

London, Sept. 10.—The Daily News publishes a dispatch from its Paris correspondent saying: "I learn from a Royalist, who was in frequent correspondence with the Count of Paris, that the Count's private income, apart from his wife's or the interest on the fortune that the Duchess of Galliera gave him for political purposes, amounted to 1,500,000 francs yearly."

**Actor Ratcliffe Married.**

New York, Sept. 10.—Edward J. Ratcliffe, the leading man of the "Shenandoah" company now playing at the Academy of Music, and Miss Alice De Lacy, a daughter of Peter De Lacy, the pool room king, were married in Hoboken about six weeks ago by Justice Muller, who tied the Russell-Perugini knot.

**Suicided in Lake Champlain.**

Plattsburg, Sept. 10.—The mystery surrounding the disappearance on Monday last of H. L. Marsh, a prominent young business man, was solved yesterday, when his body was found in Lake Champlain near the mouth of the Saranac River, he having, no doubt, committed suicide.

**Dr. Burtzell Recognized.**

Kingston, Sept. 10.—Dr. Burtzell was publicly recognized by his parishioners yesterday. Long before the hour set for the special thanksgiving service at St. Mary's Church the streets leading to the edifice were lined with people eager to gain admission and look upon their beloved pastor after his long absence.
