THE HERALD has done more and is doing more to make known and to develop the manifold resources of this section, than all other agencies combined. It is the exponent of the development of the "Semi-Tropics."

THE HERALD gets all the "Associated Press" telegraphic news from all parts of the world. To be informed in the events of the day, people resident in Los Angeles, must read the HERALD.

THE HERALD gives a carefully and conservatively prepared resume of all the local news of the day. It is written up crisply, tersely, pointedly and without unnecessary prolixity.

To know what is doing in local material enterprises, you must read the HERALD. These lines of news are the HERALD's special province, and no competitor comes near it in accuracy therein.

THE HERALD is by far the best edited paper on the Coast. It treats all important questions, local, State, national, international with vigor, intelligence, clearness and fairness.

ENGLISH GRAIN REVIEW.

LONDON, May 19.—The Mark Lane Express says: The weather favors the growth of wheat, which is strong, regular and hardy. Both wheat and spring corn look well. Continental arrivals are satisfactory. It is estimated that little above one million quarters English wheat of 1889 remain to be disposed of. This, together with fair quality offerings, has hardened prices. Flour dull but firm. In consequence of heavy import trade imported flour and wheat needed a point or two. London holders of maize have been decidedly firm in spite of heavy decline in the United States. Today's market was inactive. Finest English wheat was 1s dearer, while ordinary was unchanged. Fine Australian, best Californian and good Russian were firm. Flour firm. American oats 3d dearer.
