

HARDIE'S MURDER.

General Grierson Doubts That Indians Did the Work,

But Dr. Haynes is Positive That He Saw Redskins.

Resolutions Adopted by the Los Angeles Bar Association.

The Courts Adjourn and Several Superior Judges Act as Fall-Bearers—The Interment at Rosedale.

The members of the Los Angeles Bar Association met at 9:30 yesterday morning to hear the report of the committee appointed to draft suitable resolutions on the death of Robert Hardie.

The meeting was called to order by Judge A. J. King, and A. T. Patton read the following report, which was unanimously adopted:

To the Members of the Bar of Los Angeles County:

GENTLEMEN—The undersigned, your committee appointed by a meeting of the bar, held on yesterday, to draft suitable resolutions expressive of the sentiment of the bar concerning the late brother, Robert Hardie, respectfully report the following resolutions:

WHEREAS, We have learned with deep and sincere regret of the sad and untimely death, on the 24th day of May, 1890, near Tombstone, in the territory of Arizona, of Robert Hardie, a member of Los Angeles county,

Therefore, be it by the members of the bar in general meeting assembled, Resolved, That Mr. Hardie was a careful, studious and able lawyer, a gentleman of stainless reputation and high integrity, and one who had conducted himself professionally and socially with such gentleness and liberality toward his fellow men that he justly won the high regard of all who knew him.

Resolved, That as an evidence of our esteem for our deceased brother we request the several departments of the superior court of this county, so far as their business may permit, to adjourn today during the time of the funeral.

Resolved, That as expressive of our sympathy for the family of the deceased the secretary of this meeting be, and is hereby requested to deliver to them a copy of these resolutions, and cause the same to be published in the newspapers of this city.

Respectfully submitted, E. C. Bower, A. T. Patton, A. W. Hutton, R. B. Carpenter, Myer Wicks, F. H. Howard.

The services were held at 1:30 in the afternoon at the residence of the deceased, the bar being represented by a committee consisting of Judges Clark and Cheney, W. F. Fitzgerald and W. I. Foley, Judges Wade, Shaw, Cheney and Clark adjourned their courts at 10 o'clock and Judge Van Dyke ordered an adjournment in the afternoon, out of respect to the deceased.

The funeral services were held at Mr. Hardie's residence, 929 South Main street. The pall-bearers selected were Judges Cheney and Clark, Hon. W. F. Fitzgerald, W. J. Foley, G. J. Cochran and F. H. Supple. Rev. John Dickenson conducted the ceremony according to the ritual of the Unitarian church. The interment took place at Rosedale cemetery.

Dr. Haynes was interviewed by a reporter yesterday, to ascertain if he might not have been mistaken in regard to identifying the murderers of Hardie as Indians. The doctor was very positive that the attacking party were redskins, and said that he saw one of the men so closely that his features were easily distinguished. He was struck by the fellow's close resemblance to the pictures he had seen of Geronimo.

General Grierson said yesterday that he is not yet convinced that the murderers of Hardie are Indians. The country in the neighborhood of Rucker's cañon had been thoroughly searched, and no trace of Indians could be found. A mistake had been made, he said, in not sending the first news of the murder to the nearest military post, Fort Bowie or Fort Huachuca. After the report of the affair did reach those posts, troops were immediately sent to the cañon, and the surrounding country ridden over in search of the renegades.

It is stated that every effort possible is being made to run down the murderers. The authorities at Fort Bayard, Fort Grant, Fort Lowell and Fort Thomas, as well as at Fort Bowie and Fort Huachuca, have troops on the trail. If the murder was the work of Indians they will be run down as soon as the fact is established that Indians did the killing. Scouts are to be put on the trail, and the redskins cannot possibly escape. It is only a question of time when they will be captured.

The Indians are all quiet. General Grierson has received word from San Carlos that the Indians are all on the reservation, and are peaceable. Several times lately when murders have been charged up to Indians in Arizona it has been afterward demonstrated that white men did the work. If Hardie was killed by the five redskins who murdered Sheriff Reynolds, the blame cannot attach to the army, for these same Indians were turned over to the war department by the civil authorities to be tried for murder. It was from the civil authorities they escaped.

THE FIRE BOARD.

A Small Amount of Business Transacted Yesterday.

At the regular weekly meeting of the board of fire commissioners, held yesterday morning, in the mayor's office, Mr. J. Kuhrtz presided, W. S. Moore and Theo. Keeffe forming the quorum.

The petitions of the Los Angeles City Water Company and Messrs. Thompson and Kelsey for permission to erect steam engines on their premises were referred to the chief engineer.

The application of H. C. Spoor for leave to conduct a livery stable in East Los Angeles was granted.

A number of demands, amounting in the aggregate to \$50.37, were approved.

The chief's recommendation with reference to the location of three new fire alarm boxes was adopted, whereupon the board adjourned.

Woman's Auxiliary.

There will be service at St. Paul's church, on Olive street, today at 11 o'clock, on which occasion a sermon will be delivered by Rev. G. A. Ollman, of Pasadena, before the Woman's Auxiliary, and the holy communion administered, the Rev. Dr. Trew officiating. After service lunch will be served in the guild room, and an opportunity presented until 2 o'clock of

meeting Miss Emery, the general secretary of the woman's auxiliary for the United States. An address will then be delivered by Miss Emery in the lunch hall. Several of the neighboring clergy will be in attendance, with delegates and visitors from their parishes. More than three hundred thousand dollars annually are raised through this society devoted to furnishing missionaries and their families with clothing and household requisites.

Licensed to Wed.

Cupid Whitney, of the county clerk's office, issued marriage licenses to the following persons yesterday:

James Joseph Martin, 51, New York, to Anna Venable, 58, Kentucky, both residents of Carmelita.

Joseph Sardo, 27, Italy, to Marguerite Delbasty, 18, France, both residents of Los Angeles.

George W. Hood, 21, Nova Scotia, applied for a license to wed Alice T. Coburn, 17, Tennessee, but as the requisite consent of the young lady's parents had not been obtained, the coveted document was not issued.

The Tax Ordinance.

Mayor Hazard yesterday morning signed the ordinance making the city taxes payable in two installments, one in November and the other in May. The substance of the ordinance was given in the account of the council proceedings when it was adopted by that body.

CLARK'S STATEMENT.

HE DENIES THAT HE ILL-TREATED MATTIE LAWSON.

He Characterizes Her Story as Untrue and is Corroborated by Chas. W. Hewett, a Resident of the Same Place.

It will be remembered that a short time since an article was published containing the statement of Mrs. Lawson and her daughter Mattie concerning the latter's alleged ill-treatment at the hands of Mr. J. M. Clark at Ophir Camp. Mr. Clark came to the city yesterday and says that there was not a word of truth in the whole of Mattie Lawson's story. He states that he was in Los Angeles somewhere in the neighborhood of April 20th and was in search of a girl to accompany him and himself to his residence at Ophir Camp. A police officer introduced him to Humane Officer Wright, who told him that he knew of a girl and made an appointment to go Mrs. Lawson's house and see what they could do. Mr. and Mrs. Clark accompanied Officer Wright to Mrs. Lawson's and found the girl willing to go. The mother consented and they took Mattie with them that night, agreeing to meet Mrs. Lawson at the police station the next morning, when she could say goodbye to her daughter. They met at the police station the next morning and there was no objection made to the girl's going with them. Mr. and Mrs. Clark then purchased two pairs of shoes for Mattie and some dress goods and underwear and then went to Ophir Camp, where Mattie staid just two weeks.

Mr. Clark states that Mattie behaved very badly while there; that she was continually telling vulgar stories and singing vulgar songs. She had no work to do, in fact all she did while there was to wash the dishes. She threatened to run away if the place did not suit her, and one evening she went away and climbed a tree where they could not find her. She was afterward located by C. W. Hewett, who heard her in the tree. She said she had run away from other places. After she had been there two weeks she left one morning before breakfast and arrived at the postoffice about 10 o'clock that morning. Mr. Clark says he did not follow her, nor yell after her; in fact he did not go as far as the postoffice until 4 o'clock that afternoon. All of her statements, Mr. Clark says, were untrue, and he is prepared to prove the same in court if necessary. The girl was never beaten by him or his wife, and if she had bruises on her body she must have received them from some one else.

The following letter concerning the matter has been received from Ophir Camp under date of May 27th:

EDITORS HERALD—Seeing in your paper of May 9, 1890, a statement made by Miss Mattie Lawson in regard to ill-treatment received in this camp, I would like to state that being in business with Mr. J. M. Clark and in a position to know the true facts of the case, I saw no ill-treatment or abuse of Miss Lawson while here. On the contrary, she received every advantage possible.

Her unexplained runaway is and always will be a mystery to me.

After reading the statements of Mrs. Lawson and the neighbors in regard to the condition of Miss Lawson on her arrival in Los Angeles, I have come to the conclusion that they are either falsifying or have been misled by the deliberate falsehood told by this wonderful romancer, Miss Lawson.

I am ready to swear to the truth of my statements. Respectfully, CHARLES W. HEWETT.

PRIZES AWARDED.

A Contest Among the Pupils of the Public Schools.

The Central W. C. T. U. of Los Angeles offered, in February last, three prizes, one of \$10, one of \$7, and one of \$5, to those pupils in the high school and eighth grades of this city, who should write the best compositions upon "The Evil Effects of the Tobacco Habit."

The high-school pupils were limited to a thousand words; those of the eighth grade to eight hundred words. The arguments used were to claim first consideration, though the general appearance of the manuscripts and the manner of expression were not to be overlooked in awarding the prizes. About fifty pupils sent in their essays to a committee of three, appointed by the union to decide upon their merits.

The signatures were to be given in numbers, the names being withheld. On the 26th instant two of the committee visited the schools and gave prizes to Leon Lampton (\$10), junior B, high school; Ethel May Orr (\$7), Eighth-street school; Albert A. Hurka (\$5), Hellman-street school. Some of the essays that deserve special mention are those numbered ten, eight, four and one, in Eighth-street school, and eight and four in Spring-street school.

Short Session of the Police Commission.

Los Angeles Officers Not to Be Court-Martialed.

Shorter Time to be Made on the Southern Pacific.

Chamber of Commerce Matters—Other Items of More Than Usual Local Interest.

The board of police commissioners met yesterday afternoon in the mayor's office, Hon. H. T. Hazard in the chair, and Messrs. Collins, Dexter and Lewis present.

The chief reported having investigated the matter of the claim of M. Pepe against Officer Vignes, and recommended that the shoemaker obtain his redress through the medium of the courts, whereupon the claim was ordered placed on file.

The claim of A. Castro against Officer Goodman for \$7.10 was referred to the chief for investigation.

Charges were preferred against Officer Bob Martin by Henry Hall, who resides at No. 1264 Court street, in which he alleged that the policeman had used profane language to Mrs. Hall because she had accidentally sprinkled some water over the fence dividing the yards of both parties, while sprinkling her lawn. The matter was referred to the chief for investigation, with power to act.

The special committee appointed to investigate the charges preferred against Officer Calvin D. Weatherman by Mrs. Ulrica Nustede withheld its report, the defendant policeman having applied for a re-opening of the case, as he wished to introduce some new testimony.

Applications for appointment as special officers were received from R. W. McNair and T. L. Grosvenor, and both were referred to the chief for investigation.

The petition of Trabucco and Bacigalupi for a permit to obtain a license for a new saloon at No. 689 Upper Main street, was denied.

That of Passara and Molinere for a like privilege at No. 705 Upper Main street was referred to the chief, under the rule for investigation.

The application of Matthew Fitzsimons for a transfer of his license to No. 604 Downey avenue was granted.

A number of complaints having been made against the conducting of a dance house at No. 612 Upper Main street, the matter was referred to the chief for investigation.

After approving the pay roll of the department for the current month, the board adjourned.

OFFICIALLY DENIED.

Los Angeles Army Officers Are Not to Be Court-Martialed.

A few days ago considerable space was given in these columns to a rumor, started by a special dispatch from San Antonio, to the effect that Lieutenant Grierson, Major Elderkin and Major Kimball, attached to the staff of General Grierson, commander of the department of Arizona, were to be court-martialed at Tucson on the 10th of July. No charges were given upon which the officers were to be tried, and the whole matter was very misty.

Attempts were made to find the truth of the report at army headquarters, but beyond the statement that the story was believed to be a canard, no information could be obtained. Yesterday General Grierson received the following dispatch:

WASHINGTON, D. C., May 28. General B. H. Grierson, Commanding Department of Arizona, Los Angeles, Cal.

There is no foundation for the report that Major Elderkin and Lieutenant Grierson are to be tried by court-martial at Tucson.

C. McCREVER, Acting Adjutant-General.

It is noticed that Major Kimball's name is not mentioned in this dispatch, but it is stated that the story in regard to his court-martial is also a mistake. The rumor probably arose from the fact that the gentlemen will be summoned as witnesses to Tucson at the trial of Captain Millmore.

RAILROAD MATTERS.

Probability of Shorter Time on the Southern Pacific to the East.

J. A. Crawley, assistant general freight and passenger agent of the Southern Pacific, states that his road will probably meet the reduced time which the Santa Fe is about to make on its overland trains. No definite schedule has yet been arranged, but Mr. Crawley is of the opinion that the Southern Pacific will make as quick time as its rival to points of the same relative distance.

The weekly Warner excursion arrived Tuesday from the east with the following passengers: Mrs. L. L. Walker, Chicago; Mr. and Mrs. Charles Lade, Marcus, Iowa; Mrs. Wartz and family, Hoboken; George Wolf and family, Cincinnati; Mr. and Mrs. D. F. Leahy, Chicago; John T. Wisner and wife, Mrs. M. E. Wilson, Middleport; Mrs. Mary Cummings and family, Terre Haute; Dr. R. M. Rankin, Cincinnati; J. O. Burns and wife, Chicago; Leno Peiron, Galesburg; J. M. Butler, C. S. Sanborn, Englewood, Ill.; J. B. Jones and sister, Terre Haute; Miss Nellie Carroll, Miss Maurie Connor, Chicago; I. W. Banks, Joliet; S. M. Sampson, Milwaukee; J. W. M. Osborn, Smithshire, Ill.; Mrs. Ana Smithwick, Indianapolis; Joseph Woods, Chicago; J. G. Chapman, Oshkosh.

I. R. Wilbur, who owns, with others a right-of-way from The Needles to San Francisco, has gone east, presumably to confer with the Santa Fe officials in regard to the extension of that road to the latter city. It is said that the Santa Fe has already begun grading in the Tejon pass, and has secured a feasible route to the bay city.

CHAMBER OF COMMERCE.

Additions Made to the Permanent Exhibit Yesterday.

Yesterday was rather a dull day at the chamber of commerce, though during the forenoon the usual large number of visitors called at the permanent exhibit. Among the donations were the following:

H. Burlingame, Gardena, strawberries; John Kelley, Los Angeles, cab-

bage; John Bryan, Los Angeles, sheaf of wheat; Osburn Burke, Rivera, box lemons; Dr. J. A. Wakefield, Los Angeles, pine cones; J. Hickson, Eagle Rock valley, blackberries and two varieties of raspberries.

The flower donations were as follows: Mrs. Veeder, Mrs. J. A. Anderson, Mrs. Mary A. Melvin, Mrs. E. H. Jackson, Mrs. H. A. Simanson, Mrs. George W. Robertson, Mrs. J. A. McCormick.

BOYLE HEIGHTS.

Items Gathered in the City Over the River.

W. H. Workman is opening up and grading the streets through his park. The water company is putting in an engine on East First street to meet the increasing demand for water.

The cable company has been putting the street between Cummings's hill and the river in fine condition.

George Ferguson's fine residence on Soto street is being pushed along with dispatch; also several other good residences in various localities.

The property-holders on Lopez street are having that street graded, and the spirit of enterprise is making Boyle Heights blossom like the rose.

The sound of the builder's hammer is heard all around. More building is going on in this portion of the city this spring than at any time since the boom.

George Cummings's new hotel is now about completed, and he wants some good caterer to take it and supply a good hotel for this portion of the city, which is in great need of a well-kept hotel.

The republican majority in the Ninth ward is being reduced quite recently; two of the g. o. p., it is said, have "skipped"—one, an official of the county, is said to have decamped without first walking up to the captain's office to settle; the other, it is reported, has acted a little "fishy" in the matter of a buggy belonging to somebody else.

The citizens at Brooklyn Heights are clamoring for a street railroad through that portion of the city. Why do not some of the enterprising citizens over there apply for a franchise and go to work and construct a street-car line from the junction of First street and Boyle avenue, to run along Lopez or Bailey street, to Dunsmore avenue, thence in a northeasterly direction to the intersection of Soto street? This would be a paying line and accommodate a large area that is being settled up rapidly.

HE WAS ASHAMED.

To Ask Again, but His Frank Letter Got It for Him.

A few months ago one of the unfortunate inmates in the San Francisco Almsouse was inspired by the sensational statements in the newspapers with the belief that Joy's Vegetable Sarsaparilla would help him. But without money, how to get it was the question. Finally he wrote to the Edwin W. Joy Co., appealing to their generosity, and it was not unheeded, the coveted preparation being sent by the next parcel delivery. Its effect is best told in a subsequent letter, from which we quote the following:

"I suppose you know me by this writing, and my circumstances and condition. Although I am improving, I ask of your generosity for another bottle of your Joy's Vegetable Sarsaparilla. The action of its laxative properties is perfection itself. It has so thoroughly regulated my system that my catarrh, rheumatism, constipation, and headaches are all better. I feel now I can ask in this way, but what shall I do? I thought I might not need any more, but I am now so anxious to keep it up, but you know it is best."

It was sent, and he can get more if he needs it.
