The senate then proceeded to consideration of the legislative, executive and judicial appropriation bill.

The amendment was agreed to, increasing the salary of twenty-six committee clerks from \$1,500 to \$1,800, and the salary of clerks to senators from \$1,500 to \$1,800. The senate disposed of seventy pages of the bill and adjourned.

THE TARIFF BILL.

Synopsis of the Changes Made by the Senate Committee.

WASHINGTON, June 18.—Following are the principal changes made by the senate committee in the tariff bill:

Glassware—Classifications changed and a large general reduction made.

Steel Rails—Reduced from \$13.44 to \$11.20 per ton.

No bounty is to be given for less than 5,000 pounds of sugar annually, and sugars between thirteen and sixteen Dutch standard will pay a duty of three-tenths of a cent per pound. Sugars above sixteen pay six-tenths, instead of four-tenths.

Tobacco—Unchanged.

Slight reductions are made in many items in the agricultural schedule, and exporters of meat are not allowed a rebate on salt used in curing meats.

Natural effervescent mineral water free.

Duty on cotton manufactures are reduced all through the schedule.

Only slight changes are made in the wool, the principal one being to correct a typographical error which the house refused to correct.

Silk—The bounty on silk and silk cocoons raised and reeled in the United States, is stricken out.

Works of art—Taken from the free list and made dutiable at 30 per cent. ad valorem.

The limitation of \$500 as the value of wearing apparel is stricken out.

A large number of changes are made in the chemical schedule—many decreases and some increases—among them: Tannic acid, or tannin, is reduced from \$1 to 50 cents per pound; crude glycerine from 2 to 1 1/2 cents.

Opium, containing 9 per cent or less of orphea, or opium prepared for smoking, increased from \$10 to \$12 per gallon.

Brimstone and sulphur, not otherwise provided for, are transferred to the free list, as are also muriatic and sulphuric acid, not otherwise provided for.

Peppermint oil is made 25 per cent ad valorem, instead of \$1 per pound.

Butyric or propylic alcohol, dutiable in the chemical schedule at 10 per cent. ad valorem, is transferred to the liquor schedule and changed to \$2 per gallon.

Many changes are made in the earthenware and glassware schedule, all reductions. Among others, glass and glassware not otherwise enumerated, which in the house bill are covered by six separate paragraphs, are consolidated in one paragraph, including small mirrors and lenses, and made to pay a duty of 45 per cent. ad valorem, this being in the nature of a large general reduction.

In the metal schedule the following are some of the changes: Iron ore, containing more than 2 per cent of copper, one-half cent per pound on the copper, instead of 1 1/2 cents. Class 1 of hoop iron or steel, dutiable at 1 1/4 cents. Class 2 of hoop iron or steel, dutiable 1 cent per pound, is made to include iron from 10 to 20 wire gauge, and class 4, dutiable at 1. Three cents is made to include iron thinner than No. 20 wire gauge.

The provision that after July 1, 1891, manufacturers of which tin plate is the chief part, shall pay in addition to the rate of duty upon tin plates, an ad valorem duty of 35 per cent, is stricken out.

Cold polished iron or steel one-fourth of a cent per pound instead of 1 1/4 cents. Cast hollow-ware 2 1/2 cents per pound instead of 3 cents.

The provision making 45 per cent. ad valorem the minimum duty on chains is stricken out.

The duty on shotguns and revolvers, 35 and 40 per cent. ad valorem, is changed to a specific duty of from 40 cents to \$6 each, according to value, and 35 per cent. ad valorem.

Fine copper imported in the form of ore, one-half cent per pound, instead of one-quarter of a cent; old copper, 1 cent per pound, instead of 1 1/4 cents; coarse copper and copper cement, 1 cent per pound, instead of 1 1/2 cents; copper in other forms, not manufactured, 1 1/4 cents per pound, instead of 2 cents.

Nickel and nickel alloy, 8 cents per pound (reduced from 15 cents).

Block zinc, 1 1/2 cents per pound (reduced from 1 3/4 cents).

Gold watches and gold watch cases, 25 per cent. ad valorem (reduced from 40 per cent).

Mica, dutiable at 55 per cent. ad valorem, and nickel, crude, dutiable at 35 per cent. ad valorem, dutiable at 3 cents per pound, are transferred to the free list.

In the wood schedule, sawed boards

are made \$1 per 1,000 feet, instead of \$1.50.

The house provision fixing a retaliatory duty on sawed lumber imported from countries imposing an export duty on logs is struck out, and a provision instead making the duty imposed in such cases the same as the rates under the present law.

In the sugar schedule the 2 cents per pound bounty is extended to maple sugar. No bounty shall be given for less than 500 pounds of sugar per year. Persons who apply for or receive a bounty and not entitled thereto, shall pay a fine not exceeding \$5,000, or be imprisoned for a period not exceeding five years, or both.

Sugars between 13 and 16, Dutch standard, pay a duty of three-tenths of a cent per pound, instead of being free, as provided for by the house bill. Sugars above 16, Dutch standard, six-tenths of a cent per pound, instead of four-tenths of a cent.

Among the changes in the agricultural schedule are: Barley, 25 cents per bushel (reduced from 30 cents); barley malt, 40 cents per bushel, (reduced from 45 cents); bleached rice, 1 1/2 cents per pound, (reduced from 2 cents); uncleaned rice, 1 cent per pound, (reduced from 1 1/4 cents); broken rice, 1/2 cent per pound, (reduced from 3/4 cent).

Among the changes in the schedule of cotton manufactures are: Cotton cloth, valued at more than 8 cents a square yard, if bleached, 2 1/2 cents per square yard; if printed, 4 cents, instead of 30 per cent. ad valorem.

The provision that ready-made clothing having India rubber in its composition shall be subject to a duty of 60 cents per pound and 50 per cent. ad valorem, is struck out. All pile fabrics, bleached, 12 cents per square yard and 20 per cent. ad valorem; if dyed, colored or stained, painted or printed, 14 cents ad valorem, instead of 10 cents per square yard and 20 per cent. ad valorem.

The maximum duty on hose is 40 cents per dozen pairs and 40 per cent. ad valorem, instead of \$1 and 40 per cent. The maximum duty on shirts and drawers, \$1.25 per dozen and 40 per cent, instead of \$2.25 and per cent.

Corsets are eliminated as a separate paragraph, and duty will be charged according to the material of which they are composed.

The provision, "Fish, the product of American fisheries and fresh or frozen fish, caught in fresh water, except salmon," is made to read: "Fresh fish caught by citizens of the United States in the lakes forming the boundary line between the United States and the Dominion of Canada."

Tapioca is made free without any restriction.

Works of art, etc., brought by professional artists, lecturers or scientists for temporary use or exhibition, not for sale, and now admitted free for a term of six months, may be retained in the country an additional six months in the discretion of the secretary of the treasury.

Gypsum or sulphate of lime is taken from the free list and made dutiable at \$1 a ton.

Rice flour and rice meal, 1/4 cent per pound (reduced from 1 1/4 cents).

Cabbages, 1 cent each (reduced from 3 cents).

Fish, not especially enumerated, 1/2 cent per pound (reduced from 1 cent).

The duty on oranges, lemons or limes, in packages, is reduced 50 per cent.; in bulk, \$1.50 per 1,000, instead of \$2.50.

Grapes, 60 cents per barrel of three cubic feet, instead of 2 cents per 100.

Chocolate, 2 cents per pound (reduced from 3 cents).

Following are among the changes in schedule of spirits, wines and other beverages: Still wines, in jugs containing each not more than one pint, \$1.05 per case instead of \$1.60; any excess beyond the invoice quantity, 6 1/2 cents per pint instead of 5 cents, but no additional duty is assessed on the bottles and corks.

Fruit juice, not specially provided for, containing not more than 18 per cent. alcohol, 50 cents per gallon instead of 60 cents. Soda and similar water in bottles containing not more than three-fourths of a pint each, 10 cents a dozen; 13 cents, containing more than three-fourths of a pint and not more than 1 1/2 pints, 2 cents per dozen, instead of 20 cents.

BORDER TROUBLE.

A Sheep-Rancher Arrested for Shooting at a Mexican Guard.

SAN DIEGO, June 18.—One of the Cascart brothers, lessees of the Tia Juana ranch, was arrested yesterday on the charge of shooting at a Mexican guard stationed on the boundary line at Tia Juana. The brothers have sheep grazing on both sides of the line, and after bringing those that are on the Mexican side on this side to be shorn, turned the whole of the flock loose. The Mexican officials tried to stop the practice, when a quarrel ensued, and one of the brothers fired at a Mexican guard, and he was then taken a prisoner by the Mexicans.

NOT TO BE BEATEN.

Pomona Raises Money for the Experimental Station.

POMONA, Cal., June 18.—The board of trade and citizens held a mass meeting last evening in regard to the experimental station for Southern California. Enthusiastic speeches were made, and in a short time it was decided to have the station, and \$1,750 was subscribed on the spot. Today the balance of the \$5,000 was raised, and Pomona claims the station, as the money, land and water are ready, and the people are not to be beaten.

WASHINGTON, June 18.—The president has sent to the senate the following nominations:

Postmasters—Michael T. Nolan, The Dalles, Tex.; Mrs. Minnie Washburn, Eugene, Ore.

Registers of land offices—John C. Lawrence, Waterville, Wash.; Geo. G. Mills, Olympia, Wash.; Robert C. Rogers, California, commissioner of Alaska, with residence at Sitka.

Wheaton's Water Rights.

MODESTO, Cal., June 18.—The board of directors of the Modesto irrigation district today purchased the Wheaton dam and all the water rights and claims of M. A. Wheaton upon the Tuolumne river for \$21,000, payment to be \$10,000 cash and \$11,000 bonds of the district at 90 cents on the dollar. Two weeks ago the Turlock district condemnation suit resulted in a verdict for \$95 for Wheaton, who sued for \$300,000.

For Her Husband's Crime.

NAPA, June 18.—In the matter of the sentence of Mrs. Margaret Morkle, for killing Joseph Von Wyle, the court held that the confession of her husband that he killed Von Wyle was not newly-discovered evidence for the defense, and should have been given at the trial. She

was then sentenced to five years in state's prison. The case will be appealed.

Hacked by a Highbinder.

SAN DIEGO, June 18.—Charlie Lee, a Chinaman, used a hatchet today on Lee Sing Wing, another Chinaman, very savagely inflicting three bad cuts on the head, and breaking Wing's left arm. The wounded man may die. The assailant is said to be a highbinder. He was arrested and is in jail awaiting the result.

Federal Election Bill.

WASHINGTON, June 18.—The house committee on elections, in regard to the manner of electing the president and vice-president and representatives in congress, decided by a party vote to report, with some amendments, the federal election bill agreed upon in the Republican caucus Monday night. There will be a minority report.

Killed by a Skunk.

PRESCOTT, Ariz., June 18.—Charles Morris, a cowboy, east of Prescott, while engaged out on the rodeo some six weeks ago, was bitten on the nose by a small skunk while lying asleep in camp, and died today in great agony with hydrophobia.

WITH LOUD APPLAUSE.

DEMOCRATS HAIL THE NEWS OF SILVER'S PREFERENCE.

Announcement of the Senate's Action to the House—The Democrats Eager to Let the Good Work Go On.

WASHINGTON, June 18.—The house went into committee of the whole on the Indian appropriation bill. The committee in a few moments rose informally to allow the house to receive a message from the senate. As the secretary announced the passage of the silver bill, with amendments, the Democratic side of the house broke out in loud applause, which continued for several minutes.

The committee having resumed its session, Bland, of Missouri, moved that the committee rise, his purpose being to have action taken on the silver bill. The motion was defeated—94 to 105, Mitchler and Vaux, of Pennsylvania, voting with the Republicans in the negative.

Consideration of the Indian bill being resumed, on points of order raised by Cannon the appropriations of \$12,200 for the Creek Indians, (48,800 for the Pottawatomie Indians and \$27,000 for the Mexican Pottawatomie Indians were stricken from the bill.

The committee rose, the bill passed, and the house adjourned.

KIMBALL EXCULPABLE.

Generals Miles and Grierson Intercede for the Quartermaster.

TUCSON, Ariz., June 18.—At the court martial trial of Major Kimball, chief quartermaster of the department of Arizona, today, Colonel George H. Weeks, chief quartermaster of the department of Texas, a member of the court, testified that it was customary for, and the duty of local quartermasters to provide offices for the disbursing officers of his station, and in effect that the course followed by Major Kimball, in the execution of leases, was identical with that pursued by him. Major Kimball then submitted letters from Major-general Nelson A. Miles, of San Francisco, and Brigadier-general Grierson, of Los Angeles, to the adjutant-general of the army at Washington. General Grierson states that in his judgment, Major Kimball has not been guilty of any negligence justifying his trial by court-martial, and he requests that the order for his trial be suspended and that the charges against Major Kimball be investigated by some disinterested officer. General Miles invites the attention of the adjutant-general to papers recently forwarded to Washington showing the details of the renting of offices at Tucson. General Miles also sets forth the nature of Major Kimball's complaint, and calls attention to the fact that Major Kimball was ordered to Arizona at a time when a terrible Indian war was in progress and discharged his duties with marked ability and strict fidelity. He recommends that if his explanation is satisfactory the secretary of war direct that further action in Major Kimball's case be suspended.

Pleaded Guilty.

PORTLAND, June 18.—John Waynes, who was arrested on the 27th of May for smuggling opium into this city from Victoria, via the Northern Pacific railroad, today pleaded guilty in the United States district court, and was fined \$500.

Cancer of the Nose.

In 1874 a sore appeared on my nose, and grew rapidly. As my father had cancer, and my husband died of it, I became alarmed, and consulted my physician. His treatment did no good, and the sore grew larger and worse in every way, until I had concluded that I was to die from its effects. I was persuaded to take S. S. S., and a few bottles cured me. This was after all the doctors and other medicines had failed. I have had no return of the cancer.
