Reminiscence of the Johnstown Flood.
Soon after the great flood in the Conemaugh valley, Penn., last summer, the press dispatches heralded the news of an epidemic of diarrhea in Johnstown. The following letter from Rev. H. L. Chapman, pastor of the Methodist-Episcopal church, Johnstown, gives the particulars and most successful remedy used:

copal church, Johnstown, gives the particulars and most successful remedy used:

The box of six dozen Chamberlain's Colic, Cholera and Diarrheea Remedy, which you sent at the suggestion of Hon. Wesley Redhead, reached us soon after the great flood and at a time when diarrhea was quite prevalent. As soon as it became known that I had the medicine for distribution, there began a great run on it, which continued until it was about all gone. Every one, so far as I heard from them, testified to its virtues, declaring it the best medicine for the purpose they had ever used. Those who got it shared it around with their neighbors, so that I am confident your generosity in sending it was productive of great good. We used some of it ourselves and found it not only an excellent medicine for diarrhea, but for all kinds of pains and uneasiness in the stomach and bowels. It has been regarded as the best medicine known here for the diseases it is recommended for. In view of your sending such a large quantity for free distribution among poor people, I think you are entitled to this testimonial in its favor.—H. L. Chapman, pastor Methodist-Episcopal church, Johnstown, Pa.
