CONSUMPTION

Can be Cured.

THE ABOVE ASSERTION IS BEING VERIFIED every week by those who are being treated by M. Hilton Williams with his Medical Inhalations and the Compound Oxygen Treatment for diseases of the head, throat and chest.

Patients come from all parts of the country for treatment, as will be seen by the following table:

September 1st, out of the 390 patients then under treatment, were from the following states and in Los Angeles, 97; Los Angeles county, 56; California outside Los Angeles city and county, 129; Oregon, 20; Washington, 10; Arizona, 25; Minnesota, 3; New York, 6; Illinois, 4; Texas, 10; Missouri, 15; Canada, 10; England, 2; Australia, 1; Kansas, 5; Indiana, 3; Michigan, 2; Nevada 1. Total, 390.

Occupation as follows, viz: Ministers, 25; lawyers, 40; bankers, 14; farmers, 90; musicians (vocal) 30; musicians, (instrumental) 20; doctors, 20; tailors, 14; miners, 30; railroad, 19; students, 13; teachers, 25; laundries, 6; real estate agents, 15; bakers, 5; ex-soldiers, 4; others, 20. Total, 390.

By the employment of proper inhalations in the form of medicated vapor (not steam or spray) we are able to produce immediate and direct action upon the diseased surface in the pharynx and the nasal passages, for air will find its way into the remotest and intricate cavities, where it is utterly impossible to make fluid applications. By these means nearly every case of catarrh, throat diseases, bronchitis and the early stages of consumption can be permanently cured.

Persons desiring treatment by this system of practice can use the remedies at home as well as at our office, and which will cause no inconvenience or hindrance from business whatever.

I have seen so many of these cases cured that I do not consider any case hopeless unless both lungs are seriously involved. Even then the Compound Oxygen and other inhalations aid us in dissolving the mucus and in contracting and healing the cavities, which nothing else can do with the same success.

The very best references from those already cured.

CONSULTATION FREE.

Those who desire to consult with me in regard to their cases had better call at the office for an examination, but if impossible to visit the office personally can write for a copy of my medical treatise, containing a list of questions. Address

There is a telegram at the office of the Western Union telegraph company for E. S. Smith.

It is officially announced that the public schools will be re-opened on Monday, October 6th.

There are undelivered telegrams at the Postal Telegraph office for H. L. Parks, Col. A. B. Hotchkiss and O. K. Putnam.

Thus far, between 6,000 and 7,000 voters have registered at the county clerk's office. It is impossible to estimate the number any closer than above stated.

J. H. Gaffin yesterday filed notice with the county clerk within ten days he would withdraw from the bond of W. A. Johnston, a director of the Vineland irrigation district.

There being no less than three holidays in a lump this week, the Banning Bros. will run the fine steamer Hermosa today to Catalina, returning Tuesday evening to San Pedro.

The Rev. Dr. J. B. Stewart will preach this morning (Sunday) at the First Presbyterian church, at 11 o'clock. This is the last sermon the doctor will preach before his return to San Francisco.

A. B. Greenwald and Max Harris were yesterday denied motions for change of venue. They were arrested on warrants from Justice Austin's court on charge of selling lottery tickets.

J. C. Judson, of the excursion firm of J. C. Judson & Co., died on Friday at Pittsfield, Mass., from the effects of injuries received in an accident on the Erie railway two years ago. The body will be brought here for interment.

The C. L. S. C. readings for 1890-91 will begin October 1st, and the opening meeting of the Chautauqua circles of the city will be held at 7:45 p. m. next Friday, September 12th, at the Trinity M. E. church, on Broadway near Sixth.

R. Daniels was arrested at a negro religious camp meeting on San Pedro street last evening, on a charge of disturbing the peace. It seems that Mr. Daniels made himself unnecessarily numerous, and the consequence was his arrest.

Students are already coming, to be ready for Wednesday, the opening day of the Hanna Los Angeles college. This institution is deservedly gaining a wide reputation, and will have students this year from all directions. The prospect, Prof. Hanna says, was never better for a large and flourishing school.

A. B. Conrad is out for the important office of auditor, if the Republican party will so favor him. He is a capable young man of good habits. It is only right that the HERALD should say so and all Democrats can afford so to do, as he will be defeated by the Democrat he is so foolish as to run against. This is a Democratic year.

Tuesday, September 9th, being a legal holiday, the postmaster's office, money order and registry departments of the postoffice will be closed all day. The general delivery, stamp and carrier windows will be open from 9 a. m. to 10 a. m. only. There will be no mail delivered by carrier. The banks and public offices will be closed on both Monday and Tuesday.

Mr. Joseph F. Nuelle will be the tenor, and Mr. N. Laub the bass.

IN A BARREL.

Is Where a Grief-Stricken Mother Found Her Lost Boy.

Last night about 11:30 o'clock, in the neighborhood of Twelfth and Hope streets the people were aroused from their beds by a report that a boy named Jimmy Cummings, who had gone to the fire on Figueroa and Pico streets, had not returned home. Two other little fellows who were with him said he had started home after the fire at about nine o'clock. His mother was wild with grief, and a telephone message was sent to the police station, but the chief reported that no boy had been found.

Early this morning the boy was found in his mother's back yard, asleep in an old barrel. He had gone home and was unable to get into the house.

He is accompanied by his family and will hereafter occupy the handsome Potter place on Pearl street, between Seventh and Eighth.
