BRIEFS.

Prof. N. S. Arevalo has returned to the city and opened a musical studio in the Wilson block.

There are undelivered telegrams at the Western Union telegraph company's office for Los Gatos Canning company and John Redmond.

Business of great importance, in which every member of the Ladies' Annex should be interested, will take place at the next regular meeting, Sept. 29. It is desired that every member should be present. Election of officers Oct. 6.

At the opening social of the Illinois association next Tuesday evening a brief address by Rev. J. H. Collins will be sandwiched between the musical exercises. His subject will be "A Dream for a Chicken," being an account of a thrilling adventure in the mountains.

There will be a special service at the Church of the Angels, Garvanza, today, to commemorate the anniversary of the consecration. Holy communion, at 8:30 a. m., and afternoon service at 3:30 p. m. An omnibus meets the train on the Cross line, leaving Los Angeles at 2 p. m., conveying passengers to and from the church.

An elderly lady named Mrs. Putman was taken to the receiving hospital at half past two o'clock yesterday afternoon, for medical treatment, she having sustained severe bruises by accidentally falling down a flight of stairs in the Oddfellows' building, at the corner of First and Spring streets. After her wounds had been attended to by Police Surgeon Morrison, she was conveyed to her home by her friends.

The Southern California Pomological society will hold its next meeting at Rialto, a few miles east of San Bernardino, on the Santa Fe road, Thursday, October 2nd. Every fruit grower should try and be present at this meeting, as important papers will be read, and some of the wisest horticulturists have promised to be present and aid in the deliberations. A fine programme is prepared, and no one can afford to be absent from this interesting meeting. The citizens of Rialto will be prepared to entertain all visitors.

Dr. Ackerhulm's OLD RELIABLE DRUG STORE

116 S. MAIN STREET.

Adjoining Grand Opera House.

Will, from today, and hereafter conduct their drug business on the same basis as that which obtains in the conduct of other mercantile pursuits, viz: On as close a margin of profit as pure and genuine goods can be handled. We are convinced that a large business at a small rate of profit is far more satisfactory than a small business at large profits. We therefore intend to give the Los Angeles public the benefit of lower prices on everything in our line than has ever been offered here before. Please examine the appended price list, and note the sweeping reductions we make. Every article in our varied and complete stock of drugs, druggists' sundries and fancy goods, bears a corresponding reduction in price. Prescription filling a specialty. Purity and absolute accuracy always guaranteed, at rates fully one-third less than is usually charged.

4 MOTHERS, 10 CHILDREN.

These children are being brought up on Castoria. Read what the mothers say about Castoria. There is no opium, morphine or other narcotic substance in Castoria. The formula is printed on the wrapper of every bottle. It is perfectly harmless, pleasant to take and positively effective. Physicians prescribe Castoria, mothers give Castoria, and children cry for Castoria. It gives the child health and the mother rest.

"I certify that little Robbie Hale, of 108 Portland street, St. Paul, Minn., was born on the 21st of July from his birth until he was given Castoria. He began to improve from the first week's trial. His mother writes: 'My child weighs 15 pounds the day he was 7 months old; and when this picture was taken, Robbie's changed condition is perfectly evident. He weighs 30 pounds the day he is 10 months old, and is the best thing for babies I have ever known.'"

FANNIE MULLIN, Professional Nurse, 466 Millard Ave., St. Paul, Minn., Nov. 4, 1887.

"This is a picture of my twins, Charlie and William. It was taken when they were 3 1/2 months old. They weigh 16 pounds each. I am indebted to Castoria for their uniform good health."

MRS. HERMINE SCHULZE, 1629 Lexington Ave., New York, May 18, 1887.

"I enclose you photographs of my 'triplets,' 2 boys and 1 girl—Maggie, Ettie and Willie. I owe their health and strength to Castoria. It was through my neighbors' urgent appeals that I commenced its use, as my boys were thin and inclined to be sickly. At present they are fat and hearty. They weigh 3 1/2, 3 1/2, and 3 1/2 pounds, and are 2 months and 3 days old."

MRS. MARY KLINGNER, 726 Cortland Ave., New York, May 23, 1887.

"I enclose you photographs of my quartette, 4 girls. They are now 3 weeks old. The smallest weighs 10 pounds, the others 3 pounds. My other children have all gained health and strength from the use of Castoria, and I have already commenced giving it to my four little darlings."

MRS. ANNA DEGROOTE, Millbury, Mass., Nov. 15, 1888.
