BRIEFS.

The "Jo-Joes" were out in force last night. The canneries hereabouts are now running heavily on tomatoes.

The Rapid Transit is building a depot on Aliso street east of the river. The regular business meeting of the Crown Hill society will be held at 7:30 tonight at the Ellis college hall.

There are telegrams at the Western Union telegraph company's office for J. P. McCormick and T. Morhouse.

The court house upstairs and downstairs yesterday, was visited by large numbers of politicians "for revenue only."

It was asserted yesterday that "Jo Jo" had secured a Fifth ward's proxy and would assist in the Republican convention's deliberations.

The executive committee of the Pond Democratic club will meet at the St. Elmo hotel tonight, when business of importance will be transacted.

Hon. James V. Coleman and Walker C. Graves, the Democratic candidate for attorney general, will speak in this city on October 6th, at a political mass meeting.

Edgar Snell, the nine-year-old son of C. N. Snell, was on Sunday evening, run over by an express wagon on Wall street near Fifth, and one of his legs was broken.

A man from Florence, named Ruggles, was thrown from his wagon on Main, near Fifth street yesterday afternoon. His right leg was dislocated and several of his front teeth knocked out.

E. J. Esler, a butcher who kept a meat market on Beaudry avenue and Temple street, has disappeared since Friday. Esler has left his wife behind him. It is believed that he went east.

J. Lidell and F. D. Coster, two fourteen-year old boys, were arrested yesterday afternoon by Detectives Able and Bowler on the charge of burglarizing a fruit stand on Grand avenue belonging to a man named Tims, and stealing therefrom several boxes of cigarettes and other small articles. They were lodged in the city jail to await the arrival of their respective fathers, who were notified of their disgrace, and who subsequently held painful interviews with their wayward offspring, which it is to be hoped will have the desired effect.

The item in the Sunday morning papers recounting the complaint of an Englishman named Clark at the police station that he had been waylaid and struck by his son, reflected rather severely on young Clark, who is a respectable business man on Fifth street. The younger Clark is neither addicted to drink nor pugilism, as charged by his father. It seems by young Clark's statement that the elder Clark went home at a late hour, and finding himself locked out was in the act of breaking in the door, when the young man came along and remonstrated, and in the scuffle which ensued Clark pater had his face hurt, which caused him to apply at the police station for his son's arrest.

CHRONIC RHEUMATISM CURED. Robert G. Edger, of New York, writes: "I am a workman and upwards of sixty years of age. During the past two years I have suffered severely from rheumatism of the lower part of my back. My back ached without cessation, and at times I thought that I would be paralyzed. I procured two of ALCOCK'S PORTS Plasters and put them across the lower part of my spine. In twenty-four hours all pain had ceased. At the end of a week I put on two fresh ALCOCK'S PORTS PLASTERS, wore them ten days, then took them off, and washed my back with a little alcohol, which removed every trace of the plaster. It is now three months since the plaster cured me, and I feel very much stronger and better than ever before."

4 MOTHERS, 10 CHILDREN.

These children are being brought up on Castoria. Read what the mothers say about Castoria. There is no opium, morphine or other narcotic substance in Castoria. The formula is printed on the wrapper of every bottle. It is perfectly harmless, pleasant to take and positively effective. Physicians prescribe Castoria, mothers give Castoria, and children cry for Castoria. It gives the child health and the mother rest.

"I certify that little Robbie Hale, of 406 Portland Avenue, St. Paul was a thin, crying baby from his birth until he was given Castoria. He began to improve from the first week's trial. His taken 15 bottles; is perfectly well; weighed 30 pounds the day he was 7 months old; and when this picture was taken, Robbie's changed condition has caused many mothers to use Castoria. It is the best thing for babies I have ever known."

FANNIE MULLIN, Professional Nurse, 466 Portland Ave., St. Paul, Minn., Nov. 4, 1887.

"This is a picture of my twins, Charlie and William. It was taken when they were 5 1/2 months old. They weigh 16 pounds each. I am indebted to Castoria for their uniform good health."

Mrs. HERMINIE SCHULZE, 1629 Lexington Ave., New York, May 18, 1887.

"I enclose you photographs of my 'triplets,' 3 boys and 1 girl—Maggie, Petie and Willie. Love their health and strength to Castoria. It was through my neighbors' urgent appeals that I commenced its use, as my boys were thin and inclined to be sickly, and present they are fat and hearty. They weigh 8, 8 1/2 and 9 1/2 pounds, and are 2 1/2 months and 3 days old."

Mrs. MARY KLINGNER, 726 Cortland Ave., New York, May 23, 1887.

"I enclose you photographs of my quartette, 4 girls. They are now 2 weeks old. The smallest weighs 5 pounds, the others 3 pounds each. My other children have all gained health and strength from the use of Castoria, and I am convinced giving it to my four little darlings."

Mrs. ANNA DEGROOTE, Millbury, Mass., Nov. 15, 1888.

Dr. Ackerly's OLD RELIABLE DRUG STORE

116 S. MAIN STREET., Adjoining Grand Opera House.

The result of our first week's business at POPULAR PRICES, far exceeds our expectations. A square dealing drug store is something of a novelty here in Los Angeles, but from the way the people crowd our store all day long, it seems that novelties in drug dealing are as readily appreciated here as elsewhere.

But what makes us smile is the frantic and floundering efforts being made by certain faking concerns to pose as the friends and champions of the "people," and try to make it appear that we have been forced to break away from some alleged deep, dark and "damnable" conspiracy that has hitherto existed among the druggists of the town.

Faking a few bottles of patent medicine below cost—"bazar" concerns, who know no more about drugs than they do about honor and decency, will never reform the abuses in the drug business.

What we started out to do and WILL DO, is to furnish DRUGS and MEDICINES at the same prices they are supplied at in New York and other Eastern cities. This policy has been inaugurated by the present management because it is good business policy to sell on as close margin of profit as possible. If there is any such thing as a "Union" to maintain high prices as alleged, then so much for the "Union" for the Union. We are in the DRUG business, and in it to stay. Our line of merchandise includes the patent medicine-drugstore necessities that legitimately belong thereto. We sell these goods far below the prices regularly charged in this city, and we will continue to SELL ANYTHING BELOW COST, to mislead the public. We shall allow the "bazar" fakir, with his patent medicine-drugstore attachment a monopoly in that field.

We have not space to give prices of more than a few articles which we handle, but everybody knows what constitutes a drug store stock, and our reduced prices extend to everything.
