Hon. J. V. Coleman is at the Nadeau. Thomas Addison of New York is at the Hollenbeck. Joseph Goldthorp, of San Diego, is at the Hollenbeck.

what an excellent record that officer made under Kays' administration. Sanchez had the entire confidence of his chief. Then he went on the police force, and although the chief differs from Sanchez politically, yet the officer has so approved himself in the performance of his duties that he enjoys the confidence of the head of the office to the fullest extent. Sanchez is experienced, he is diligent and he is honest. There is no blot on his record any where.

ANNOUNCEMENTS.

For County Surveyor, L. FRIEL, Of Redondo, is a candidate for county surveyor, subject to the action of the Democratic convention which takes place October 7.

For Township Constable, V. L. SANCHEZ Will be a candidate, subject to the decision of the Democratic convention.

BRIEFS.

There are numerous kicks registered about the neglect of their work by the street sprinklers.

The Democratic mass meeting will be held at Turnverein hall this evening. Hazard's pavilion has been erroneously mentioned as the place.

At the Illinois Association social next Tuesday evening, besides a good programme of music and elocution, there will be a speech by Rev. J. H. Phillips, of the East Side, on the motto of the association, "Faith, Hope and Climate."

Mr. S. Nicoletti, who is a candidate for township constable, before the Democratic convention, is the only Italian citizen who ever asked for political preferment in Los Angeles. Mr. Nicoletti has also been endorsed by the French club of this city.

The Historical society of Southern California will hold its regular monthly meeting in Judge Austin's court room, at 7:30 this evening. Mr. H. D. Barrows will read a paper on the life and services of John C. Fremont. The president of the society, J. M. Guinn, will read an historical paper, entitled: "Myths that pass for history."

The Ticket Will be a Good One. Tomorrow the Democratic convention will meet in this city. The ticket, put up will be a big surprise to the Republican party. There is not a hungry horde of professional political pug suckers after local office, but the party is out after first class men to fill the offices, and the search has been rewarded. Take a few examples of those who have been induced to come before the convention. Remember, these are all busy men engaged in professional or other pursuits who consent to serve the people for the people's sake. Dr. Kurtz will probably be the candidate for treasurer. W. H. Workman may be the man to beat Judge Carpenter for the senate. W. U. Masters will stand in for county clerk. Ed. Gibson and A. McNally will come up for sheriff. Let us look at the last named as a sample. McNally has been here for a dozen years. He came here a poor man, and by constant and close attention to his business he has placed himself in comfortable circumstances. He has proven his capacity for business in the most unmistakable manner. And of all the great blocks he has built there has not been one word of complaint from the owner of one. He is honest as well as capable. Such are the men who will be put up.

His Friends Want Him. A host of good Democrats who want to see the ticket won have secured the consent of V. L. Sanchez to present his name for the office of township constable. This is a specimen brick of the material out of which the ticket will be built. The office is an important one, and only one thoroughly honest and competent man should be nominated for it. There are many good names to go before the convention. Mark Mr. Sanchez' record. He was one of Mr. Kays' most trusted deputies in the sheriff's office. The people know
