CONSUMPTION Can be Cured.

THE ABOVE ASSERTION IS BEING VERIFIED every week by those who are being treated by M. HILTON WILLIAMS with his Medical Inhalations and the Compound Oxygen Treatment for diseases of the head, throat and chest. Patients come from all parts of the country for treatment, as will be seen by the following table: September list, out of the 390 patients then under treatment, were from the following states and in Los Angeles, 97; Los Angeles county, 56; California outside Los Angeles city and county, 120; Oregon, 20; Washington, 10; Arizona, 20; Minnesota, 3; New York, 6; Illinois, 4; Texas, 10; Missouri, 15; Canada, 10; England, 2; Australia, 1; Kansas, 5; Indiana, 3; Michigan, 2; Nevada, 1. Total, 390. Occupation on the following: Total, 390. Ministers, 25; lawyers, 40; bankers, 14; farmers, 90; musicians (vocal) 30; musicians (instrumental) 20; doctors, 20; tailors, 14; millers, 30; railroad, 19; students, 13; teachers, 25; laundrymen, 6; real estate agents, 15; bakers 5; ex-soldiers 4; other professions, 20. By the employment of proper inhalations in the form of medicated vapor (not steam or spray) we are able to produce immediate and direct action upon the diseased surface in the pharynx and the nasal passages, for air will find its way into the remotest and inaccessible cavities, where it is utterly impossible to make fluid applications. By these means nearly every case of catarrh, throat disease, bronchitis and the early stages of consumption can be permanently cured. Persons desiring treatment by this system of practice can use the remedies at home as well as at our office, and which will cause no inconvenience or hindrance from business whatever. I have seen so many of these cases cured that I do not consider any case hopeless unless both lungs are seriously involved. Even then the Compound Oxygen and other Inhalations aid us in dissolving the mucus and in contracting and healing the cavities, which nothing else can do with the same success. The very best references from those already cured.

CONSULTATION FREE. Those who desire to consult with me in regard to their cases had better call at the office for an examination, but if impossible to visit the office personally can write for a copy of my medical treatise, containing a list of questions.
