

DAILY HERALD. PUBLISHED SEVEN DAYS A WEEK. JOSEPH D. LYNCH, JAMES J. AYERS. AYERS & LYNCH, PUBLISHERS.

Democratic State Ticket. (Election, Tuesday, November 4, 1890.) FOR GOVERNOR, EDWARD B. POND, San Francisco.

District Nominations. FOR CONGRESSMAN FROM SIXTH DISTRICT, W. J. CURTIS, San Bernardino.

WEDNESDAY, OCTOBER 29, 1890. Hon. S. M. WHITE is making a very vigorous fight up north for the state and legislative tickets.

The McKinley tariff schedule and Blaine's reciprocity hobby cheated Los Angeles county out of two beet-sugar factories.

The Republican government of state and county for the past four years has been the most corruptly wasteful that ever has been known in California, and Los Angeles.

To vote the Republican legislative ticket is to vote power into the enemy's hands to jerry-mander the state for two years to come in districting it for legislative and congressional purposes.

To vote for the Republican legislative ticket is to vote for less fitting men than the Democratic nominees. It is also to vote for a Republican United States senator who relies on "boodle" mainly for his election, and whose "boodle" is furnishing the means to defeat our county and state ticket.

The man who votes the Republican ticket next Tuesday will be voting side by side with a lot of hirelings who have sold their manhood and the free institutions of their country for a meal of victuals.

UNDER the extravagant Republican regime that has cursed the county for four years, all the departments of government swarm with a gang of useless hangers-on—mere loafers, who live like fighting cocks at the public expense and render no services in return.

DAN BURNS, a defaulter to the state in the sum of \$31,000, is the man who nominated Col. Markham, and it is he who is making the fight for the Republican ticket. The state is not safe in the hands of thieves.

We reproduce from the Louisville Times an article commendatory of Judge Knott, one of the Democratic candidates for superior judge in Los Angeles county.

RESPECTABLE people will vote for T. E. van for supervisor and scratch off name of E. A. Forrester, in whose behalf the low trick was played of distributing a "snipe" with his card on rough the circulation of the HERALD, bribing the small boys who serve the city subscribers.

ELSEWHERE Mr. H. W. Hellman corrects a ridiculous canard to the effect that his brother, Mr. I. W. Hellman, president of the Bank of Nevada, was coming down to Los Angeles to take a hand in the fight for county treasurer

here. As a matter of fact, that gentleman has never had the slightest intention to mix in our local contest. The rumor was doubtless started to enable the Republicans to raise a local sack.

GOLDSWORTHY AND MARKHAM. In 1884, when Markham was a candidate for congress, it was charged against him that he had employed Chinese in the Oro Grande mine.

Recently this letter has been reprinted all over the state, to weaken the force of the old pard letter, and also the force of Goldsworthy's antagonism to Markham. The reproduction of this letter will deceive none but the most easily gulled.

A Ventura county farmer writes that from 350 prune trees, standing on about three acres of ground, he dried last summer ten tons of prunes, which sold for eight cents per pound.

Parrots and Burglars. We can easily believe that some parrots are as good as policemen. Not long ago two young men sold a parrot to the wife of a night watchman in New York.

Half and Half. Monday morning a curious looking dog came over the bridge and trotted down the street with a bashful grin on his dirty face as if on exhibition.

A Bright Jury. Daniel O'Connell was at one time defending a man accused of murder at Clonmel. The circumstantial evidence was so strong against the prisoner that the jury had already determined upon their verdict of guilty, when the man supposed to be murdered was brought into court, alive and unharmed.

Headache from the Nose. Headache is also sometimes due to troubles within the nose and ears. Every one knows that a pain in the forehead is a very constant symptom of a common cold, in which the nasal passages are involved.

TRUTH WILL PREVAIL. Even About a Long Beach Political Meeting. Accuracy in political matters is not apparently a consideration in the political department of the Times.

IN FOUR years the Republican party has forced taxes in Los Angeles county from \$400,000 to \$1,500,000. There is nothing to show for the expenditure of all this sum annually.

Speaking Head of Brass. Upon the authority of several passages in history we are led to believe that famous wizards, magicians and astrologers have constructed not less than six brazen heads which possessed all the faculties of speech.
