

RAILROAD RUMORS.

Gould's Hand in the Union Pacific.

President Adams Almost Sure to Resign.

The Board of Directors to be Reorganized Within Ten Days.

The Rockefeller Said to Have Secured Control of the Northern Pacific.

Associated Press Dispatches.

New York, Nov. 20.—President Adams, of the Union Pacific, and President Hughitt, of the Northwestern, have been in this city since Tuesday, and it is said some important developments will soon occur.

New York, Nov. 20.—The World says: The greatest piece of news in Wall street is that John D. and William Rockefeller, the Standard Oil magnates, have acquired control of the Northern Pacific railroad, which practically means the ousting of Henry Villard. They are known to have been heavy buyers of Northern Pacific preferred during the late decline in values.

New York, Nov. 20.—The World says: The greatest piece of news in Wall street is that John D. and William Rockefeller, the Standard Oil magnates, have acquired control of the Northern Pacific railroad, which practically means the ousting of Henry Villard. They are known to have been heavy buyers of Northern Pacific preferred during the late decline in values.

WALL STREET.

Stocks Close Dull and Heavy Near the Dullest Figures. WALL STREET, Nov. 20.—Stocks opened strong with gains of one to three points. A few stocks made further slight gains in early trading, but the natural reaction set in, and before the end of the half hour there were fractional declines.

Stocks advanced slight fractions farther after 12 o'clock, but this improvement was then checked and considerable pressure was brought upon the list, with the result of driving prices down to the lowest level of the day.

Money was easy throughout the day and silver showed some improvement, and resistance in the general list was stubborn, having the effect of maintaining most of the list outside grangers at about last night's figures, and final changes tonight show a majority of advances; close, however, was dull and heavy at close to the lowest prices of the day.

EMBARRASSED BANKS.

Barker Brothers & Co., of Philadelphia, Go to the Wall. PHILADELPHIA, Pa., Nov. 20.—The failure of Barker Brothers & Co., bankers and brokers, was announced in the stock exchange this afternoon, and had a depressing effect on the market.

This is Wharton Barker's firm. They are largely interested in Reading securities, Oregon Pacific bonds, and Baltimore and Ohio. They had a small line of deposits. The firm of late had been doing very little business through the stock exchange. An assignment was made to Edward Mellor, son-in-law of Wharton Barker. The suspension, it is said, is not much of a surprise to the well-informed, as the firm's credit has been poor for two months. It is said their liabilities will be \$3,000,000, but the creditors are not numerous.

The suspension is said to have been brought about by a shrinkage in the value of securities, and banks calling in loans. When the announcement of the suspension was made, the stock of the Finance Company of Pennsylvania, of which Wharton Barker is president, fell from 98 to 60, but it is authoritatively stated that the company is in a position to pay every dollar they owe. The firm of Barker Brothers has been established for fifty-three years.

Essary for the protection of our customers.

Among the railroad investments which probably caused them heavy losses, are Ohio and Northwestern, San Antonio and Arkansas Pass, Oregon Pacific, and Charleston, Cincinnati and Chi. ago.

Run On a New York Bank. New York, Nov. 20.—The run begun on the Citizens' Savings bank yesterday was continued this morning. Before 9 o'clock 1600 excited Poles had gathered in the vicinity. Some paraded up and down the neighborhood all night. President Quintard expects the run to continue today and tomorrow. He says the bank is ready to meet it.

The bank has not yet made use of its privilege of claiming ninety days, but is likely to do so if the run continues several days. No reason is known for the run.

The crowd became so great that it was necessary to call out a squad of police to get them in a line which extended out to Canal street and down to Elizabeth. The depositors were then admitted in squads of fifteen. Offers of assistance from other banks were declined. President Quintard said it would take a week to settle with the depositors in today's line.

UNEASY DEPOSITORS IN NEWARK.

Newark, N. J., Nov. 20.—A bigger crowd than on the two previous days, chiefly women, gathered this morning at the Howard Savings bank this morning, long before the bank opened. Many business men made deposits to allay the feeling of suspicion. President Frelinghuysen says he has plenty of money to pay off the depositors, and if every depositor withdrew, the bank would still have over \$50,000 left. The business community is not worried by the run on the bank.

THE HARVESTER TRUST.

The Farm Implement Manufacturers Form a Big Combine.

CHICAGO, Nov. 20.—The American Harvester company, incorporated yesterday, will absorb a number of other firms, including most of the important manufacturers of farm machinery. The new company will employ 50,000 men, and have an output of 100,000 machines a year. It will divide the country for business purposes into eastern, central and western divisions, with a manager for each.

The capital stock of the company is \$35,000,000. Among the directors are Cyrus H. McCormick, William Deering, Walter A. Wood, Lewis Miller, A. L. Conger and A. O. Bushnell.

A PLATFORM FOR FARMERS.

The Mutual Benefit Association Formulates its Creed.

SPRINGFIELD, Ill., Nov. 20.—The Farmers' Mutual Benefit National association today agreed to resolutions demanding a revision of the patent laws; the abolition of the national banking system; that the circulating medium be confined to gold, silver and copper coins and United States treasury notes; favoring the loaning of money by the national government to citizens, in sums not exceeding \$1000 to any one person and properly secured, at interest not exceeding 4 per cent. per annum; favoring the issue and sale at par of United States bonds of \$10, \$20, \$50 and \$100, bearing 2 per cent. interest, and redeemable at the option of the holder and the government.

The resolutions further demand the regulation of corporations by law; favor the election of the president, vice-president and United States senators by popular vote; oppose civil service laws, and fix the tenure in office of United States judges not to exceed nine years. The election of postmasters and railroad and warehouse commissioners by popular vote is also urged. Pensions to soldiers and sailors are approved, and the revision of the government officials' salaries is recommended, as is also the reduction of taxation on necessities and conveniences, and the regulation of immigration and the manufacture of adulterated foods.

FOREIGN MONEY MARKS.

The Bank of England Does Not Change the Rate of Discount.

LONDON, Nov. 20.—The regular meeting of the directors of the Bank of England today made no change in the rate of discount. The rate of discount in the open market is nominally seven per cent.

At 12:30 p. m. the stock market was better all around, and it was believed the worst is over, although it was thought sharp fluctuations were inevitable. Prices, compared with last night's close, showed decided advances in American securities.

At 3 p. m. consols for money and account showed an advance of 3 1-16. Stocks were very firm; bears were closing accounts. Prices at the close of the stock exchange, compared with the prices at 12:30, showed fractional advances on American securities.

The amount of bullion gone into the Bank of England on account today was \$262,000.

PARIS, Nov. 20.—The weekly statement of the Bank of France shows a decrease in gold of 80,851,000 francs, and an increase in silver of 2,975,000 francs.

BUENOS AYRES, Nov. 20.—After falling to 204 today, the premium on gold advanced, and at the close was 212.

MONTEVIDEO, Nov. 20.—The financial panic has subsided.

A Sleek Bank Swindle.

ROCHESTER, N. Y., Nov. 20.—Moses S. Mark, formerly employed at the Flour City National bank, telegraphed the National Bank of Commerce, New York, to send \$25,000 in currency, and signed the name of the cashier. This morning he went to the express office, got the money and decamped. Mark had heretofore borne a good reputation.

A BIG BOODLE.

The Public Administrator Files His Complaint

In the Matter of the Estate of Daniel J. Harris,

Against Dr. A. S. Shorb, His Wife, and Several Others.

He Alleges That They Conspired by Undue Influence to Cheat the Deceased Out of a Large Sum of Money.

Yesterday D. W. Field, administrator of the estate of Daniel J. Harris, deceased, filed in the superior court his complaint against Dr. A. S. Shorb, Mattie L. Shorb, his wife, the Los Angeles County bank and three other defendants, whose names are unknown to plaintiff. The document recites that Daniel J. Harris died intestate on the 18th of August, 1890, leaving a large estate, and that D. W. Field, the public administrator, was by the court appointed to administer upon decedent's estate.

The complaint further alleges that on May 13, 1890, Harris placed in Mattie L. Shorb's hands \$500, and on the 3rd of July \$1288.25 more, and plaintiff avers that these sums were only placed in her hands by the deceased as his agent and merely for safe keeping, to be returned whenever demanded. Mrs. Shorb deposited the money in the Los Angeles County bank in her own name. In July Harris deposited in a bank in the state of Washington \$25,000, for which he received certificates of deposit. These, plaintiff claims, the deceased also placed in the custody of Mrs. Shorb merely for safe keeping. On the 18th of August Dr. Shorb and wife placed the certificates in the Los Angeles County bank for collection, and soon after collected the whole of this sum, together with interest thereon at the rate of five per cent. per annum, and placed it to the individual credit of Dr. A. S. Shorb in the same bank. Mr. Field, on information and belief, alleges that by so doing Dr. and Mrs. Shorb acted wrongfully, unlawfully and fraudulently, in order to cheat, wrong and defraud the estate of the deceased. The administrator believes that said sum of \$25,000 is still on deposit in the Los Angeles County bank, but affiant does not know the name of the person in whose name it is deposited there. Defendants Shorb claim that the sum of \$500 and \$1288.25, and the certificates of deposit, were gifts made by Harris, but the administrator claims that the deceased never received any consideration, nor did the Shorbs ever pay or give anything of value to Harris on account of the money so deposited. The plaintiff further alleges that Harris was of unsound mind and grievously ill prior to and when making the alleged gifts to Dr. and Mrs. Shorb. That he was in the same mental and physical condition after the pretended gift. Consequently, so Mr. Field alleges, Harris was incompetent to make any gifts whatsoever, and too weak to resist the importunities of these defendants, of which facts the Shorbs were well aware. The complainant, on information and belief, charges defendants Shorb with conspiracy in having entered into a scheme together whereby they agreed that they would take advantage of Harris' illness, to work themselves into his confidence and place him under their control, so as to induce him to make gifts to them and to trust them with the management of his business affairs, after which they would convert to their own use all of the deceased's money and property which they might be able to thus convert.

In pursuance of this scheme, so the plaintiff is informed and believes, Mrs. Shorb assumed control of deceased's household, and soon after, when Dr. Shorb began to visit him too, both had the direction of Harris' household until the latter's death, all without compensation and out of pretended sympathy. To further this plan, Mr. Harris' physician was dismissed and Dr. Shorb substituted. According to the complaint, the doctor, in order to weaken Harris' mind and will power, supplied him with intoxicants of which he drank to excess. The three defendants, whose names are unknown, are alleged to be parties who conspired with the Shorbs, to aid them in concealing the \$25,000 and interest collected in Washington, so as to prevent the plaintiff from obtaining possession thereof, and those same unknown persons are claimed to be passing the money from hand to hand, in order to prevent plaintiff from ascertaining where it is kept, or in which form it is deposited or placed.

It is also alleged that defendants Shorb have in their possession papers, documents, effects and certain personal property of deceased, and that those have not been turned over to the administrator, notwithstanding his repeated demands.

Plaintiff demands that an account be taken of all dealings and transactions had between the Shorbs and Harris from May 1, 1890, until the death of the latter; that they be ordered to pay into his hands the sum of \$26,788.25, and all other amounts which shall appear due the estate by them, over and above the mortgage for \$4000; that some proper person be appointed receiver, to take possession during the pendency of this action of all said money and property. In conclusion, an injunction is asked to prevent them from interfering, meddling with, expending or appropriating to their own use, any of the property of the deceased, now in their possession. An attachment, for which plaintiff gave a bond of \$1000, was issued for the papers, goods and chattels alleged to be in defendants' hands, and the Shorbs, possession. Judge Clark also issued an injunction against all of the defendants, commanding them to refrain from disposing of the property and effects of said Daniel J. Harris, deceased. The undertaking given by Mr. Field on this injunction is for \$5000.

HERMAN SILVER

Talked of as a Councilman Candidate in the Fifth Ward.

The Republicans of the Fifth ward are trying to induce Hon. Herman Silver to become a candidate for the council. Mr. Silver, however, has distinctly refused, but some of the residents of his ward hold that he can be made to change his mind. Mr. Silver, who until recently was treasurer of the Santa Fe system in California, is a gentleman of national reputation for ability and integrity. He has held numerous positions of great responsibility, and stands among the

highest rated members of his party. Mr. Silver has not taken any part in politics since his arrival in Los Angeles, and it is not at all probable that he will be a candidate now. The effort to secure him, however, does credit to his fellow-wardmen and his party.

ELECTION RETURNS.

Official Totals as Received from the County Clerk.

Yesterday the clerks who are footing up the total vote cast for each candidate at the late election, gave the result of their work to a HERALD reporter. These returns include the votes received, from county clerk to city justices of the peace inclusive, and are as follows:

Good Government and Fair Play is Our Motto.

EDITORS HERALD: Some unfavorable remarks were published in yesterday's papers concerning Chief of Police Glass. Chief Glass readily sent me to precinct B of the Eighth ward as soon as possible after he was informed of trouble down there, and the men he sent were active and true. Officers Farmer and Bosqui deserve credit for their zeal and activity. I am fully satisfied that Chief Glass did his best, and was anxious to have his men do their duty. Yours truly, J. C. C. HARRIS.

A Fatal Mistake.

Physicians make no more fatal mistake than when they inform patients that nervous headache troubles come from the stomach and are of the essence of indigestion. Dr. Francis Miles, the noted Indiana specialist, has proven the contrary in his new book on "Heart Disease," which may be had free of charge from Dr. Miles, who guarantees and recommends Dr. Miles' nervous and organic heart disease, short breath, fluttering, pain or tenderness in the side, arm or shoulder, irregular pulse, fainting, smothering, dropsy, etc. His Restorative Nervine cures headache, fits, etc.

DELIGHTFUL COMPLEXION EFFECTS

May be produced by the use of Mrs. GRAY'S EGG-NUT ENAMEL and her ROSE BROOM. The complexion and color are made perfect, and the closest scrutiny could not detect one particle of powder or the least indication of artificial color. I will stake my reputation that on any face I can give the most delightful complexion of powder with Egg-nut Enamel and Rose Broom, and that no one could possibly tell that the complexion or color were artificial. This is the best of cosmetics. They are each more harmless than any other cosmetic in the world, because they are each dissolving in their nature and thus does not clog the pores.

When using these superb cosmetics you may wipe the dust or perspiration from the face with their delicate beauty. They remain on all day, or until washed off.

Price of each, \$1; the two sent anywhere for \$2. For sale by all druggists. F. W. Braun & Co., wholesale agents, Los Angeles.

Would rather be without bread than without Pastor Koening's Nerve Tonic.

The Rev. J. Koschall of above place writes: I have suffered a great deal, and whenever I feel now a nervous attack coming I take a dose of Pastor Koening's Nerve Tonic and feel relieved. I think a great deal of it and would rather be without bread than without the Tonic.

Cured entirely after 12 years! TONAWANDA, Erie Co., N. Y., Febr. 1889. My daughter had fits from birth since 12 years, sometimes 3 to 4 attacks within 24 hours without any warning; during these spells her thumbs would be cramped toward the inside of her hands, her mouth be drawn sideways, her neck would swell up, and her face assumed a bluish color, this would last from 10 to 15 minutes after which she would be drawn up for about 5 hours.—We tried many remedies without any improvement, but 6 bottles of Pastor Koening's Nerve Tonic cured her at last; we therefore commend this remedy to all sufferers.
