MEDICAL.

CATARRH,

Throat Diseases, Asthma, Bronchitis and Consumption Successfully treated by M. HILTON WILLIAMS, M. D. 137 S. Broadway, Los Angeles, Cal.

By his Aescran system of practice, which consists of proper Massage, Inhalation and COMPOUND OXYGEN TREATMENT. Probably no system of practice ever employed has been so universally successful as the Aescran system of practice as introduced by Dr. Williams for the cure of Catarrh, Throat Diseases, Asthma and Consumption.

CATARRH.

Catarrh is often regarded by the patient as a cold in the head, and he often expresses his astonishment at his remarkable tendency to contract fresh cold. Indeed he declares that he is scarcely free from one cold before he takes another, and he is always exceedingly careful; it is also a matter of surprise to him that the cold always seems to settle in the head and throat.

At times many of the symptoms of catarrh seem to abate, and the patient is led to hope that the disease is about to wear off; but another class of symptoms soon appear and he learns to his horror, that instead of recovery from the disease, it is somewhat changed in its character and has extended to the throat. A sense of weariness is sometimes felt in reading, speaking or singing; at times occurs, a sensation of dryness is felt in the throat, or it appears that some foreign substance, as, for instance, a hair, obstructs the throat; there becomes a sense of languor and fatigue; the breath lessens on a little exertion, short, hacking cough, a peculiar sound in clearing the throat, a feeling as though there was not room enough in the chest to breathe; these and other symptoms occur after the disease has made considerable progress. Then it is a time when consumption is about to begin its deadly work. Up to this time the progress of the disease may have been slow and the patient may, in expressing his confident hope that it will "wear off," declare that he has had the catarrh for years and has not seemed to become much worse, and trusts that he will "buy and by" recover. But this delusion is the grand error which has peopled our cemeteries with consumptive forms, as all forms of catarrh end finally in consumption.

Those who desire to consult me in regard to their cases had better call at the office for an examination, but if impossible to visit the office personally, can write for list of questions and circular, both of which will be sent free of charge. DR. WOH, THE CELEBRATED CHINESE PHYSICIAN, A Regular Practitioner of Chinese Doctoring.

Having practised medicine in China ten years and in the United States fourteen years. His testimonials of positive cures are on exhibition, and speak for themselves. He knows diseases from the heart pulses, and can cure and diagnose the same without questioning his patients!

A trial will convince the most sceptical. Consultation is free. All who are sick, and those who think they cannot be healed, call upon the doctor, and they will be grateful beyond anything before tried. If friends are sick, no matter what the disease may be, send them to the doctor, and he will surely heal them.

Dr. Woh asks nothing and claims nothing but a fair trial, and if given that he knows he can overcome sickness and disease of both men and women.

No person will be treated by Dr. Woh who will not abstain from alcoholic liquors or opiates during his charge, and no medicine will be used but pure herbs and their best extracts.

Dr. Woh is the oldest and best known Chinese doctor in Southern California, and his cures have been remarkable, especially female troubles, tumors, etc.

Call upon Dr. Woh and let him examine you. OFFICE, 233 W. FIRST ST., (Next door below the Times Building). 12-18-1m LOS ANGELES, CAL.
