PASADENA.

Stedman Clark of Worcester, Mass., arrived in town yesterday morning and will remain some time. Mr. Clark has traveled extensively through the south and west, but thinks Southern California the finest country he has yet seen.

B. O. Kendall left yesterday for San Diego on a short business trip. Hancock Banning and bride have returned from their trip to the east.

Today the Raymond party travelling through Mexico will reach Los Angeles, and some of the tourists will remain at the Raymond, the balance going on to Coronado.

Mr. and Mrs. Owen, who have been spending some time at the Raymond, have gone to San Diego. The commissions of Captain A. L. Hamilton, First Lieutenant James H. Campbell and Second Lieutenant N. S. Baughman, of company B, have been received.

Company B held its regular weekly drill last night. The company will move into its new quarters the first of next week. If the city council wants the thanks of the entire town, it can easily obtain said thanks by at once passing the ordinance prohibiting parades with music after 5 in the afternoon.

To be sure the hearts of the noble warriors who make their headquarters at the sanctuary on North Fair Oaks avenue would be broken at being compelled to abstain from their customary evening war dance, but they will recover. The citizens who are rapidly sinking into a comatose condition will not, unless the army is squelched.

P. A. V. Van Doren leaves tomorrow for San Francisco, where he expects to join a party of friends and go east with them by way of Panama. Judge Van Doren expects to return to this state after making his eastern trip.

Orrin Hayes was thrown or fell from a buckboard while driving up from the Santa Fe freight depot yesterday. He was insensible when found, and taken home, and on recovery was unable to remember how the accident happened.

The regular monthly business meeting of the Y. M. C. A. will be held tonight at 7:30 in the reading room of the association in the Fish block. The working committees will make their reports for the month. A full attendance is desired.

PRAYERS FOR RAIN. Bishop Mora Issues Instructions for Their Observance. Francis Mora, bishop of Monterey and Los Angeles, at Salinas City, on the 20th instant, issued the following order to the Catholic clergy and community of his diocese:

DEAR IN CHRIST: Whereas, there is danger that for want of rain the labors of our farmers may be deprived of their reward, to the detriment of the poor, we thought it a part of our duty to have recourse to the "giver of every good gift" for our much needed relief, through the prayers of the church.

Trusting, therefore, in the promises of Him who never despises the supplication of a contrite and humble heart, we ordain: First—From the receipt of this until the last day of April, whenever the rubrics permit it, the prayer for rain be said in the holy sacrifice of mass.

Second—The litanies of the saints as in the Roman ritual—ad preteram pluviam—be received every Sunday after Parochial mass.

Third—The litanies of the Blessed Virgin and prayer of Saint Bernard Memorare be recited in all our schools every day, in the afternoon before dismissing.

Fourth—That on the Sunday after obtaining sufficient rain, after the parochial mass, the prayers be said pro gratiarum actione, as in the Roman ritual.

The reverend pastor will read this our disposition to the faithful, exhorting them to join in the prayers of the church; to employ Sunday and holy days in a Christian manner, and to use the gifts of God's providence in such manner that may be acceptable to Him.

FRANCIS MORA, Bishop of Monterey and Los Angeles. Salinas City, Jan. 20, 1891.

Having been sick for about one year with kidney and bowel complaint and anxiety of mind, and failing to derive any benefit from doctors in the East, I resolved to try Dr. Hong Soi. I had, after using his medicine for about two weeks, I am entirely cured. H. H. BEES, December 31, 1890. 218 Third Street, Southwestern Lodging House.

One year ago I was taken sick. Dr. Hong Soi cured me of a spleen, liver, stomach and blood disease in four weeks. I have been perfectly healthy and have worked hard ever since. November 23, 1890. L. HOY, 820 Main Street, Dallas, Tex.

For three years I was a sufferer with rheumatism and kidney disease, and was unable to walk; was terribly bloated and suffered excruciating pains. Five doctors have treated me before and failed to benefit me; have given me up as incurable. I was recommended to Dr. Hong Soi's treatment. Glad I went to him; he cured me in two weeks' time. W. M. GOBLE, 101 1/2 First St., Oakland House.

For six months I was troubled in my lungs, kidneys and with rheumatism; been tried by several doctors, did not do me any benefit. Tried Dr. Hong Soi, taking his medicine, in one day I was feeling better and improved every day, and he cured me in three weeks. I wish those who are sick would try Dr. Hong Soi. Yours truly, Residence, Santa Monica, Fifth St., December 29, 1890. A. C. DOMINGUES, San Pedro, Cal., Jan. 3, 1891.

Having been sick for seven years with kidney and heart trouble, also rheumatism, I tried several doctors; they failed to benefit me. A friend recommended Dr. Hong Soi. I went to him, and in three weeks he effected a permanent cure, and I cheerfully recommend all persons suffering from those diseases to give Dr. Hong Soi a trial. Most reverently yours, D. BRUNS.
