ARE YOU ALL READY? THE FIELD DAY SPORTS OF THE LOS ANGELES ATHLETIC CLUB.

The Athletes Prepared to Break Club Records—A Splendid Field of Starters and Exciting Contests Promised.

The very much anticipated sports of the Los Angeles Athletic club take place tomorrow afternoon at the Agricultural park. The interest developed in these contests is something unprecedented in the history of amateur sport of Southern California.

Perovial is best known to bicycle fame, in which department of sport he has won many laurels. He is showing up splendidly as a sprinter, however, and the man who beats him will about land the medal.

Thomas McAleer is known to be very speedy and his friends are confident of his ability to breast the tape first. He is a very pretty runner and apparently has had considerable experience on the cinder path.

Barney Benjamin was formerly a member of the Olympic club, of San Francisco. During the years 1883, 1884 and 1885 he competed in nearly all the amateur games held in San Francisco, and showed himself to be a fair all around man.

It is over four years since he has taken part in athletic sports, but as he is still quite young, he should at least show up as well as when he was in his teens.

The bicycle races will be worth going a distance to see. Burke, the Ingleswood flyer; Shrode, the Monrovia cyclone, and Allen, the Los Angeles whirlwind, will battle for supremacy both in the half mile and the mile bicycle races. The half mile safety will bring together E. Woodworth, Singleton, W. A. Tufts, J. Koen and D. S. Burke. Tufts has made some excellent trials. Bob Woodworth has also reeled off some very fast quarters.

The jumps promise to bring out some good men, and several of the contestants expect to break the best previous club records.

The athlete securing the greatest number of points throughout the competition will be awarded the elegant medal, emblematic of the all-round championship of Southern California. The medals and officers' badges are now on exhibition in the window of Stoll & Thayer.

Secretary Thayer has arranged the order of the events as follows: 100-yard open; half-mile, bicycle; 100-yard club; hurdle race; putting shot; 220-yard dash; running wide jump; 1 mile, bicycle; 1 mile run; hop, step and jump; 1 m. walk; half mile run; high jump; half mile, safety; one-quarter mile run.
