DON'T TAKE

Medicines that pretend to do the work of S.S.S. The effects of S.S.S. are most of them are worse than the diseases they pretend to cure. There is but one permanent cure for contagious blood poison, and that is to be found in S.S.S. And it is the only medicine that will permanently destroy the effects of MERCURIAL and POTASH POISONING. It is a purely vegetable remedy, entirely harmless, and yet it is the most potent blood purifier ever discovered.

Dr. Liebig & Co., proprietors of the Liebig World Dispensary of San Francisco, Butte City, Mont., Kansas City, Mo., have had twenty-five years' special practice in San Francisco. PASADENA.

The police made a raid Saturday night on a gambling establishment in Chinatown, and captured nine celestials and a complete outfit. Six of the prisoners gave bail, and the other three spent Sunday in jail. The case will come up for a hearing today.

Pete Steil and wife spent yesterday at Redondo. Rev. Mr. Fife assumed the pastorate of the Presbyterian church yesterday.

The water directors will hold an important meeting this evening. Company B will hold a regular weekly drill tonight.

Mrs. W. E. Arthur spent yesterday at Redondo. There will be tableaux vivants at the opera house tomorrow evening. The proceeds will go toward defraying the debt of All Saints church.

The new trail was traversed by a number of people yesterday. D. W. Kyle is now the leader of the Presbyterian church choir.

Kidney affections of yours standing cured by Simmons Liver Regulator.—J. W. Poynts.

South Riverside.

On the fourth all of our townspeople and some from Riverside and Elsinore assembled at Coldwater canyon and there picnicked, perambulated, promenaded—north and south, Republican and Democrat, Methodist and Baptist, young and old—mingled together, forgot the past, and regardless of the future, spent one of the most enjoyable days that it is possible for mortal man to enjoy.

Should any of your Los Angeles readers ever chance to visit our town, I would say do not fail to spend a day in seeing Coldwater and the tin mines. The new purser at the tin mines, Hugh Stephens, seems to be particularly adapted to the place, and makes himself agreeable to all.

Captain Chase of Sioux City, Iowa, is now rusticated at the Hotel Temescal while looking after large orange groves planted here. The captain has spent considerable of his time here each season for the past three years, and seems to think the climate of Southern California is about good enough.

A great many strangers are seen on our streets, and owing to the outside reputation our town has for health, our hotel registers are dotted with a good many noted names.

The apricot crop is now coming in and the peach crop is maturing in grand shape. Both crops seem to be heavier than last year.

Many new orange groves have been planted this season, and several are being planted at the present time.

A good many new buildings are now going forward, one of which is a large warehouse near the depot, by Biddell & McVicar.

For horse-colic Simmons Liver Regulator is known to be the best remedy.
