How the Union League will Whoop Things Up.

Grand Duke Egan to be the Host of the Republican Club—What the Members Propose to do at San Juan in a Few Days.

The Los Angeles Union League has issued the following invitation to its grand annual ghost dance at San Juan-by-the-Sea on the 25th and 26th inst:

THE LOS ANGELES, CAL., July 8, 1891. DEAR SIR: By proclamation of the 6th inst., the Dick of Capistrano, surnamed Egan, having thrown open the portals of his independency to the Union League, and granted it the freedom of his whole domain, you are hereby notified that the usual annual round-up will be indulged in by that unique and somewhat strongly Republican organization on Saturday and Sunday, July 25th and 26th, in the third year of the reign of Benjamin of the house Harrison.

San Juan-by-the-Sea is a spot with few equals, and a name most like a joint snake of any place in the blooming west. Its sky is bluer than a year after the boom busted; its beach is smoother and its water wetter than any heretofore known to the mind of man, and the general air of dote far niente that hangs over the whole blooming business makes it a place to hie to that is simply immense.

Don Marco Foster and Egan, the Dick of Capistrano aforesaid, will turn themselves loose to make all the gentlemen of the league have a good time—also the board of directors. There will be room for rest for the constitutionally tired, and they will be permitted to go away by themselves and think with entire freedom and sang froid. To those few who bathe, there will be supplied surf water, few clothes and a beach to walk on. Soap will be rigidly tabooed as heretofore, and the first leaguer found with any bread in his possession will be promptly disliked.

The strongest blankets will be used for special Union League purposes, and while neckties are not considered strictly en regle, the wearers will be permitted to come along. Those members wearing government socks will be given front seats at all entertainments. While it is not likely that much water will be needed, it is only fair to that somewhat obsolete beverage to say that a pure stream thereof is conveyed to the pavilion through pipes that cost Egan a heap of duets. What few fish were not caught last season have been carefully trained for the past year, and will now bite quicker than lightning. There is "a inn" in propinquity to the camping grounds, and the creatures of an effete civilization can there find isolation from the madding crowd which will be painting other portions of the landscape a dark cardinal.

The mission is still only a couple of miles away, and the ruin-lover can go there and revel as of yore, taking his own chances, of course, on earthquakes, political tidal waves and other convulsions of nature. The "bells" about which Fred Eaton learned so much last year are still on exhibition here, and the padre in attendance will be glad to explain to the curious why the 5 o'clock bell is rung, and in what way the church is benefited by this early morning music.

For those of a lyrical cast of countenance a special list of songs has been arranged, with words of sublimity and fitness to the wants of the league. They will be sung at all festive gatherings during the visit, with much eclat. Bring your voices with you and be prepared to vociferate.

The usual fleet of "white wings that never grow weary" will be seen sashaying around in the broad and briny drink, and racing between these homes of sea-sickness will be indulged in.

The game of baccarat will not be permitted on the grounds for fear of contaminating the young men of the league. No liquors that inebriate will be sold on the premises.

A fine brass band will go along and help to swell the glad refrain. Also a corps of menials who will lug grub and other things needful to the breath of the assembled throng.

The usual barbecue will be given by Don Marco Foster, and much gustatory enjoyment may be expected because of the same. To those who have never observed a wholesome fry of this character, it will be a treat worth wading a long distance to see and partake of.

Nothing of a "hypnotic" kind will be permitted on the ranch, but the plain ordinary right hand of good fellowship will be reached out to all who join in the scenes of pleasure.

The rule heretofore in vogue regarding tooth brushes has been abolished, and the first man seen using one of these articles of the dilettanti will be given a sky ride.

There will be ample accommodations in the sumptuous pavilion for luggage and impediments of all sorts and the committee has just about worn out a lung apiece in their efforts and anxiety to make things pleasant for you. If you don't go along and help wear off the top coating of the state of Capistrano you are going to miss it. You'd better get on and ride, for there will be happiness in great oodles and wads and enjoyment and hilarity such as has been but rarely seen since Caleb was a pup.

Further particulars can only be had by joining the mad throng and speeding to S-J-b-t-s on the day and date first above mentioned.

The bills of fare for the various meals to be partaken of during the outing, which accompany the invitation, include among a large list of dishes: Roasted big head, a la Higgins; milk tripe, a la Hutchinson; green Chiles, tomatoes and onions, a la Bob Northam; pudding, a la Rowan; mescal and tequila and aguardiente and more mescal and tequila and more aguardiente and don't forget it; watermelon and coppers are hot; small birds, a la Lindley; doves, a la Furver; shark, a la Teed; liver, a la Tom Lewis; tripe from Ben Stearn's anatomy, and royal turkey, a la S. M. Perry.

leaves Arcade depot at 7:25 a.m. Tickets for the round trip, good until Monday, July 20th, \$3.50, can be procured from any of the following members: Eugene Germain, C. E. DeCamp, C. O. Scott, R. R. Brown, Geo. E. Seip or G. M. Holton. D. E. BARCLAY, Recorder.

A Fragile Structure.

A system which chronic indigestion has developed and rendered nervous and feeble, is indeed a very fragile structure, a tenement fast toppling into irremediable decay. Excessive irritability of temper, abnormal and causeless anxiety, hypochondria, hysteria and sleeplessness—these are some of the manifestations of nervousness. That grand invigorating nerve, Hostetter's Stomach Bitters, tranquilizes by strengthening the nerves, accomplishing the double result through the medium of renewed digestion and assimilation. No tonic in existence exhibits such thoroughness, produces such speedily appreciable effects as Bitters. It is a perfectly reliable safeguard against malaria and dangerous kidney trouble, and remedies completely liver and bowel inactivity and disorder. Nervous invalids should not fail to fortify their systems with this benign protective, which well merits a persistent trial.

THE COURTS.

The Obstinate Five in the Edelman Jury.

A Fourteen-Year-Old Grass Widow Arrested.

A Spiritual Seance Which Leads to an Arrest.

Several Cases Which Came Up Yesterday—The Edelman Jury Matter—Court Notes.

The action of the four jurymen in the Edelman case, who steadily voted to acquit, notwithstanding the fact that the state had made out a case sufficiently strong to convince any reasonable man of the guilt of the defendant, has created a storm of indignation. Several members of the jury, who were in favor of a conviction, spoke their minds very freely yesterday. They said that the stubborn four, James Entwistle, W. C. Hooker, Julius Allen and J. W. Davis, acted in an utterly incomprehensible manner, sitting apart by themselves and refusing to argue the case or to give their reasons for voting as they did. Allen and Davis were selected from the special venire called to complete the jury. The district attorney will not let the prosecution of the defendant in these cases drop, but has expressed his intention of staying by the matter until a jury of reasonable men is secured.

A GRASS WIDOW AT 14.

A complaint was yesterday issued by the district attorney, at the instigation of Detective Bosqui, against Florence Blake on a charge of petit larceny. The accused is only 14 years of age, although a married woman. Blake deserted his wife shortly after their marriage, and ever since, it is alleged, she has been engaged in petty pilfering. The particular charge on which the complaint is issued is the theft of three books from a Spring street store. The object of having the girl arrested is to send her to the reform school, but there is a doubt in the minds of the prosecuting officers if a married woman can be committed to that institution.

DISTURBED THE SEANCE.

A complaint was yesterday sworn out in the district attorney's office by W. Tomlinson against his stepfather, W. Garrett, on a charge of disturbing the peace. Garrett's wife, who is a spiritualistic medium, is now trying to get a divorce from her husband. On Sunday evening she was holding a seance with Mrs. Maud Lord Drake in a downtown hotel, when, it is alleged, Garrett came to the door in an intoxicated condition and demanded admittance. Young Tomlinson was taking tickets at the door and refused to allow his stepson to go in, whereupon the latter made a disturbance and was ejected.

SHE KEEPS A VICIOUS DOG.

Jane Doe Blaisdell keeps a vicious dog and lives in East Los Angeles. The dog is a great, shaggy mongrel brute, and amuses himself by rushing out at passers-by and biting nice, juicy morsels from the calves of their legs. A day or so ago Levin Shaw was attacked by the beast, and yesterday his father, R. E. Shaw, swore out a warrant for its owner on the charge of maintaining a nuisance. The neighbors have protested against the cur a number of times, and are now seeking assistance from the law to get it disposed of.

COURT NOTES.

The district attorney yesterday filed information in department one of the superior court against the following persons:

J. W. Davis, charged with criminal libel; Cristoba Pina, assault with a deadly weapon, and Ah Fat, attempt to commit grand larceny. Davis's arraignment was set for July 20th, Pina's for July 18th, and Ah Fat's for July 20th.

The case of the people against Victor Soldano, who was held to answer by Justice Stanton on a charge of grand larceny, was dismissed yesterday by Judge Smith on motion of the district attorney, because of a lack of sufficient evidence to convict.

The following appeal cases were set for hearing in department one yesterday: People against C. B. Ladd, July 20th; people against L. Hall, July 20th.

Judge Smith yesterday ordered judgment and findings for the plaintiff in the default foreclosure case of Jacoby Bros. vs. H. Christie. The mortgage amounted to \$821.

Stephen Kalloceni was yesterday examined and held to answer by Commissioner Van Dyke for selling liquor to Indians at The Needles.

COMMITTED TO WHITTIER.

Georgina Jones, a mulatto girl, 13 years of age, who for four years past has been in the care of Mrs. Watson, at the Girls' Home, was yesterday committed to the reform school at Whittier by Judge Smith. Mrs. Watson complained against the girl and said that she was contaminating the other inmates of the home by her influence. She was in the habit of pilfering small articles and using very bad language. The girl was committed for three years.

VOLUNTARY TESTIMONIALS—GIVEN TO—DR. WOH!

The Eminent Chinese Physician.

No Opiates or Poisonous Drugs are used in my Practice.

Dr. Woh's life work has been from early youth one of persistent and untiring observation, study and investigation, as fully as lay in his power to perfect himself in all branches of the art of healing human sickness and disease. Born in China, of influential parents, of a family whose ancestors have been for generations deservedly renowned as leading physicians, Dr. Woh naturally followed in the footsteps of his fathers. In China he has practiced his profession for several years, being at one time a physician in the Imperial Hospital, and in America for a long time his great number of patients, his wonderful and many cures, and the great list of letters from grateful and thankful patrons now prove him to be a remarkable and successful healer of sickness and all diseases.

For many years I have been troubled with lung disease, which finally ended in asthma and consumption. I consulted with the best physicians in Los Angeles, but they did me no benefit, but on the contrary I got worse and worse, until I was told by one of them I could not recover. Dr. Woh took me in this condition. He has in two months' time entirely cured me. I most cordially recommend him to all my sick friends. MRS. F. WESSEL, 325 Boyd st., Los Angeles, Cal. May 1st, 1891.

For 3 years I have been troubled with terrible cramps and pains in my abdomen and with dropsical swellings of my feet and limbs. I endeavored in every way to find relief, but failed, until four weeks ago I began using Dr. Woh's medicines. Now I am perfectly well and cured of a sickness of three years' standing. I do recommend Dr. Woh to all my sick friends. MISS JESSIE M. FIELD, San Bernardino, Cal. June 10, 1891.

Dr. Woh has hundreds of similar testimonials, but space alone prevents further publication of them here. Dr. Woh is the oldest and best-known Chinese Physician in Southern California. His many cures have been remarkable, involving Female Troubles, Tumors and every form of disease. All communications will be regarded as strictly confidential. Free consultation to every one, and all are cordially invited to call upon Dr. Woh at his office, 227 SOUTH MAIN STREET, Between Second and Third streets. 4-5-9-10-tu-th-sa Los Angeles, Cal.

DR. WONG HIM.

THE FIRST CHINESE PHYSICIAN TO practice his profession in this city was Dr. WONG HIM. He has practiced here for sixteen (16) years, and his cures and successful treatment of complicated diseases is proof of his ability. He belongs to the sixth generation of doctors in his family. A trial will convince you. OFFICE: 639 Upper Main st. P. O. box 560, San Francisco, Cal.

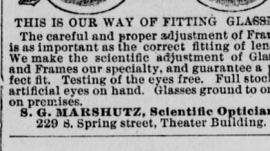

TO THE PUBLIC: DR. WONG HIM, 639 Upper Main st., has cured my mother of the typhoid fever in the short time of one week, and has left her entirely well, and also has cured me of a tumor I had on my left side. After suffering for a long time and receiving no benefit from others, I concluded to try the above gentleman (Dr. Wong Him), who has left me entirely well, and now I feel it my duty to testify in his behalf. I wish to recommend him to the public as an efficient and skillful physician. MISS CARRIE PEREIRA and MRS. D. C. PEREIRA, 550 Grand st., Los Angeles, Cal. February 21, 1891.

TO THE PUBLIC: I take this opportunity of highly recommending Dr. Wong Him's abilities as a physician to all who have any diseases, especially those whose complaints resist the treatment of other physicians. For two months I suffered from impure blood and disordered stomach, together with a sore lip which failed to heal, and was finally persuaded to call and see Dr. Wong Him at his office, 639 Upper Main street. I had a consultation with him, and after examination of my pulse he gave me a powder for my lips and medicine internally, and said he would cure me in one week or ten days, and at the expiration of that time declined to give me any more medicine, because I was cured, which statement I fully endorse, for I have not been so well for a long time. JOSEPH R. DUBBS, Los Angeles, Cal. February 25, 1891.

I had been sick five months, paid out large sums of money for doctors and medicines, but derived no benefit. Dr. Wong Him was recommended to me by a friend. I did not think I could get well, as my lungs and kidneys were very bad and getting worse all the time. Dr. Wong Him took me in this condition; he has in two months' time entirely cured me, and now I feel it my duty to testify in his behalf. I wish to recommend him to the public as an efficient and skillful physician. THOMAS WHITE, Los Angeles, May 13, 1891.
