Work on the Santa Monica Wharf to Commence Soon—Redondo Shipping—Events at Redlands.

SANTA MONICA, July 19.—Everything is about in readiness for the work on the new Southern Pacific wharf to begin, there being a large number of piles, etc., on the ground there. The workmen are commencing to arrive and when the work is started the contractor intends to push the construction for all there is in it.

Cowley & Baker have completed arrangements to have a balloon ascension on Sunday in addition to the other attractions at the pavilion.

A band of eighteen musicians, the pick of Southern California, have been engaged to give free open air concerts on the esplanade at the band stand, which was completed last season.

Mrs. S. K. Lindley is delighted with the prospect of the new school building at Avalon. Mrs. Hervey Lindley came over to visit her sisters.

PARADISE.

Lindley Not Liked—News and Personal Notes.

PARADISE, July 19.—The Republicans of Pasadena and vicinity are feeling very sore over the result of yesterday's primary in Los Angeles and elsewhere.

The practice which is very common among some of our citizens of placing a lawn sprinkler so near the sidewalk that a person in passing is obliged to go out into the middle of the street or take a shower bath, is entirely too common.

The necessity of a first-class hotel located near the center of town, that would be kept open in the summer, is becoming more apparent every day.

W. S. Wright, Father Throup and several other gentlemen went to Elsinore this morning, to attend a meeting of the Elsinore Water company.

There promises to be quite a large attendance at the G. A. R. entertainment at Ventura, from Pasadena. The following leave today: Capt. and Mrs. A. C. Drake, Mr. and Mrs. Benjamin Jarvis; A. H. Wallace, Mr. and Mrs. L. Franklin, Mr. and Mrs. W. Pennell, Long Beach; Mr. and Mrs. F. J. Wood, etc.

The infant child of Mr. and Mrs. M. O. Landgard died yesterday afternoon. The funeral takes place this afternoon, at 3 o'clock, from the house.

The overland is again becoming a very uncertain quantity, today's being over two hours late.

At the competitive drill of Co. B last evening Frank Coleman again carried off the non-commissioned officers' medal and L. Morton the privates' medal.

Secretary A. B. Monahan of the Pasadena Improvement company reports that two reservoirs above their lands at Altadena, and are still developing water in Rubio cañon. The company has recently subdivided its lands into five ten and twenty-acre lots, and placed them on the market.

A. L. Monahan has taken a position as registration clerk on the great register, on which work began Monday.

Mr. and Mrs. Van Nuy and Mr. and Mrs. White left yesterday for Long Beach. They will stay through the Chautauqua meeting.

Dr. Frost lectured last night on Christian Science. There was a large attendance and much interest was shown.

Charles Cook, the man arrested in Los Angeles on a charge of burglary, was brought before Judge Rose this morning and upon pleading guilty was committed to await trial in the superior court.

The Terminal railroad will run a special on July 19th, 21st, 23d, 25th and 27th, leaving Pasadena at 5:25, and returning leave Long Beach at 10 o'clock to connect with the 11 o'clock Pasadena train.

POMONA.

People Going to the Encampment.

POMONA, July 19.—A much larger number left today than yesterday to attend the G. A. R. encampment at Ventura. Among others were the following: Mr. and Mrs. Thomas A. Campbell and daughter, Mrs. Judge J. A. Morton and daughter Birdie, Mrs. Captain T. C. Thomas, son and daughters, Misses Mareta and Ethel W. H. Welch will also be among the number.

Rev. C. F. Loop and Lieutenant Colonel J. L. Howland were out-bound passengers on the 9:12 train, to be in attendance at the Olive Growers' association, which will meet in San Francisco during the next few days.

The following left for Los Angeles: F. J. Ross and daughter, Mr. Phelan and C. Seaver.

J. J. Coyle left today for Long Beach with his stereopticon and necessary paraphernalia.

W. T. J. Doak, a former barber of this place, is now from Riverside.

The following names were reported among the marriage licenses reported in this morning's HERALD: A. Pascoe, native of Canada, aged 24, to Katie E. Bond, native of Minnesota, aged 21. It was rumored that Mr. Pascoe would be married on the 20th, but he changed his mind and got married the afternoon of the 18th, the event occurring at the residence of the bride's parents.

A little fellow with soldierly bearing, Master Anson Thomas, accompanied his mother to take his place among the veterans at Ventura. This 5-year-old youngster, since the death of his father, Capt. T. C. Thomas, has been ambitious to become a "soldier, brave and true," like his papa. Master Anson carries the rank of captain, having white stripes on his knee pants and wearing shoulder straps. He will become the proud possessor of a sword when he reaches Los Angeles.

A 13-year-old boy, named J. E. Tibbets, has made up his mind that he cannot remain at home with his stepfather. The stepfather lost his temper this morning and gave the boy a cruel beating. City Marshal J. A. Lorbeer will conduct the young man to the Whittier industrial school.

Mrs. A. R. Lemon, residing on Geary avenue, about a mile north of town, died yesterday. Mr. Lemon removed to California from Burlington Vermont, some six months ago for his wife's health, but like a great many others, she arrived too late to receive permanent benefit.

Miss Lulu M. Snooks has been engaged as teacher of the Claremont school.

The young ladies of St. Paul's Episcopal church will give an ice cream social Wednesday evening in the Guild room, Ruth block. All young people are invited.

Thursday evening the ladies of the church serve tea at the same place.

RELANDS.

News Notes from the Infant Wonder City.

RELANDS, July 19.—The Episcopal Sunday-school picnic to take place at Crafter Retreat tomorrow is looked forward to with joyful anticipation by the little ones.

M. B. Harris, Prohibition candidate for congress from the Seventh district, addressed a meeting here at the corner of Orange and State streets. He is absent, unattended, ungracious and uninteresting. He poured out the vials of his wrath on all existing things, and did not hold the crowd gathered by the music of the band. If, as he claims, he brought a special message to laboring men and farmers, he found little opportunity of delivering the same.

The Terracina hotel closes this week, and the work of enlarging and beautifying the building will begin promptly.

The prospect of an electric light for the city makes glad the hearts of all here, irrespective of politics. The Terracina company, which asks for the franchise, is an energetic organization, and if granted the privilege will put the work through rapidly.

There is a movement on foot for the organization of a second brass band, the members to be taken from the ranks of the local musicians.
