

NEWS NOTES.

United States Weather Office. Report of observations taken at Los Angeles, July 29, 1892.

Table with 7 columns: Time, Bar., Ther., R.H., Wd., Vel., Weather. Rows for 9:00 a.m., 5:00 p.m., and Max. tem.

The city council still sits daily as a board of equalization. This work will all be finished up on the 13th instant.

There are undelivered telegrams at the Western Union telegraph office, corner Main and Court streets, for Mrs. Ella C. Brooks and S. J. Lepluer.

The city council as a body inspected East Los Angeles yesterday. Councilman Nickell desires the cattle limits changed, and the city fathers looked over the ground in order to act intelligently at the Monday session, when the ordinance will come up.

On last Wednesday night the L. T. L. of Pico Heights gave an entertainment, Metcher Ransom, the old army nurse, was expected to be present, but was at Long Beach. The children made three quilts for her house, which will be presented to her.

That threatening flagstaff continues to lay on the coping of the Spring-street front of the Burdick block. A heavy wind will roll it over onto the sidewalk below, and if it should come in contact with a pedestrian it would surely cause a fatality. It should be removed.

Grapes from Seven Palms station, on the Colorado desert, made their appearance in market yesterday for the first time this season. They were of three varieties—Seedless Sultana, Emperor and White Tokay. The great heat of that locality enables grapes to ripen nearly two weeks earlier than here.

A meeting of the architects of Los Angeles, at the office of S. L. Haas, architect, last evening, organized a Southern California Association of Architects, and elected the following officers for the next six months: J. N. Preston, president; T. A. Eiseu, vice-president; S. I. Haas, secretary; board of directors, W. O. Morgan, A. M. Edelman and S. P. Hunt.

The tamale man and the vendors of peanuts, candy and pop-corn at street corners, and also along the main street of the city, have got to go. This is what Chief of Police Glass has decided upon, and yesterday he instructed the officers on the Main and Spring street beats to keep all those vendors off the curbs of Main and Spring streets, and also off the side streets where they impeded or interfered with travel.

IN SOCIETY.

There will be a grand contest at the Congregational church next Monday evening. On that occasion the Los Angeles public will have a chance to hear the stars who were engaged for the Chautauqua meeting this year, and who gained such a triumph. Mr. Hugo Mansfield, the celebrated pianist, will play several solos. Charles D. Kellogg, the young Californian, will warble. This young gentleman has created a furore in every city that he has appeared in.

Miss Beatrice Priest, the charming young soprano singer, and Miss Mary Fox, the Oakland nightingale, are both down for several of their best solos. Miss Fox is a contralto singer of recognized merit, and Miss Priest will sing by request the Mexican Nightingale. The programme includes twelve numbers, including a trio by Misses Priest, Fox and Mr. Kellogg. Mr. A. Benham is the director, and Miss Mayd Snook the accompanist.

One of the most delightful midsummer parties thus far chronicled was given by Mr. and Mrs. David McKay, of West Second street, on Tuesday evening. Among those present were: Mr. and Mrs. James Bryson, Mr. and Mrs. H. T. Andrews, Mr. and Mrs. Froman, Mr. and Mrs. David McKay, Mr. and Mrs. A. Orfila, Miss Wilde, Miss Nellie Wilde, Mrs. Ella Bryson, Miss M. Chapman, Miss E. Chapman, Miss Artemia Vantress, Miss Walker, Miss Hatlie Andrews, Mrs. B. M. Hill (Alabama), Prof. John Knoop (Amsterdam, Holland), Messrs. John Morris, J. B. Chofield, Hugh Whitehead, Dr. Davidson, Byron Campbell, H. H. Appel, Col. Wm. Meade, Judge W. A. Ryan, F. W. Chase and Philip Kitchen.

Today a party of ladies and gentlemen will leave for a two weeks' vacation on a beautiful isle of Catalina. The party will be chaperoned by Mr. and Mrs. Gus Rawson, and will consist of Messrs. A. B. Street, Frank Dominguez, the Misses Oelia Gleason, Clara McGinnis, and Miss Beville, of the public library.

Invitations are out for a party, at the Mayberry residence at San Gabriel for next Friday.

POLITICAL MATTERS.

HERVEY LINDLEY TO BE GIVEN A RECEPTION.

How the Republicans Took the News of the Nomination—A Meeting of the Democratic Committee Called.

Not a Republican could be found in Los Angeles yesterday afternoon who had not known for weeks past that Hervey Lindley would be the nominee of the Santa Cruz convention for congress. At least when the news flashed over the wire about noon that he had been nominated, no one seemed surprised. Everyone said: "Oh! I told you so. I knew that it couldn't be otherwise."

Nevertheless, a good many people were surprised at the vote Mr. Lindley received. He got every delegate outside of Los Angeles county and twenty-six out of a possible forty-two votes from this county. The other sixteen went to Judge Magee of Pasadena.

The Republicans who supported Mayor Hazard in the convention were scarcely pleased with the nomination. In fact they did not like it a little bit. Some of them, however, were inclined to look pleasantly upon the result of the convention. One of the mayor's foremost adherents in the county convention when asked why he thought of the action taken at Santa Cruz, said:

"Well, we are beaten, and beaten good and strong too. Why, just think of it—66 to 16. But then, as Senator Ingalls says, 'The voice of the people is not always the voice of God.' We were not for Hervey, but now that he has the nomination, I guess that we will have to do what we can for him through the rest of the campaign."

There were other anti-Lindley Republicans, though, who did not look so lightly upon the action taken at Santa Cruz.

Nevertheless, when Mr. Lindley returns from the north he will receive a hearty and cordial reception. Arrangements are being made to give the gentleman an ovation. The Lincoln club boys have taken the matter in hand, and they propose to make the hour of Mr. Lindley's return an event long to be remembered by Republicans hereabout. The various other Republican clubs in the city will assist. After being escorted from the hotel to the rooms of the club in the Downey block, a reception will be given there.

The following committee on reception has been appointed: Judge D. P. Hatch, C. M. Soule, J. O. Cashin, W. R. Hathaway, R. A. Ling, W. P. Hamilton and W. F. X. Parker.

The directors of the Union league have also decided to ratify the nomination of Mr. Lindley. The necessary committees were appointed to make final arrangements. The officers of the Young Men's Republican club were present and united in the action of the league, and decided to co-operate. It was decided to request the representatives of all Republican clubs in the city and county to meet with the general committee of arrangements at the league rooms, on Monday next, at 12 o'clock to make final arrangements for a grand ratification.

The county convention of the People's party of Los Angeles county will be held in this city on August 6th. The primaries are to be held next month. The party, in order to comply with the new election law, will hold conventions in every county in the state between August 5th and 10th.

A call has been issued by J. DeBarth Shorb, chairman of the Democratic county central committee, for a meeting of that body on August 5th, when important matters are to come up for consideration. A full meeting of the committee is desired.

Martin C. Marsh is not a candidate for the Democratic nomination for county recorder, all statements to the contrary notwithstanding.

R. A. Marshall talked to the Second Ward Republican club last night. The naturalization committee of the Democratic county committee, has been doing very energetic work. About 200 men have been naturalized through this committee's efforts within the past few weeks. Only about seven days remain during which foreign born citizens can receive their final papers in order to vote at the fall elections.

Gen. Jas. E. Weaver, the presidential nominee of the People's party, will be in this city on Saturday, August 6th, and will address a mass meeting at Hazard's pavilion in the evening. Mrs. Diggs, the noted Kansas lecturer, will also be here on that day.

HE SHOULD BE HANGED.

A Bestial Man Attacks Two Women on Temple Avenue. Charles Pruitt yesterday reported at the police station the fact that the other evening as two ladies were approaching their homes on Maple avenue, between Twenty-ninth and Thirtieth streets, a man endeavored to seize one of them, at the same time exposing his person. He was driving a team of black horses, hitched to a heavy wagon.

The ladies screamed for help and the brute became frightened. He hastily got into his conveyance and drove away. The police have a description of him, and a strong endeavor will be made to run him down.

Albert Searle, a former reporter of this city, but now connected with the Port Townsend Graphic, is in Los Angeles. "Washington is very liable to go Democratic," said Mr. Searle to a HERALD reporter. "Cleveland is very popular in the new state, and the chances are very favorable that the 7000 Republican majority will be wiped out. Washington is sure to elect a Democratic governor in James Hamilton Lewis, and the Democratic party in the northwest expect to carry the state legislature. The prospects for the success of the Democratic party are very encouraging."

Dr. Arthur E. Gresham, who has been practicing in Los Angeles for the past six years is obliged to give up his practice on account of failing health. He leaves today for Glendale, where he will reside, and where it is hoped the fresh country air will benefit him.
