

The Best is the Cheapest

A forcible truism in the purchasing of a piano.

STEINWAY PIANO

As known the world over as the best.

Buying a Steinway means a sterling investment of money.

Diamonds are no better, and not one-half as enjoyable to the purchaser why? Because a Steinway piano has a commercial value of fully 50 per cent of its first cost after 10 years wear.

A REMEDY FOR CHOLERA.

The Important Discovery of a Philadelphia Doctor.

Hydro-Naphthol Will Kill the Cholera Germs.

A Safe and Effective Antiseptic for the Intestines.

No New Cases at New York—The Situation Improving Abroad—Troublesome Embargoes.

By the Associated Press.] PHILADELPHIA, Sept. 29.—An important communication appears in the current issue of the Medical News, by Dr. Stewart, clinical lecturer on medicine in the Jefferson medical college.

It is to the effect that hydro-naphthol is a powerful remedy for cholera. It is harmless even in large doses, and is related to carbolic acid, to which cholera germs are especially susceptible. Experiments by Dr. Stewart show that a proportion as high as 1 to 7000 has an undoubted inhibiting effect on the development of comma spirillum, and a proportion of 1 to 2000 exerted prompt germicidal action. It seems that yesterday's condition but 10 grains of hydro-naphthol, if in solution, will be required to render an entire small intestine antiseptic against comma spirillum, preventing its development, while about 40 grains, under similar conditions, would disinfect the intestine, promptly killing any spirilla present.

Mascot Reels Off the First Heat in 2:04 With Flying Jib at His Throat-latch—Guy Wins the Race.

By the Associated Press.] INDIANAPOLIS, Ind., Sept. 29.—A Sentinel special from Terre Haute says: The world's pacing record was smashed today by Mascot. It was the great freeroll match, in which Flying Jib, with Starr up; Guy, with McHenry, and Mascot, with Billy Andrews, participated.

In the first heat Mascot drew ahead at the first eighth and Guy fell back at the half. Flying Jib pressed hard but in vain. At the three-quarters Mascot led by a length, and with a terrific rush came into the home stretch.

The second heat was a beautiful start. Guy broke in the first eighth, Mascot drew ahead at the quarter. Flying Jib then reached up and drew ahead at the half, in one minute and three-quarters of a second.

In the fourth heat they went around the turn abreast. Mascot broke at the eighth, and Guy forged ahead. Flying Jib clung close to him till the stretch, till Guy got about 50 feet the advantage.

At the five-eighths they were in a bunch, but Mascot lost his advantage in a break and Guy came in first, in 2:06 1/4. The quarters were: 30 1/2, 1:00, 1:31 1/2.
