Contrasts Between Material Evolution and Human Progress.

Prof. Joseph Le Conte delivered his final lecture in this city before a large audience in the Unity church last night.

There are two theories of evolution, the old and the new. In the first, man was evolved from animal life.

The talk differed in all respects from any of the past course and was listened to with deep thoughts.

POWELSON ACQUITTED.

The Notorious Character Goes Free from One Charge.

The case against Frank Powelson occupied the attention of Justice Seaman's court yesterday afternoon.

The woman, Helen Lewis, testified that she was the keeper of the resort, but her testimony was not very clear as to the time the alleged rock boomerang was thrown.

An inmate who gave her name as Blake testified that the rock hit the window and not the house, and that she was looking out of the window at the time.

The case being submitted, Mr. Brooks said substantially: This is the most peculiar case I have ever heard of in all my practice.

The jury should not be carried away with the idea of guilt of the young man because he visited the house.

The charge of battery will be tried on the 23d inst. Bail was fixed at \$100.

For Old and Young. Tutt's Liver Pills act as kindly on the child, the delicate female or infirm old age, as upon the vigorous man.
