**MARtha WASHINGTON COLLEGE,**

Abingdon, Virginia.

THE Third Annual Session of Martha Washington College will commence the 15th of August, 1863, and extend to the 1st day of June, 1863.

The rate of charges for one-half of the session is as follows: For Board, including fuel, lights, &c., \$100.00 Tuition in Collegiate Course, 25.00 " " Intermediate Course, 20.00 " " Preparatory Course, 15.00 Contingent fee for same time, 1.50 Tuition in Music same time, 25.00 Tuition in other Extra Branches is proportionally increased.

The Board and Tuition for one-half of the Session must be paid invariably in advance. The amount required in advance, are those respectively specified above. The Trustees of the College have been compelled to advance the rate of charges for Board and Tuition. The necessity of doing so is obvious to every intelligent mind. The price of almost every article of provisions, has advanced within the last twelve months, from 100 to 400 per cent. The College has not advanced its charges any farther than is necessary to sustain itself in the present condition of the country.

We trust the people will renew their patronage of the College, especially in view of the fact that money advanced for education is always a profitable and lasting investment. The misfortunes of life in a time of war, can never deprive our daughters of those great intellectual and moral blessings which are secured by an early and efficient education. For further information, address WM. A. HARRIS, President of M. W. College. Aug. 1, 1862.
