Flatulent Colic.

Thousands of horses die yearly with this disease, and many are killed with the remedies given to cure them.

Flatulent colic kills more horses in America, than any other two worst diseases that our horses are subject to.

PAIN-KILLER.

[OPINIONS OF THE PRESS.]

No article ever attained to such unbounded popularity.—Salem Observer

An article of great merit and virtue.—Cincinnati Nonpartie.

We can bear testimony to the efficacy of the Pain Killer. We have seen its magic effects in soothing the severest pain, and know it to be a good article. Cincinnati Dispatch.

A speedy cure for pain. No family should be without it.—Montreal Transcript.

There has nothing as yet surpassed the Pain Killer, which is the most valuable family medicine now in use.—Tennessee Organ.

It has real merit: as a means of removing pain medicine has acquired a reputation equal to Perry Davis' Pain Killer.—Newport, (Ky.) Daily News.

Its wonderful power in removing the most severe pain has never been equalled.—Durington Sentinel.

It is one of the few articles that are just what they pretend to be.—Brunswick Telegraph.

Our own opinion is that no family should be without a bottle of it for a single hour. In flesh wounds, aches, pains, sores, &c., it is the most effectual remedy we know of.—News, St. John, Canada.

After many years' trial of Davis' Pain Killer, we advise that every family should provide themselves with so effectual and speedy a PAIN KILLER.—Amherst, (N. S.) Gazette.

The Pain Killer of Perry Davis & Son we can confidently recommend. We have used it for a length of time and invariably with success.—Canada Baptist.

The Pain Killer is for sale by medicine dealers generally. Sold by Dr. M. B. Strickler, New Bloomfield, Pa.—Dec. 7—1m

Cure for Consumption.

WHAT THE DOCTORS SAY:

AMOS WOOLEY, M. D., of Kosciusko county, Indiana, says: "For three years past I have used ALLEN'S LUNG BALSAM extensively, in my practice, and I am satisfied that there is no better medicine for lung diseases in use."

ISAAC A. DORAN, M. D., of Logan county, Ohio, says: "ALLEN'S LUNG BALSAM not only sells rapidly but gives perfect satisfaction in every case within my knowledge. Having confidence in it and knowing that it possesses valuable medicinal properties, I freely use it in my daily practice, and with unbounded success. As an expectorant it is certainly far ahead of any preparation I have ever yet known."

NATHANIEL HARRIS, M. D., of Middlebury, Vermont, says: "I have no doubt it will soon become a classical remedial agent for the cure of all diseases of the Throat, Lungs, and the Bronchial tubes."

Physicians do not recommend a medicine which has no merits. What they say about

ALLEN'S LUNG BALSAM

Can be taken as a fact. Let all afflicted test it at once.

Mothers, Save Your Children!

No child need die of CROUP, if this Syrup is used in time: this is a fact demonstrated by experience. No family should be without this syrup, as that fatal disease, CROUP, comes like a thief in the night, to steal away your little ones, when regular medical aid cannot be obtained.

THE ONLY RELIABLE CURE

FOR

DYSPEPSIA

IN THE KNOWN WORLD!

DR. WISHART'S GREAT AMERICAN DYSPEPSIA PILLS and PINE TREE TAR CORDIAL are a positive and infallible cure for Dyspepsia in its most aggravated form and no matter of how long standing.

They penetrate the secret abode of this terrible disease, and exterminate it, root and branch, forever.

They alleviate more agony and silent suffering than tongue can tell.

They are noted for curing the most desperate and hopeless cases, when every known means fails to afford relief.

No form of dyspepsia or indigestion can resist their penetrating power.

DR. WISHART'S

PINE TREE TAR CORDIAL.

It is the vital principle of the Pine Tree, obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained. It invigorates the digestive organs and restores the appetite. It strengthens the debilitated system. It purifies and enriches the blood, and expels from the system the corruption which scrofula breeds on the lungs. It dissolves the mucus or phlegm which stops the air passages of the lungs. Its healing principle acts upon the irritated surface of the lungs and throat penetrating to each diseased part, relieving pain and subduing inflammation. It is the result of years of study and experiment, and it is offered to the afflicted with the positive assurance of its power to cure the following diseases, if the patient has not too long delayed a resort to the means of cure:

Consumption of the Lungs, Cough, Sore Throat and Hoarseness, Bronchitis, Liver Complaint

Blind and Bleeding Piles, Asthma,

Whooping Cough, Diptheria, &c., &c.

A medical expert, holding honorable collegiate diplomas, devotes his entire time to the examination of patients at the office parlors. Associated with him are three consulting physicians of acknowledged eminence whose services are given to the public FREE OF CHARGE.

This opportunity is given by no other institution in the country. Letters from any part of the country asking advice will be promptly and gratuitously responded to. Where convenient, remittances should take the shape of

FOUTZ'S

CELEBRATED

Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly re-invigorate broken down and low spirited horses, by strengthening and cleansing the stomach and intestines.

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, DISTEMPERS, FEVERS, FOUNDER, LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite—gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.

To keepers of Cows this preparation is invaluable. It is a sure preventive against Rinderpest, Hollow Horn, &c. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent. and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hides, and makes them thrive much faster.

In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c. this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.
