Forty dollars reward.
 RAN AWAY from the Subscriber on Saturday night the 11th inst.
A Mulatto LAD,
 named Bill, generally called Bill Madden, about 17 or 18 years of age, 5 feet 7 or 8 inches high, of a slim make, has fringed black hair, which he sometimes wears tied, but generally loose; he has been accustomed to wait altogether in a house, and having been much indulged, has become too idle to work for a support. He took with him a brown fustian double breasted long coat, one drab cloth coat, with red cuffs and cape, the pocket flaps and skirts trimmed with red edge, a fustian waistcoat a pair of buckskin breeches, a pair of red striped trowsers, and several other cloaths, also a pair of boots, half worn. It is probable he has a forged pass, and will endeavour to pass as a free man. From every circumstance, I am led to believe he went off with a white woman, and that they had taken their passage in a vessel bound to Philadelphia.
 The above reward will be paid to any person delivering me the said servant, and reasonable charges for bringing him home.

To the Public.
 A SUBSCRIPTION
 Is opened for Printing the
Theological Writings
 OF
Emanuel Swedenborg,
 At Francis Bailey's Book store, No. 116, Market street, Philadelphia.
 WHEN a sufficient subscription takes place, a meeting will be advertised to consider the most eligible mode for conducting the printing of such of the Works as shall be thought to be of the greatest utility in the first instance.
 The following Treatises may be now had at Mr. Bailey's:
 The Doctrine of Life, or the Spiritual sense of the Ten Commandments.
 The Universal Theology of the New Church; which was foretold by the Lord in Daniel, chap. 7, v. 5, 13, 14, and in the Apocalyptic, chap. 21, v. 1, 2, &c.
 A Summary View of the Heavenly Doctrines of the New Jerusalem Church.
 As various opinions have been entertained respecting these invaluable writings, and yet no person by rational argument has been able to refute them, it is with a true and invidious curiosity and groundless reports have been industriously propagated to discredit the honourable and enlightened Author, as well as his Works, we doubt not the candid and sincere inquirers after Truths of the highest importance, will seriously examine these Works for themselves, in which it is to be hoped, that being in the pursuit and love of the Truth for the sake of its native excellence and use, they will regard them as they justly deserve, and in the end receive both profit and delight.
