**ADDRESS.**  
The Public are respectfully informed  
that the Subscriptions for this Gazette are  
daily increasing in the City—that its cir-  
culation is extensive, being sent to every  
State in the Union—and is probably ex-  
changed with more Printers in the dif-  
ferent States than any other Gazette—  
these circumstances enhance its utility as  
an advertising Vehicle.  
The generous patronage which the pub-  
lication has already received, demands the  
Editor's most grateful acknowledgments  
—He solicits a continuation of advertising  
favors. From these principally arise the  
resources which enable the publisher of a  
daily paper to extend his plan of general  
entertainment and information.

the City of Washington—Two beautiful de-  
signs are already selected for the entire front  
on two of the public squares; from these  
drawings it is proposed to erect two centre  
and four corner buildings, as soon as possible  
after this Lottery is sold, and to convey them  
when complete, to the fortunate adventurers,  
in the manner described in the scheme for  
the Hotel Lottery. A net deduction of five  
per cent. will be made to defray the neces-  
sary expenses of printing, &c. and the sur-  
plus will be made a part of the fund intended  
for the National University, to be erected  
within the City of Washington.  
The drawing will commence as soon  
as the Tickets are sold, or at all events on  
Monday, the 22nd of December next: The  
money prizes will be payable in thirty days  
after it is finished, and prizes for which  
fortunate numbers are not produced within  
twelve months after the drawing is closed pre-  
to be considered as given towards the fund  
for the University, it being determined to  
settle the whole business in a year from the  
ending of the drawing and to take up the  
bonds given as security.  
The real securities given for the payment  
of the Prizes, are held by the President and  
two Directors of the Bank of Columbia, and  
are valued at more than half the amount of
