**For the Information of the Merchants.**  
 The committee having been notified by the Secretary of State, that the Agent of the United States is to embark immediately for London, and that he is authorized to bind the United States under the direction of Mr. Jay, for the costs and damages, attending the prosecution of the claims of American citizens; that the necessary counsel will be engaged on the part of the United States, and that if the parties will obtain copies of the proceedings of the Courts on their respective cases, the expenses of the records will be reimbursed by the United States,  
 They are of opinion that measures ought to be immediately taken for obtaining authenticated copies of such records and proceedings in all cases where they have not already been preserved, and will undertake to obtain them for all such of their fellow-citizens as shall within 20 days from this date furnish the names of the vessels and masters; the ports or places where tried or condemned, with such other information as the circumstances of the case may require.  
 They recommend to those who have already obtained the copies of the proceedings of the Courts to have them examined by some person of legal knowledge; that if they should be found defective in any respect the deficiency may be supplied, at the same time that the records are applied for.  
 In behalf of the Committee,  
**THOMAS FITZSIMONS.**  
 November 6, 1794.

**NOTICE,**  
 IS hereby given to all persons, interested in the cases of British captures, that Mr. Samuel Bayard, of the City of Philadelphia, is appointed to proceed to London, as agent of claims and appeal; that the merchants of Philadelphia, whose property has been condemned, have appointed a committee, consisting of Thomas Fitzsimons, James Yard, Stephen Girard, James Olden and J. Shoemaker, to confer occasionally with the Secretary of State; that copies of the letters, which have passed between the Committee and the Secretary, are transmitted to the several Collectors in the United States, for the inspection of all concerned; that the Committee will adopt measures for procuring the records, yet wanting; and will enter into the proper correspondence in the United States, and in the West Indies.  
 The appointment of a committee was at the desire of the Secretary of State, for the convenience of persons at a distance. But any letters upon this subject are still to be addressed to him.

**To the Merchants of the United States.**  
 At the special request of the Secretary of State, the committee appointed by the merchants of Philadelphia, have undertaken to obtain copies of the proceedings of the courts in the British Islands, in the West-Indies; Bermuda, the Bahamas, and in their colonies, in North America, upon the cases of American vessels, and property tried in the courts in any of the said Islands, or colonies.  
 The Committee therefore give this public notice, that all persons concerned who have not already obtained authentic copies of the proceedings, in their particular cases, may furnish the Secretary of State with the names of the vessels, and masters, the places where the trial was had, the time when, and such other circumstances as the nature of the case may require.  
 It is deemed important that those particulars be furnished as soon as possible.

**Emanuel Swedenborg,**  
 At Francis Bailey's Book store, No. 116, Market Street, Philadelphia.  
 WHEN a sufficient subscription takes place, a meeting will be advertised to consider the most eligible mode for conducting the printing of such of the Works as shall be thought to be of the greatest utility in the first instance.  
 The following Treatises may be now had at Mr. Bailey's:  
 The Doctrine of Life, or the Spiritual Doctrines of the Ten Commandments.  
 The Universal Theology of the New Church; which was foretold by the Lord in Daniel, chap. 7, v. 5, 13, 14; and in the Apocalypsis, chap. 21, v. 1, 2, &c.  
 A summary View of the Heavenly Doctrines of the New Jerusalem Church.

As various opinions have been entertained respecting these invaluable writings, and yet no person by rational argument has been able to refute them, but instead of evincing calumny and groundless reports have been industriously propagated to discredit the honourable and enlightened Author, as well as his Works, we ought not the candid and sincere enquirers after Truths of the highest importance, will seriously examine these Works for themselves, in which it is to be hoped, that being in the pursuit and love of the Truth for the sake of its native excellence and use, they will regard them as they justly deserve, and in the end receive both profit and delight.
