The Public are respectfully informed that the Subscriptions for this Gazette are daily increasing in the City—that its circulation is extensive, being sent to every State in the Union—and is probably exchanged with more Printers in the different States than any other Gazette—these circumstances enhance its utility as an advertising Vehicle.  
The generous patronage which the publication has already received, demands the Editor's most grateful acknowledgments—He solicits a continuation of advertising favors. From these principally arise the resources which enable the publisher of a daily paper to extend his plan of general entertainment and information.

This Lottery will afford an elegant specimen of the private buildings to be erected in the City of Washington—Two beautiful designs are already selected for the entire front on two of the public squares; from these drawings, it is proposed to erect two square and four corner buildings, as soon as possible after this Lottery is sold, and to convey them when complete, to the fortunate adventurers, in the manner described in the scheme for the Hotel Lottery. A net deduction of five per cent. will be made to defray the necessary expenses of printing, &c. and the surplus will be made a part of the fund intended for the National University, to be erected within the City of Washington.

The drawing will commence as soon as the Tickets are sold, or at all events on Monday, the 22nd of December next: The money prizes will be payable in thirty days after it is finished, and any prizes for which fortunate numbers are not produced within twelve months after the drawing is closed are to be considered as given towards the fund for the University, it being determined to settle the whole business in a year from the ending of the drawing and to take up the bonds given as security.  
The real securities given for the payment of the Prizes, are held by the President and two Directors of the Bank of Columbia, and are valued at more than half the amount of the Lottery. The drawing will be under the management of 24 gentlemen approved by the commissioners for the City of Washington, for the time being, and sitting on oath.

**S. BLODGET.**  
Tickets may be had at the Bank of Columbia; of James Well & Co. Baltimore; of Gideon DeWolfe, Savannah; of Peter Gilman, Boston; of John Hopkins, Richmond; and of Richard Wells, Cooper's ferry.
