JUST PUBLISHED,

THOMAS DOBSON,
At the Stone House, No. 41, South Second-

Historical Collections,
CONSISTING OF
STATE PAPERS,
And other Authentic Documents, intended as
an History of the
UNITED STATES OF AMERICA:
By EBENEZER HAZARD, A. M. Member of
the American Philological Society, Fel-
low of the American Academy of Arts and
Sciences, and Correspondent Member of
the Massachusetts Historical Society.
Two large quarto volumes, price TEN DOL-
LARS in boards.
A few copies of the second volume which
have been subscribed for, and for which the
subscribers have paid one dollar each, are still
on hand. Subscribers will please call for
them at T. Dobson's Store.
The importance of materials for a History
of the United States will be generally acknow-
ledged; the design of this compilation is to
preserve the early and authentic documents
on this subject which had become exceedingly
scarce, and were not obtained without diffi-
culty.
Many of these papers are very curious, and
will be highly entertaining to the lovers of
American Antiquities, and when considered
as authentic memoirs of the early transac-
tions of a people destined to occupy a distinc-
tion and enviable station in the annals of
human liberty, they become peculiarly inter-
esting and important.
