UNITED STATES OF AMERICA:

the American Philosophical Society, Fel-

The importance of materials for a History
of the United States will be generally acknow-

preserve the early and authentic documents
on this subject which had become exceedingly
scarce; and were not obtained without diffi-
culty.
Many of these papers are very curious, and
will be highly entertaining to the lovers of
American Antiquities, and when considered
as authentic memoirs of the early transac-

guished and enviable station in the annals of
human liberty, they become peculiarly inter-
