A NEW ADVERTISEMENT.
To Merchants, Store-keepers and Tradesmen in general, &c.
GENTLEMEN,
I FEEL peculiar pleasure in stating, that you have so generously and generally come forward and subscribed for my work, that (notwithstanding all provisos heretofore made by me) the coins and monies of account of the principal maritime trading places in Russia, Sweden, Denmark, Norway, Prussia, Poland, Germany, Holland, Flanders, Spain, Portugal, Italy, in several of the windward and leeward West India Islands, and many parts in the East Indies—the whole to be reduced to dollars and cents; and the best mode of computing the exchange with those places explained; also, a large sheet table of calculations at compound interest at 6 per cent. the tables used in banks for the determination of the value of gold; the interest of each month from one to twelve months, on every dollar (without exception) from one to two thousand; and a table of all the post towns in the United States; besides much other general useful information, shall positively be added to the work, entitled
ROWLETT'S
Tables of Discount or Interest,
On every dollar (without exception) from one to two thousand; thence on every ten, fifty, and five hundred, to five thousand, from one day to sixty-four days inclusive, at six per cent. with notes for 5, 7 and 8 per cent, &c. &c.
The work is dedicated, by permission, to the President and Directors of the Bank of North America, and received in the first twelve days of the patronage of JOHN ADAMS, President of the United States; of THOMAS JEFFERSON, Vice President of the United States and President of the Senate; of two-thirds of the Senators and Members of the House of Representatives of the United States; and of the Presidents and Directors of the different Banks unanimously, &c.—A list of the whole is printed and attached to the proposals.
It is evident that the work will be no trumpery catch penny thing; for I do assure the public, that the price of it is reduced very near one-half, according to the usual rate at which books sell; and it is my full determination to render it, in point of SUBJECT MATTER, a valuable acquisition.
With respect to the accuracy of the Tables, too much cannot be said, and I pledge myself that a PREMIUM of not less than ONE HUNDRED DOLLARS shall be offered to the first person who shall inform me of a single error of one cent, according to the principle acted upon.
To do away all doubts with respect to the experience of the undertaking, I do most solemnly declare that they will amount to very near FOUR THOUSAND DOLLARS, and perhaps more, dependent on any remuneration for my own trouble in the arduous business, and the great expense already incurred for specimens, proposals, advertisements, hand-bills, &c. &c.
I do therefore trust with confidence, that gentlemen will continue to come forward with that public spirit and generosity which characterize the nation, and support the work by subscribing to it without hesitation; otherwise it cannot be published, and I must sit down to rest upon a CONSIDERABLE LOSS.
And am, with profound respect,
Gentlemen,
Your obedient humble servant,
JOHN ROWLETT,
Accountant, Bank North America.

Postscript.—Gentlemen are respectfully invited to see Specimens of the Tables, &c. exhibited at the City Tavern, Hardy's Hotel, Francis's Hotel, the Indian Queen, Dudwoody's tavern, the Franklin Head and at the George; and please be referred to the other advertisements which appear every day in some one of the newspapers.
Subscribers are to pay nothing until the book is delivered rigorously conformable to all stipulations.
Copy rights secured according to act of Congress.
