

GORMAN'S GRAND DEPOT WHAT BARGAIN?

The dictionary answers with definitions. We answer by giving examples. Any one who inspects the following will never need to ask what a bargain is again.

25c. 21-inch China Silks, all the plain colors and black and white for dresses or fancy work. Would not have sold below 35 or 40c. if the maker had not been obliged to raise money by selling them at a loss.

79c. Navy Blue Storm Serge, 52 inches wide, all wool, fine texture, fast and unfading color. To reduce quantity we reduce the price, which regularly is \$1.00 a yard.

50c. We never did it before—sell this 48-inch, all wool lustrous Black Serge for a penny less than 65c a yard. We only do it now as a temporary bargain.

15c. The renowned Fletcher Lace Stripes Scotch Ginghams, which have been imported and sold in America for years at 25c a yard. All the patterns here specially offered are new for spring.

\$1.19. The same 300 Chenille Table Covers, which were sold at 1.50, again that we will sell for 1.19. They are made of the best material and are expected to sell again below \$2.00. But here they are—same rich, elegant designs—6-4 size, heavy knotted fringe. But not for long.

5c. Palma, fine and full bleached cotton, made to sell at 7c. If the manufacturers will forgive us this time, we promise never to do it again.

FOREST CITY NEWS.

Movements of Many Prominent People

Intelligently Mentioned. Special to the Scranton Tribune.

FOREST CITY, Pa., March 8.—T. J. Avery was the first member of the new police force to capture a "bird." The "bird" proved to be a stalwart Police officer, and Mr. Avery had to call three other policemen to carry the Pole to the city hall, as his lower extremities were weak after having imbibed too freely in spirits ferment.

Dr. D. Dwyer, of Carbondale, was seen upon our streets today. "Doc" is always a welcome visitor here. Two local sports, one representing this place and the other from Vandling, started for New York City last Saturday with their faces wreathed in smiles and grip sacks in hand and a good supply of "long green" in their inside vest pockets, determining before they reached their "own firesides" again to "do" the metropolis. It has recently been made known that two of their best friends received telegrams from them to telegraph them the "wherewith," as they wished to buy a return ticket.

John L. Westgate made a short business trip to the Pioneer City today. Edward Reynolds, of Clifton, spent a short time in our borough this afternoon while en route to Scranton.

The funeral of John, son of Henry Luxmoor, of Elgerton, will be held today. Interment will be made in Rose Hill cemetery.

Among the many admirers of the Hon. G. A. Grow there is no one more enthusiastic than the old veteran, William Seal, of South Second street.

The speech made by Mr. Grow in congress Wednesday pleased the old soldier exactly and he, having been acquainted with the congressman for many years, has written his approval of the course taken on the pension bill by the member from Glenwood.

The alarm, such as called the Jermyrn people out yesterday, could easily be avoided by placing call boxes in the places where the buttons are now located and putting a register on the engine house. These boxes being numbered would show at once where the alarm came from. At present, no one knows where to go until the smoke is seen. The fire company traveled First and Second streets yesterday looking for the blazes. Fortunately they were not needed. A great many do not understand that there are more districts than words. There are four as follows: East Side, powder mill; south of Bacon street and north of Bacon street; to the borough line.

ELECTION CONTEST.

A Lively Fight Promised on the Honesdale Tax Collectors'hip. Special to the Scranton Tribune.

HONESDALE, Pa., March 8.—Ever since election day there have been rumors about the election of Daniel C. Osborn as collector of taxes for the borough of Honesdale. Nothing definite was done until today, when Attorney O. L. Rowland presented to the court a petition signed by thirty citizens of Honesdale, attached to which was the necessary affidavit sworn to by Bernard Reilly, Henry Grambs, R. A. Ferber, A. Oberhardt, John Loercher, jr., and William Peltio.

The affidavit set forth that according to the result announced by the election board, Daniel C. Osborn had been elected tax collector for the year 1894, and that the citizens of Honesdale, attached to which was the necessary affidavit sworn to by Bernard Reilly, Henry Grambs, R. A. Ferber, A. Oberhardt, John Loercher, jr., and William Peltio.

The citizens generally are in favor of a re-count of the votes cast at the last election regardless of the result, as the election board certainly did not count the votes as directed by the law, and a great many think a re-count would change the totals.

FOR RHEUMATISM, LUMBAGO, NEURALGIA, CRAMP AND COLIC there is no remedy superior to the genuine Dr. Thomas' Electric Oil.

MINOOKA SCINTILLATIONS.

Miscellaneous News Notes for Hurdled Perusal. Special to the Scranton Tribune.

MINOOKA, Pa., March 8.—Every evening as the factory girls are returning from their daily labors a gang of hoodlums employed in the yard hurl insults at the young women which are very obnoxious to the ears of respectable people. It is time that the proper authorities were interviewed on the matter and a stop put to these actions. A portion of the public road opposite the South Side store at Greenwood, is in a deplorable condition and is unsafe for driving over. A man yesterday who was not familiar with its condition, drove into it and got fast, and had to request the assistance of his brother teamsters to extricate him from his perilous position. Frankie Burke, son of Anthony Burke, is ill with a severe cold.

An infant son of Martin Gaughan, of Main street, died yesterday. John G. Cusick will arrive to be a delegate to the next county convention. Quilt pitching is again becoming the popular pastime among the boys at the lazy corner.

Colonel McClain's War Cry.

It is bad enough for the legislation of the country to be menaced by the political freaks of the senate, who probably hold the balance of power between the two parties; but when to these freaks may be added a lot of stock gamblers of both parties, who unite to delay legislation when the country is waiting in painful anxiety for action, the conclusion is irresistible that state-manship has fled from the body, and that the great interests of the nation are at the mercy of freaks and gamblers.

Hood's Never Fails

A Business Man's Experience—Cured of Rheumatism.

Mr. T. W. Haus, writes the letter given below. Mr. Haus is general agent for the Maine granite quarries and contractor for cemetery and building work, having an office at No. 708 Penn Avenue.

"I Hood & Co., Lowell, Mass. Gentlemen—We have a very high opinion of both Hood's Sarsaparilla and Hood's Pills at our house and with good reason. I have taken every remedy known for rheumatism, and feel justified in saying that Hood's Sarsaparilla is the only one that does me any good. I must admit I have not taken it steadily, but only when the pains of rheumatism came on. Hood's Sarsaparilla has

tack. We are never without Hood's Sarsaparilla and Hood's Pills in our house, and have recommended both to dozens of friends. When any of my family are taken sick, no matter with what disease, the first thing we do is to give

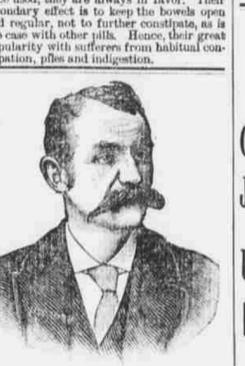

A Dose of Hood's Pills and follow it up with Hood's Sarsaparilla. I might write several pages in praise of this excellent medicine, but think I have said enough to convince." T. W. HAUS, Pittsburg, Pa.

ASSIST NATURE a little now and then, with a gentle, cleansing laxative, thereby removing offending matter from the stomach and bowels, and toning up and invigorating the liver and quickening its tardy action, and you thereby remove the cause of a multitude of distressing diseases, such as headaches, indigestion, piles, flatulency and malodorous stools numerous to mention. If people would pay more attention to properly regulating the action of their bowels, they would have less frequent occasion to call for their doctor's services to subdue attacks of dangerous disease. That, of all known agents to accomplish this purpose, Dr. Pierce's Pleasant Pellets are unequalled, is proven by the fact that once used, they are always in favor. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity with sufferers from habitual constipation, piles and indigestion.
